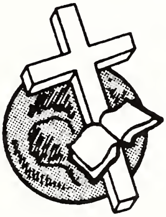
NEILL'S CREEK BAPTIST CHURCH
October 28, 1986



The next regular meeting of the Little River Baptist Association will be held on Monday, October 26, 1987, with Kennebec Baptist Church and Tuesday, October 27, 1987, with Dunn First Baptist Church.

The annual sermon will be delivered by Rev. Bill Denning, pastor of Dunn Second Baptist Church.

Karen Yarborough Patterson is a native of Harnett County, the daughter of Arthur Thomas and Elsie Yarborough.

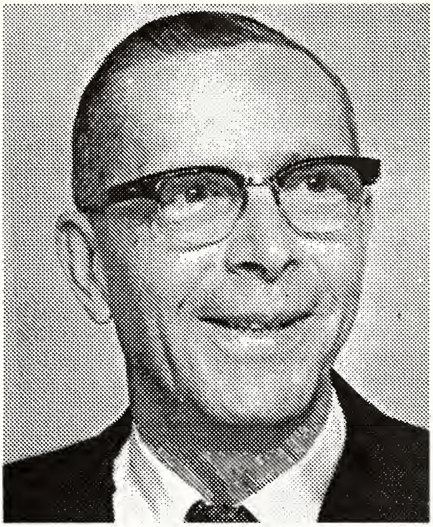
She graduated from Lillington High School and completed a dental assistant correspondence course through the University of North Carolina at Chapel Hill.

At the age of six Karen accepted Christ and was baptized into the Harmony Baptist Church.

Married to Alvie Oldham Patterson, Jr., they have four children, Jennifer, Al III, David and Jonathan, ages seventeen, sixteen and eleven respectively.

Karen was employed by Dr. B.P. Marshbanks, Jr. as a dental assistant for approximately twelve years prior to coming to the Little River Baptist Association as secretary. She was employed by the association for approximately six years serving faithfully until poor health prompted her retirement in 1985. Karen served with dedication and even though she was considered a part-time employee, at one time she served as secretary, clerk and treasurer.

With heartfelt appreciation for her faithful service, the association presented Karen a certificate of appreciation and a love gift at the 1985 Annual Meeting. In addition to this honor and as a further indication of our love and appreciation we dedicate the minutes of the 1985 session of the Little River Baptist Association in honor of Karen Yarborough Patterson.



Julius Holloway was born on September 20, 1910, in Harnett County and grew up in Chalybeate Springs. He was one of six children of James Wesley and Ada Campbell Holloway. He graduated from Lafayette High School and attended Campbell and Mars Hill prior to receiving his degree from Wake Forest University.

At the age of fifteen he accepted Christ as his personal Savior and was baptized into the Chalybeate Springs Baptist Church. He accepted the call to the gospel ministry and was ordained by Pleasant Memory Baptist Church.

Prior to serving as Director of Missions for the Little River Baptist Association he was pastor of a number of churches including Pleasant Memory, Oak Grove, Layton's Chapel, Bethel, Collins Grove, and Social Plains.

Julius was married to the former Anne Allen of Johnston County on Easter Sunday 1948 at Buies Creek First Baptist Church.

Reverend Holloway served the Little River Baptist Association faithfully for approximately twenty-four years. During this time a home for the Director of Missions was built, twelve missions were established, with ten of these becoming churches and the association's ministry grew. In recognition and appreciation of Reverend Holloway's zeal for missions the association has established the Julius Holloway Mission Partner's Fund to be used in establishing new mission points in the association.

It is in recognition of Reverend Holloway's years of faithful and dedicated service to the association and the Lord that the Little River Baptist Association dedicates the minutes of the 1985 Annual Session in his memory. His ministry continues to live and only God will ever know the full impact on the ministry of Reverend Julius Holloway.

Minutes

of the

111th Annual Session

MONDAY NIGHT, OCTOBER 27, 1986
FIRST BAPTIST CHURCH, BUIES CREEK

Following a period of singspiration led by Mae Marshbanks of the host church, the 111th Annual Session of the Little River Baptist Association was called to order by Moderator Harrington Morrison, noting the session's theme, "Evangelism and Missions." A few miscellaneous items of business had to be addressed in order to properly begin the business session. Immediately, the moderator asked for a motion to adopt the program as given in the Book of Reports. Earl Howard made that motion and several seconds were made. The motion was voted upon and carried. Upon being recognized by the moderator, John Rogers requested a motion to waive certain constitutional restrictions for messengers to the annual session so as to seat any messengers present from the three missions of the association. A motion was made, seconded, voted upon and carried. Finally, the moderator announced the appointment of Jim Shaw as clerk pro-tem replacing Colie Rock who had resigned for health reasons.

Messengers and guests were welcomed to the annual session by host pastor John Rogers. He then read Psalms 133 and 134 from a modern paraphrase and led in prayer asking God to guide participants through the meeting.

Mr. Morrison referred those present to the Book of Reports containing submittals from the chairpersons and directors of their respective committees and organizations. After noting the Standing Committees, he called attention to the Executive Committee Report, citing especially decisions to participate with Campbell University in the Billy Kim Crusade in October and to create the "Julius Holloway Mission Partners Fund." Following this he briefly summarized the Treasurer's Report.

New pastors to the association, along with their wives, were recognized by Director of Missions, I.B. Laughrun. They were: Danny and Pat Collins, Trinity; Mickey and Janie Heyward, Calvary; Tom and Beverly McCann, Dunn First; Mark and Diane White, Coats; and David and Harriet Whiteman, Memorial.

The Sunday School, Church Training, and W.M.U. reports were presented as listed in the Book of Reports and duly received.

In the Director of Missions Report, I.B. Laughrun expressed appreciation, first, for work well done by the committes and directors of organizations of the association, and then, for the Billy Kim Crusade services which he described as "soul stirring." He said that the Nominating Committee had good response from those contacted. He also noted that he coveted prayer concerning future plans in the making for the association.

The Church Music Report was presented and received as listed in the Book of Reports.

Earl Howard highlighted three new line items in the Proposed Budget as well as a notable increase for the Brotherhood:

FAMILY LIFE CENTER -- A letter was received from George E. Womble requesting $50 per month support from the association. A financial report clarified an overwhelming need for this support.

SEMINARY EXTENSION -- This item is for aid to education and continuing education.

MISSIONS DEVELOPMENT -- Projects are underway but, for now, this will be more for benevolence purposes.

Mr. Howard made a motion to adopt the proposed budget. The motion was seconded, voted upon, and carried with no opposition.

Several items were included under Miscellaneous Business. Moderator Harrington Morrison recognized Karen Patterson and voiced appreciation for her work as secretary for the association. Her resignation was given for health reasons. She was presented a certificate for faithful service from the association along with a love offering from the churches of the association in the amount of $1,398.27, with more on the way. Mrs. Patterson expressed her appreciation for these as well as the continued prayers for her. John Rogers cited a proposed constitutional change which will be acted upon as miscellaneous business on Tuesday. Dr. Jerry Wallace, Dean and Provost of Campbell University, brought greetings from that institution and expressed appreciation to the Steering Committee of the Billy Kim Crusade for that fine event and for the continuing historical linkage between Little River Baptist Association and Campbell University. He announced that Bill Poe, President of the Baptist State Convention of North Carolina, will be speaking Tuesday morning during chapel at Campbell and welcomed those present to attend.

Following a period of congregational singing and special music by the Ladies' Ensemble of the host church, Dr. Frank Neville called attention to the Evangelism Committee Report. He echoed sentiments already made for the Billy Kim Crusade as significant event for the association. He also expressed appreciation to Campbell, calling attention to the Staley Foundation which made it financially possible. Although there were more decisions made, the following were recorded: 7 professions of faith, 11 rededications, 1 assurance of salvation, and 1 commitment to full-time Christian service. Dr. Neville also voiced appreciation for churches participating in the "Good News America" revivals in the spring. Baptisms in the association increased from 194 in 1985 to 239 in 1986.

Just before the worship period, Moderator Harrington Morrison recognized Mrs. Ann Holloway, wife of former Director of Missions Julius Holloway, citing their many years of dedication and service.

Because the proceedings were running ahead of the scheduled time and due to the student musicians being delayed by their evening classes, the special music of the worship period followed the message. I.B. Laughrun introduced the speaker, Johnny Hunt, who is pastor of Longleaf Baptist Church of Wilmington. A dynamic speaker, he pointed out that a worthy goal of churches is to increase baptisms, quoting Billy Graham that associations that used to be "forces of evangelism" are now "fields for evangelism." Special music was presented by John and Lisa Byrd, students of Campbell University.

The assembly was adjourned by the moderator as he led in prayer.

TUESDAY AFTERNOON, OCTOBER 28, 1986
NEILL'S CREEK BAPTIST CHURCH

The second assembly of the 111th Annual Session of Little River Baptist Association was called to order by Moderator Harrington Morrison. He welcomed everyone remarking about the beautiful fall day and meeting in a beautiful facililty (the all-new sanctuary and educational facilities of the Neill's Creek Church). Among visitors welcomed, was John Mullinax, former pastor in the association and presently a representative of Baptist Children's Homes. In the absence of the pastor due to sickness, Marshall Woodall, who is chairman of Deacons at Neill's Creek, led in prayer asking God's leadership in the proceedings.

Gladys Latta submitted her report on Baptist Children's Homes and introduced Robert Watts, editor of *Charity and Children*. He expressed greetings from Michael Blackwell and the staff of the Children's Homes, commenting on their embarkation into their second century of operation. He noted that 87 percent of the children served have both parents living, clearly proving the Homes to be more than orphanages. He invited visitors to the Homes -- both individuals and groups.

The Baptist Hospital Report as presented in the Book of Reports was accepted as information.

The Baptist Retirement Homes Report was given by William Stillerman. He reported that the Retirement Homes are based on three suppositions: 1) They are an advocate for older people; 2) Those over 65 have as much to offer as any other groups in our society; and 3) They provide quality residential care for older adults. Presently, they have a capacity of only 300, but are planning for additional space.

Lincoln Faulk led a memorial service for those who had died during the past year in all the churches. Following his brief comments, messengers were engaged in a period of silent prayer.

The American Bible Society Report as presented in the Book of Reports was accepted as information.

In his report on the Baptist Foundation, Horace Barefoot underscored one thought: the Baptist Foundation can help Christians be better stewards of their life savings.

The Christian Literature Report as presented in the Book of Reports was accepted as information.

For the Ministers' Retirement Report, Joe Watterson briefed the messengers on the Expanded Church Annuity Plan in which the individual, church, and Baptist State Convention contribute toward an individual's retirement account.

Gary Taylor of Neill's Creek led the congregation in singing "We Have Heard the Joyful Sound."

The Ordination Committee's Report as presented in the Book of Reports was accepted as information.

Earl Howard made a motion to adopt the report from the Nominating Committee as given. This was voted upon and carried.

The Building and Grounds Report and Christian Education Report were accepted as presented in the Book of Reports. The Seminary Extension Report was omitted.

For the Christian Life and Public Affairs Report, George Reed updated messengers on the partnership in Togo where a bridge building project has been completed. The bridge crosses a river which, when flooded, completely separates many people from markets and other needed contacts. There is symbolic bridge building as well, concerning race relations and convention politics. He expressed thanks for the gifts, prayers, and participation on the part of all who have helped in any way.

Two items of Miscellaneous Business were presented:

1) John Rogers made a motion to make the constitutional change as presented on Monday evening. This was voted and carried.
2) Jeff Roberts presented a resolution concerning the recent action of the Home Mission Board restricting funds to churches with female pastors. This will be voted on during the evening assembly.

There were no special committees to report.

Floyd Glover drew attention to the first paragraph of the Brotherhood Report. Otherwise, it was accepted for information as presented in the Book of Reports.

Associational worship began as soloist Judy Johnson sang "To God Be the Glory." Jeff Roberts, pastor of Lillington Baptist Church, read Philippians 2:25-30 and led in prayer. His message encouraged pastors and other to accentuate the positive and to find the good in each other in order to build up the church.

Following the congregation singing "Count Your Blessings," Marshall Woodall gave the benediction and blessing. Messengers then enjoyed a delicious meal provided by Neill's Creek Church.

TUESDAY EVENING, OCTOBER 28, 1986
NEILL'S CREEK BAPTIST CHURCH

Following beautiful and inspiring instrumental music rendered by the organist and pianist of Neill's Creek Church, Harrington Morrison called the third assembly of the annual session to order and expressed thanks to the people of Neill's Creek Church for all their provisions for the meeting. Mickey Heyward, pastor of Calvary Church, read John 3:5-6 and led in prayer.

Henry Simpson, of the Place and Preacher Committee, reported that next year's annual session will be held at Kennebec and Dunn First churches and that the preacher for the annual sermon will be Bill Denning or alternate Jim Shaw.

Speaking for the Resolution Committee, Colie Rock reported that the resolution that had been referred to them would be returned to the session as Miscellaneous Business without recommendation from the committee. Then, he presented a resolution expressing praise to God and appreciation to various persons for their contributions to the association for the annual session and other events. This was voted and approved.

The Cooperative Program and Stewardship Report was given by John Rogers. He emphasized every Christian's responsibility to be good stewards of possessions and added, "If you are not giving, then you are not growing spiritually."

Kim Brown of Neill's Creek led the congregation in singing "Lead On, O King Eternal."

Joe Lennon, representative of the Christian Action League, spoke of the threat that homosexuals present to health and society as a whole. He warned that Christians must "be careful of the 'gay rights' movement." He expressed concern over the alcohol issue saying that the "money talks" slogan holds very true in government. Other moral issues of concern that are before the Senate include gambling and pornography. He urged those present to contact their senators about these issues.

Martin Groover presented the Missions Committee Report emphasizing the Julius Holloway Mission Partners Fund. To date the fund is in excess of 20 mission partners. The goal is 100.

Miscellaneous Business included two items:

1) Robert West, former pastor of Piney Grove Church, spoke on behalf of the association expressing appreciation to Susan Morrow for a job well done as associational office secretary, especially with the extra work required related to the Billy Kim Crusade and the annual session.
2) Jeff Roberts reintroduced the proposed resolution asking the Home Mission Board to rescind their recent action of withholding financial support for female pastors. After some discussion, both pro and con, the resolution was voted upon and adopted.

Mrs. Vivian Simpson presented the World Mission Report. She added that Baptists are behind in the Bold Mission Thrust goals, saying that we have been lulled into believing that "all is well and the job will just get done." She stressed, "Let's keep the world in vision from our knees."

Susan Morrow gave the Registration Report. Out of 37 churches and three missions, participation was from 32 churches. The attendance was as follows:

Monday Evening:	125 messengers,	37 visitors	=	162 total present
Tuesday Afternoon:	131 messengers,	40 visitors	=	171 total present
Tuesday Evening:	140 messengers,	38 visitors	=	178 total present
Grand Totals:	396 messengers,	115 visitors,	=	511 total present

Kim Brown led the congregation in singing "He Leadeth Me." Following this, she shared a brief word of testimony.

Dr. Paul Early, Missionary-In-Residence at Campbell University, gave the Missionary Message. He was introduced by the Moderator. Reading from John 4:35 (and other references) he emphasized that Christians are called to share and to go to the world and stressed the urgency of sharing the gospel with all the world.

The congregation sang "Footprints of Jesus." Harrington, stepping down as moderator of the association, stated that many good things were going on in the association. He said the past two years had been a "learning experience" but that he was "real happy" to hand the gavel to Jeff Roberts who is the moderator for the coming year. Jeff, then, gave his thanks to the messengers for the privilege to serve them in this way and for their trust in him and pledged to do his best.

The meeting was adjourned as Jeff Roberts led in prayer.

Resolution

RESOLUTION: Regarding Recent Home Mission Board Action Regarding Discontinuance of Support for Female Pastors

WHEREAS one of the cardinal principals of Baptist polity is the autonomy of the local congregation and

WHEREAS all denominational agencies and institutions exist dependent upon the encouragement and support of the local congregation and

WHEREAS God in His wisdom and sovereignty is free to call whomever He chooses into His service -- male or female and

WHEREAS each individual child of God is soul-competent to do business with God through the influence of His Holy Spirit and

WHEREAS the Home Mission Board in its meeting on October 8, 1986 voted to stop financial support for all female pastors on the basis of their ordination,

BE IT THEREFORE RESOLVED that the Little River Baptist Association, meeting in its 111th Session, October 28, 1986, does herewith express profound concern that such action has been taken, reflecting the growing establishment of ecclesiastical hierarchy which violates our Baptist principal of local church autonomy

AND that such actions threaten the careers and ministries of certain pastors simply because they are women

AND that such action tends to encourage churches who are not in sympathy with this decision to channel missions funds to the support of these legitimate pastors in lieu of Cooperative Program causes, threatening the lifeline of all state and S.B.C. Missions and ministries

WE THEREFORE encourage the Home Mission Board in its next meeting to right the wrong by rescinding its previous action, reinstating the traditional principles of freedom and local church autonomy long cherished within our denomination, as well as giving continued support and encouragement to all churches and their pastors

AND that copies of this resolution be mailed to our Home Mission Board, the board members from our state, and the *Biblical Recorder.*

Respectfully submitted,
Little River Baptist Association
Jeff G. Roberts, Moderator

Director of Missions Annual Report 1986

As our associational year draws to a close we look back and see a number of things that we would have liked to accomplished. However, the Lord did bless us in many ways. The "Good News America, God Loves You" evangelistic emphasis was a great blessing to our association. Susan Morrow, our secretary, has stepped in and performed admirably. We will miss her when she and Phil go to Louisville where Phil will enroll at Southern Seminary. I have been able to get into most of our churches at least one time and your reception has been heartwarming. The opportunity to participate in the Billy Kim Crusade was a God given privilege to be a part of the proclamation of the gospel to the people of Harnett County. We are so thankful that he came our way.

The leaders in our association have been very faithful in their duties. We are so thankful for them. We have been able to offer more training opportunities in our association the past year and we welcome them and look forward to working together as God leads us. We continue to have churches that are searching for a pastor and our prayers are with them.

We look back on the past year with thanksgiving and look to the new year with optimism. Many new challenges are ahead. With Reverend Martin Groover as our new Missions Development Director we envision starting at least one new mission. Plans are for us to have a Seminary Extension Program underway in the very near future providing the opportunity for continuing education both to pastors and laypersons. A small Media Center is also on the planning agenda.

Many opportunities of service are ahead. The Julius Holloway Mission Partners Fund can enable us to start new missions work. Be much in prayer that God will lead us and we will have the dedication and energy to follow that leadership.

I appreciate your work in the association during the past year and look forward to your participation in the new year. Thank you for the privilege of serving as your Director of Missions.

Church Music Report

"Musicians on Mission -- That All May Hear" is the adopted banner under which we as Southern Baptist musicians are concentrating our efforts from 1985 - 1990. What's it all about? It's about being musicians with a purpose -- musicians committed to proclaiming the Gospel to those who need it, and helping others do the same.

As an association, we were able to take a giant step as Musicians on Mission in '85-'86 with the "Good News America" simultaneous revival effort. At the January 13 rally, several music directors were present to share and learn of ways to use music as an effective evangelistic tool in these revival meetings.

Also this year, key music leaders met on November 2 and August 26 for discussion and brainstorming as to music needs within our association. One worthy achievement of these

meetings was the establishment of music "zones" within our association. Briefly, this system provides another level of communication between the state and national conventions and the local church. Also, it is good for nurturing fellowship and cooperation among the churches.

For 1986-87, our emphasis specifically is "Musicians on Mission -- That All May Hear . . . Beginning at Home." This theme holds the premise that in order to be effective Musicians on Mission, we must first be strong "at home" within our own church walls. Worthy goals for us as music ministers this year, then, should be:

- to increase our church music enrollment by 5 percent
- to earn our church music diploma (study course) and encourage other music leaders in our churches to earn theirs as well
- to utilize hymns and other music that support church doctrine
- to establish an on-going worship planning process with the pastor and staff

I have appreciated the opportunity to serve as your associational music director. It is my prayer that God will richly bless your ministry through music in 1986-87 and the years to come.

Phillip Morrow

Church Training Report 1985-86

On April 14, Children's Bible Drill was held at Antioch Baptist Church with six churches sponsoring 26 children; and on April 21, there were two churches with 11 children participating; all of whom went on to the state finals.

The New Church Training Workshop scheduled for October 7 has been well received and we are expecting a very good turnout with at least 15 churches sending representatives.

We are looking forward to a bigger and better year beginning with "M" Night on November at Coats Baptist Church -- "Sovereignty and Stewardship."

Associational Sunday School Report 1985-86

1985-86 has come to be known as the year of Revival. It is the year Southern Baptists participated in their first "Good News America" campaign. One might think that with the emphasis on revival our Sunday School just sat around and did nothing. This is not true. Last year, our Sunday Schools were right in the thick of things serving as an important spoke in the revival wheel. Our Sunday Schools were involved in prayer, personal contacts, promotion and attendance . . . all necessary factors toward the success of any revival.

I have felt honored to have had the privilege to lead our Sunday Schools the past two years. They have been important and exciting years. The Sunday School Enlargement and Improvement Campaign in 1984-85 gave our Sunday Schools growth and strength. The "Good News America" in 1985-86 gave our Sunday Schools a missions.

1986-87 brings with it new opportunities with new leadership. Juanita Buzzard will be the new Associational Sunday School Director. She is very capable and has the ability to move us into areas of greater growth. I ask all pastors and Church Sunday School Directors to lend her your support as you have so graciously supported me. Thank you.

World Missions Report

When God called the Apostle Paul, He had prepared the world for the gospel. The New Testament records that the apostles, preaching Christ, turned their world upside down. God has prepared our world today for the preaching of the gospel. He is calling us to turn this world upside down with the preaching of Christ.

Southern Baptists responded to that call in 1979 with the commitment to goals of Bold Mission Thrust. In 1985 we failed to reach our goals. Last year we reported the lowest number of baptisms in the past 35 years and our net growth of seven percent represented the smallest gain since 1926.

There are many reasons for this. We are living in a very secular, pluralistic society. Fewer and fewer churches are involved in evangelism and outreach. Forty percent of Southern Baptist churches reported *no* revival during the entire year of 1985 and only 8.9 percent reported the beginning of new missions or churches. Also, we would be "sticking our heads into the sand" if we did not acknowledge the fact that the growing controversy in our Convention is contributing to the decline of growth among our churches.

But God is still at work among Southern Baptists - there are still churches, pastors, laypeople, missionaries at home and abroad, who are committed to meet the spiritual and physical needs of the millions who do not know Christ - who are still committed to the goals of Bold Mission Thrust, to share the gospel with every person in the world by the year 2,000.

Through the 13 programs assigned to them, the Home Mission Board continues to evangelize, start churches, and minister within the geographic boundaries of the United States. Through Church Extension and Language Missions, 1,351 church-type missions were started; 528 missions personnel were appointed bringing the total home mission personnel to 3,635. Short-term volunteers were appointed, numbering 48,891, and the Mission Service Corps assigned 305 volunteers, bringing their total to 837.

The Christian Social Ministries Department works through 106 missionaries to assist churches, associations and state conventions with Christian ministries including, literacy programs, weekday ministries, work with the disabled, the divorced, the abused, homes for unwed mothers, crisis centers, reporting 3,642 professions of faith and 155 missionaries working in this department.

Much of the training and preparation for the Good News America, God Loves You revivals was done by home mission board personnel in the conducting and training of 1,695 pastors and laypersons to share their faith, and training 280 consultants in revival preparation.

The Board has initiated a three-year project to lead churches to pray for missions, to call out those led to missionary service, to train church members to share their faith through mission action and increased membership in Woman's Missionary Union and Brotherhood. This project is under the direction of the Office of Spiritual Awakening.

Encouraging reports of growth come to us from the Foreign Mission Board also. Last year 158,628 persons came to know Christ on our foreign mission fields, and were baptized. That is 12 church members per baptism compared to the average of 41 members per baptism in the Southern Baptist Convention. There was a 1.23 percent in church growth, with the number now 32,969 in overseas churches. However, there was a 16 percent increase in leadership training which will mean multiplied efforts in the beginning of new churches. Church membership went over the two million mark and mission work opened in the 106th country with entrance into Zaire and Reunion. A record 429 persons were named for missionary service, leading to a total of 3,597 under appointment, the largest Protestant foreign missionary force in the world.

Other encouraging statistics include a 10 percent increase in theological student enrollment, almost $12 million given for hunger and disaster relief, 6,759 volunteers assigned to overseas mission work, more than 20 million pieces of literature produced, more than 1.5 million treated in hospitals and clinics, and more than 100 million saw Baptist TV programs and 133 million heard Baptist radio broadcasts. The Lottie Moon Christmas Offering amounted to $64,724,000 compared with $58,529,000 in 1984.

Beyond the statistics, two exciting events occurred in 1985 which will continue to make a tremendous impact on the proclamation of the gospel worldwide. One of these, the Global

Evangelism Strategy Consultation, held at Ridgecrest last summer, brought together 42 Baptist leaders from 21 nations where Southern Baptist missionaries now live. These days spent together mark a giant step in world evangelism.

Another historic step took place last April when Cooperative Services International was formed to respond to the rapidly expanding professional and social service opportunities in China. "What we do in China is limited only by our vision energy and commitment," says Lewis Myers, the board's director of the new office. (It has been more than 30 years since Southern Baptist missionaries left China). Dr. Myers lists 30 potential projects and assignments involving Southern Baptists in China.

The complexities of our world, the sensitivities in different parts of the world, and the constant shifting of political and religious forces provide a never-ending challenge to our response to God's call to take the Gospel to the ends of the earth. Here in our own country, we live in the midst of many religions and among people who are facing problems they cannot handle - economic, crisis, hunger, crime, drugs, and so many we are not even aware of. But we are a Bible-believing, mission-minded, evangelistic people. May we pray together that the Lord will enable us to respond to the challenges that God is laying before us.

Associational Woman's Missionary Union Report 1985-86

"All over the world the gospel is producing fruit and growing, just as it has been doing among you since the day you heard it and understood God's grace in all its truth." (Col. 1:6 NIV) This has been our watchword for this year with the emphasis on "Multiply the Vision."

We believe deeply in training our officers in order to prepare them in associational work. Four in our association attended WMU Week at Ridgecrest, 14 attended our State WMU Workshops and 123 women attend our Little River WMU Workshop held at Lillington Baptist Church. We are concerned about so little growth in membership and organizations. Last year we gained five members and two organizations. It is our desire to double this number and urge our WMU directors to help meet this goal.

Our Mission Action Director, Mrs. Gladys Dixon, has led us in helping in Migrant Missions, International Students at Campbell University, Spring Fling and the North Carolina Correctional Center.

The Associational Baptist Women Prayer Retreat was led by Dr. Ruth Martin of Pembrook University.

Our annual Pastor Appreciation Dinner was held in February at Sirena's Courtyard. We honored our past and present Directors of Missions: Miss Zula Rogers, Mr. Roger Johnson, Rev. Julius Holloway (now deceased), Rev. Henry Simpson and our present Director of Missions, Rev. I.B. Laughrun. Mrs. H.M. O'Quinn was an honored guest. She is loved by all people in the Little River WMU.

The highlight of the year has been our Centennial year - 1886-1986. We have come to appreciate more the faithful women and how they have responded to God as He called them in His service. May we continue on as we "Multiply the Vision" as we are co-workers with God.

Our 79th Annual Meeting was held at Buies Creek First Baptist. Mrs. Lena Early, former missionary to the Bahamas, led our devotion, Buies Creek First Adult Choir Director, Miss May Marshbanks touched our hearts with selections from "Easter Celebration" by Ralph Carmichael.

Centennial Emphasis "Forward Through the Ages" was presented in costume by Little River Women. We commended Miss Vara Lee Thornton and Mrs. Herman Green, co-centennial chairmen.

As we approach a new year with the theme, "Gifted to Serve, Called to Act," let us remember that God is the gift giver and we each need to identify our gifts and proceed to use them in God's service.

When we know we come.
When we come we pray.
When we pray we give.
When we give we go. (copied)

Baptist Retirement Homes of North Carolina, Inc.

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of N.C., Inc., has sought to create a broader awareness of its services, across the state. Implementing state-of-the-art communication techniques through use of the *Biblical Recorder*, local newspapers and direct contacts, the Homes is effectively making itself known to greater numbers of Senior Adults and to a concerned and responsive denominational community.

The leadership of the Baptist Retirement Homes is addressing major changes which suggest a need for an adjustment of services. The sheer size of the Senior Adult population in the next decade is expected to require a significant expansion of existing services. Already consideration is being given to the construction of Continuing Care Communities in Asheville and Charlotte and to the renovation of the campus in Winston-Salem.

With extended longevity, the Baptist Retirement Homes anticipates ministering to Senior Adults who will live longer and healthier lives. More choices need to be available to these individuals as they experience added years of activity. Planning has begun to move beyond the standard services now available to consider additional possibilities such as home delivery of health services.

While the past year has brought a forward look at the direction of retirement care, attention has also been directed toward improvement of existing services.

Under the focused and energetic leadership of Bill Stillerman, President of the Homes since November 1985, the fine tradition initiated by past Presidents will continue. Yet, the Trustees and Administrative Staff of the Baptist Retirement Homes believe the participation of North Carolina Baptists to be critical for retirement care issues and by staying informed and supportive of services offered by the Retirement Homes, North Carolina Baptists can help assure a system of services adequate to the growing demand.

Stewardship Report

Stewardship is essential to Christian growth. After all, Biblical stewardship is talking about the management of God's material world. Christian stewardship encompasses more than giving. It is concerned with how a Christian relates to all material things, especially those over which he exercises some measure of control.

One measure of a church's stewardship and spiritual growth is related to its giving record. What are people giving? Are they giving more? What is the church giving? Is it giving more?

Listed below is the per capita record (giving per member) of the undesignated gifts, Cooperative Program gifts, and Associational Missions gifts for each church of Little River Association from October 1984 through September 1985. This table reflects the average giving per resident member of each church.

North Carolina Baptist Hospital Report 1986

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. Eight patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they need. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40 percent of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of nine young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transport patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The school of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave $566,307 through the Cooperative Program and $374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

W. Donald Moore, M.D.

Council on Christian Life and Public Affairs

Through its three departments the Council on Christian Life and Public Affairs has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life Committee members were trained. Information and guidance on a wide range of social and ethical issues were furnished to individuals, churches, and associations.

Two actions from the 1985 annual session relate to the work of this Council. First, the Convention asked the Council to promote the Sanctity of Human Life Sunday in January 1986 and to spend as much promoting this day in 1987 as would be spent promoting World Hunger Day. Promotional materials for the 1986 observance were ordered from the Christian Life Commission of the Southern Baptist Convention, which has primary responsibility for promoting special emphases on the SBC calendar. Additional funding was provided by the Convention's Executive Committee, and sample materials were mailed to all pastors in early December.

Second, the Convention voted to move North Carolina's emphasis on world hunger from June to the second Sunday in October, the date designated as World Hunger Day on the SBC calendar. Since this move put the Baptist State Convention back in alignment with the SBC on the scheduling of World Hunger Day, North Carolina Baptists were able to use the materials prepared by the Christian Life Commission (SBC).

The Christian Life Commission (SBC) will continue to prepare and provide materials for use in connection with dates of ethical significance on the Southern Baptist Convention calendar. These dates include the Sanctity of Human Life Sunday, Race Relations Sunday, Christian Citizenship Sunday, Day of Prayer for Peace, and World Hunger Day. North Carolina Baptists, by making use of these materials, are able to save Cooperative Program money by avoiding expensive duplication of efforts.

North Carolina Baptist Foundation, Inc. Report 1986

The purpose and objective of the Baptist Foundation has been, from the date of its incorporation and by the terms of its charter, to assist individual Baptists to find ways of continuing their support of all Baptist causes - institutions, agencies, mission causes - with estate and deferred gifts. As a result, trust funds are now administered which benefit local churches, associations, specific mission objects and offerings, and every agency, school, and institution supported by Baptists.

In 1985, North Carolina Baptists placed over one million dollars in new trust agreements with the Foundation, making provision for the perpetual support of practically every Baptist cause. Endowment of Cooperative Program was a primary trust designation.

It is now possible through the Foundation for each Baptist to "Give It Twice," once to family, then to Kingdom causes. Through properly constructed trusts and wills, family members and friends can receive from one's estate, over a period of years, an amount exactly equal to, or even greater than the estate portion they would normally receive through an ordinary estate distribution. With the "Give It Twice" plan, after the family receives their portion, the entire estate principal is still intact, with the income from the entire estate available for Christian causes - forever. If giving is exciting for the Christian, giving it twice is surely twice as exciting.

An indirect, but profound benefit of Foundation services to the local church has been the enhancement of individual stewardship growth and commitment. In nearly every instance, those who elect to commit to Kingdom use a portion of their estate assets, are during their lifetime more committed stewards. They *enjoy* their giving, and this happy, conscious stewardship dedication must be a profit for the church.

In summary, every cause the church promotes and supports can be endowed for perpetual and "forever" support. The Foundation's role is to help the church, church members, and congregations find the best way to do so.

1986 Christian Literature Report

Do you know why the Sunday School Board publishes church literature?

The objective of the Sunday School Board is to make available lesson courses and materials, promotional and leadership guidance materials, books and supplies, and to foster education and service programs that will help churches, associations, and state conventions establish, enlarge and improve their ministries of Bible teaching and Christian training.

This program includes the publication and distribution of periodical literature for use in Sunday Schools, Church Training programs, church music ministries, personal and family devotions, and other programs sponsored by the Board.

Do you know the purpose of the mission literature being used by our Southern Baptist churches?

New emphases are being placed on the churches going into the world in a variety of ministries. These materials will be programming the mission vision into your church.

A sample of these materials published by our Southern Baptist Convention, Woman's Missionary Union, and Brotherhood Commission are on display in the Curriculum Lab at Campbell University.

Do you know why the *Biblical Recorder* is published each month? "Write the vision, and make it plain." Hab. 2:2.

In a year that has been marked by tragedy, stress, and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The *Biblical Recorder* is a vital part of that Baptist family and as the official news-journal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Well-informed Baptists are more effective Baptists. The *Biblical Recorder* welcomes its assignment in the task of sharing the Good News of Christ.

Despite a tremendous increase ($96,000) in the cost of second-class postage during 1986, *subscription rates will not be raised for the fifth consecutive year.*

The rates are: Church Budget Plan, $5.00 per subscription for every resident family; Club Plan (four or more), $6.00; and individuals, $7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact:

North Carolina Baptist College Report 1986

Campbell	Chowan	Gardner-Webb	Mars Hill
1887	1848	1905	1856
Meredith	Wake Forest	Wingate	
1891	1834	1895	

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for cumulative total of 786 years. Leaders who formed the Baptist State Convention in 1830 did so with founding a college in mind. Baptists and their colleges have grown up together in North Carolina. The histories of the Convention, the churches and the colleges are inseparably intertwined.

The "roll call" of colleges, and a brief mention of current items of interest and concern, are listed for the benefit of the associations:

Campbell - During 1986, there is a special observance of the centennial year, using as a theme "A Century of Vision and Service." The new School of Pharmacy will open in the fall, and a School of Education has been established for graduate studies. Programs are offered in Goldsboro, Rocky Mount, Raleigh, Fort Bragg, Sanford, and in Wales and Malaysia.

Chowan - Enjoys a national reputation as a two-year institution of high quality. President Bruce E. Whitaker was recently named as one of the 17 most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for additional student aid, scholarship assistance and program support.

Gardner-Webb - On May 31, 1986, Dr. Craven E. Williams completed his tenure as President, begun in July 1976. On June 1, Dr. M. Christopher White, Vice President of Elon College, became the 10th President of Gardner-Webb. Included in its many educational programs are assistance for deaf and blind students who wish to earn a college degree.

Mars Hill - A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes statements of convictions by the faculty. Included in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work. Scholarships to attract superior students continues to be a major emphasis.

Meredith - "Thorough instruction" and "culture made perfect through the religion of Jesus Christ" are central to the college mission. Extensive studies during 1986 resulted in a reaffirmation of Meredith's commitment to education for women in both undergraduate and graduate programs. Construction of the Gaddy-Hamrick Art Center was begun in June.

Wake Forest - Conversations continue between Convention leaders and university trustees to clarify the basis for a continuing relationship. Founded in 1834 by North Carolina Baptists, Wake Forest is acknowledged as a superior university among church-related schools in the nation.

Wingate - Looking toward its 100th anniversary in 1995, the college has entered a 10-year, 30 million dollar "Second Century: Vision for Excellence" campaign. Numerous building, renovation and beautification projects are planned, in addition to library expansion, faculty support and student financial aid.

BAPTIST STUDENTS AND BAPTIST COLLEGES BELONG TOGETHER

Campus Ministries

North Carolina Baptists have some form of ministry on 47 college or university campuses across the state. A growing number of churches are also finding creative and significant ways to minister with students.

The Convention employs eight persons with primary responsibility for ministry in a specific university setting. We join with Baptist colleges in funding campus ministries in our seven schools, and we join other Christian groups in providing full-time ministers on two other campuses. In each of these settings our ministers work with student groups such as BSU, cooperate with university personnel in service to the institution, offer help to faculty and staff in personal and professional concerns and seek for ways of helping people on the campus work more closely with area churches.

During the 1985-86 school year students involved in Baptist Student Unions and on Baptist campuses pledged and raised about $50,000 for missions and ministry all around the world. A total of 150 collegians were trained in a week-long orientation period or are working under the direction of some department within the Baptist State Convention. New programs included semester service in Associational and related ministries for a dozen students, a summer internship in ministry with the Baptist Joint Committee, and the sponsoring of a resource team of three students trained and utilized by youth ministers and Associational leaders across the state.

The first "graduates" of our unique Campus Ministry Associate in Missions and Ministry program in Charlotte, Joy and Chris Gamble, were appointed and are serving as student evangelists in Taiwan under our Foreign Mission Board. Mark and Stacey Pennington are the 1985-87 ministers in this program, which seeks to serve in Charlotte and prepare persons for careers in student ministry on the mission field.

Work with volunteer ministries in several locations is continuing to develop as lay people, church staff members, college faculty persons and Associational staff lead out in the exciting ministry. Convention staff provides consultation and encouragement. This spring, five student leaders from these BSU's joined 13 others in a week of special training at the Sunday School Board. North Carolina's delegation of 18 was the largest (and, we feel, outstanding) as students from across the nation were involved in this leadership program.

Special conferences for International students, campus evangelism training and Black Christian collegians were offered during the school year. Staff, volunteers and student leaders planned and guided these events. A conference for High School Seniors, a leadership conference and a fall Baptist Student Convention involved over a thousand young people in Christian growth and challenge to stewardship of life.

Teams of students from BSU's and Baptist campuses all across the state led worship, planned youth revivals, sang or ministered through puppetry or clowning in hundreds of North Carolina churches. Students, under the leadership of ministers employed by your Cooperative Program dollars are growing and sharing their faith in many ways because you care enough to provide Baptist Campus Ministry! On behalf of these who, in God's power, are our future, thank you!

A Memorial Statement

In an emergency a layman friend of mine was asked to conduct a funeral. Never having done so before, he went to the New Testament to see what Jesus did, only to find that Jesus conducted no funerals -- only resurrections! On thinking of a memorial to our departed brothers and sisters, I, too, went to the New Testament to find what was said there about memorials. I found three direct references: one in the Acts where the prayers and alms of Cornelius came up for a memorial before God. This, something Cornelius *did!* Jesus said to the woman that anointed His head that what she had *done* would be told as a memorial to her. As for Himself, Jesus asked for no eulogy, tombstone, nor stately edifice but rather took a piece of bread and a cup of wine saying that as often as they ingested these symbols of His death that they would be remembering Him until He returned for them. This, too, was something He *did* for all mankind!

Today, we pause to remember those of God's family who accepted what Christ did for them and, who in turn, labored in and through His church. We pause not to mourn their death but to celebrate their lives! We would further honor their memory with our dedication to do the work of Christ's Church wherein they have served. We here affirm the faith that they have joined other brothers and sisters in a closer relationship in the Father's house; that there they continue what here they first began, and that they enjoy an unending experience of activity, growth and accomplishment. We revere their memory for what they did here, for lasting memorials are based on deeds.

Evangelism Report 1985-86

Much attention was given this year to preparation and conducting of the "Good News America Revival." An associational "Good News America" rally was held on January 13, 1986, in Lillington Baptist Church. During the rally, training was provided for various church committees appointed for the purpose of leading churches to prepare and participate in the G.N.A. Revivals. An Associational Choir, under the direction of Phil Morrow, presented music for the rally and Dr. Delos Miles, professor of Evangelism at Southeastern Seminary, gave his powerful and inspiring testimony.

Eighteen churches participated in the G.N.A. Revivals. These churches gave the following report:

1,765	G.N.A. Bibles distributed
44	Professions of faith made
506	Rededications
14	Transfers of Letter

The Executive Committee of the Little River Baptist Association voted in July 1986, to participate jointly with Campbell University in sponsoring a Billy Kim Evangelistic Crusade to be conducted October 19-22, 1986, in Turner Auditorium at Campbell University. Your Director of Evangelism is serving on the Steering Committee of the crusade and has met on numerous occasions with Rev. I.B. Laughrun, Director of Missions; Rev. Bud Fisher, Campbell University and Ronnie Byrd, Music Director for the crusade. In these meetings, arrangements, music, programs, promotion training and offering have been discussed, plans made and implemented. Although the Thomas F. Staley Foundation is paying Dr. Billy Kim's expenses, it was determined that an offering be received each evening and that monies received from these offerings over and above expenses (advertising, etc.) be given to the Far Eastern Christian Broadcasting Co.

During the Key Leadership Conference on August 26, your Director of Evangelism led a training conference for members of church committees suggested for the preparation of the Billy Kim Crusade. Also, the Rev. Mauricio Vargas spoke on Reaching Spanish speaking people in N.C. and Spanish speaking missions.

We are trusting and praying that God will send a spiritual awakening to the churches of the Little River Baptist Association and to the students of Campbell University through the Billy Kim Crusade, and that many people will be reached with the saving power and grace of our Lord Jesus Christ.

Baptist Children's Homes' Annual Report 1986

The Centennial Year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the missions and broad purpose of this child care ministry. Those words still ring in the ears of those present for this occasion.

The mission is to care for dependent, neglected, homeless and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, wherever possible, the placement of the child away from home.

In our 101st year of child care, more than 1,500 children were served. From this group of children/ youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than 25 youth into the fellowship of the local church.

The New Homes & Hospitals Offering, approved by the Convention last November, claimed the attention of our staff during the first five months of 1986. The offering was received in May with 50 percent of that which was received going to the Children's Homes, 25 percent to the Hospital and 25 percent to the Retirement Homes. The goal was $1.6 million. We encourage you to help promote the new offering in your church during May 1987.

UPDATE/PEMBROKE AREA:

The work at Odum Home is a continuing process to provide quality care and resources for the families who seek our help.

We continue our efforts to beautify and enhance our campus in physical appearance as well as offering programs in recreation, arts and crafts, education and spiritual guidance.

Staff training is essential in our work with the families we serve, therefore, workshops and training in all areas of child care are made available.

This past March, Burnt Swamp Baptist Association had their Union Meeting on our campus and it proved to be a rewarding experience for staff and children as well as for the pastors and members of the Association. More than 225 persons attended this meeting.

Missions Development Committee Report 1985-86

During this Associational year the work at Anderson Creek has made progress. Antioch, Lillington and Hillmon Grove are the supporting churches and were able to help the mission acquire five acres of land with two buildings located on Bay Road in Anderson Creek. One of the buildings, which was a home, has been remodeled inside and is now serving as the church and educational building. The other building has also had some renovation and is being used as the Social Ministry Center. Earl Lamm is the mission pastor.

The Spanish Mission at Neill's Creek continues its ministry to the permanent Spanish population in our area and the migrant workers who come for seasonal work. Luis Manriquez is pastor and average weekly attendance is 82.

In July we reactivated the Associational Mission Action Fund and renamed it "The Julius Holloway Mission Partners Fund." The purpose of this fund is to help us in the development of new missions in our Association. Funds will be used as "seed money" for establishing new work, to help with initial land acquisition, to assist new work in on-going needs, and the immediate use is for the debt retirement of the loan at Anderson Creek. It is hoped that at least 100 "Mission Partners" will commit themselves to giving $10.00 per month on a continuous basis. Since July some $900 has been given to this fund and about 20 have committed themselves to monthly support.

We continue to see the need for establishing more missions in our Association as the population of Harnett County increases. Pray that God will guide us to the exact areas where new missions and churches are needed the most.

Respectfully submitted,
V. Martin Groover

Building and Grounds Committee Report

In the early summer Baptist Men from several of the Associational churches met for a work day at the Associational Center. A wooden border was placed around the parking area and other landscaping jobs were done. Timbers for the border were donated by Nu-Home Building Supply.

In August a sign identifying the Center was placed on the front of the property. This is a very attractive addition to our Center and informs passers-by of the nature of the building. Materials and labor for the sign were donated by Baptist Men of the Association.

During the summer a coil had to be replaced in the heating and air conditioning system for the Center due to gas leaks. There was no charge for this since the system was still under warranty.

During the coming year plans are being made to further landscape the property with shrubs and plants to beautify the property.

1986 Christian Life Commission Report

The Christian Life Commission is grateful for another year marked by significant gains in several areas of its ministry on behalf of Southern Baptists. A wide range of program activities have helped Baptists practice Christian ethics in family life, race relations, citizenship, daily work, and numerous moral concerns. The agency has had many opportunities to work with other Southern Baptist agencies, thereby increasing its usefulness to Southern Baptist churches and people.

A close and effective working relationship has been maintained with Christian Life Committees in associations and in local churches. Christian Life Committees in churches now number a record 1,525. Working relationships with state Baptist conventions have been strengthened. This includes state conventions with full-time workers with state Christian Life Commissions (or the equivalent) and others with active Christian Life Committees without full-time paid workers.

The Commission has provided support materials for special emphasis days related to ethics on the Southern Baptist calendar. Bible-based themes, articles and art work accompany the copy related to sanctity of human life, race relations, Christian citizenship, peace with justice, and world hunger.

A national seminar dealt with "Applying the Gospel in the Local Church," in 1985 and on "Recovering Moral Values" in 1986. Other conferences related to applied Christianity dealt with topics such as moral problems and youth, gambling, hunger, apartheid, and peace with justice while still other conferences focused on training and strategy.

The cause of applied Christianity was expanded through the production and distribution of literature, study guides, audio and videotapes, and other resources. A new "Help for Families" series included four new videotapes and 15 new or updated pamphlets. The new videotapes deal with pornography, divorce, television, and changing roles in marriage.

The Christian Life Commission has the primary responsibility for education and action related to hunger. Wide distribution of the *1985-1986 Hunger Awareness/Action Guide* helped Southern Baptists to reach a new high in their gifts for hunger relief. Hunger gifts for 1985 totaled $11,830,146. The Foreign Mission Board received $10,625,897 for hunger ministries abroad and $1,204,249 went to the Home Mission Board for domestic hunger.

The Commission's primary publication in support of applied Christianity is LIGHT. During the past year circulation topped 18,000, and there has been exceptionally good response and support from a wide cross-section of LIGHT readers.

In reviewing the past year, the Christian Life Commission is encouraged and faces the future with faith, hope, and renewed commitment.

MILDRED HORNER JOHNSON

February 14, 1915 - March 29, 1987

We express our gratitude to God for the life of Mildred Horner Johnson, who lived and loved among us from 1952 until the time of her death in the spring of 1975. (She was the wife of the late E. Weldon Johnson who pastored the Buies Creek First Church from 1952-1975.

Mildred exemplified Christ in her daily life through her love and service to Him and His church. She served as Sunday School teacher, worked with Acteens, G.A.'s, and in many other W.M.U. positions in her church, as well as in the Little River Association. Her life was filled with loving and unselfish deeds to others as she went about the community doing good. She was an example to all who knew her in her love of God, love for her family, love for the church, and for others. Mildred encouraged many by her patience in suffering, her hope and trust in the Savior, and her ability to always see the good in others, and by having the joy of the Lord forever in her heart.

We humbly and sincerely dedicate the minutes of the 1987 Annual Session to her memory-a memory that lives on in the lives of her children, her grandchildren, church family, and in the lives of many other adults and children who were the recipients of her loving and gentle spirit.

He must give at least thirty (30) days advanced notice in writing of his intentions to resign, unless otherwise mutually agreed upon. If two-thirds of the Associational Council feel convinced, under the guidance of the Holy Spirit that there is sufficient sentiment on the part of the Association, and that it would be in the best interest of the Director of Missions and the Association to consider dissolving the relationship, the Moderator shall call a special meeting of the Director of Missions and the Executive Committee for the purpose of discussing the matter and endeavoring to render a solution. If a solution cannot be reached, the Moderator shall contact the Director of Associational Development of the Baptist State Convention or another such qualified neutral person who will act as a mediator in seeking to resolve the differences. The purpose of these meetings shall be foremost to resolve all differences and seek reconciliation. If agreement still cannot be reached, two-thirds of the Associational Council can request the Moderator to call a special meeting of the Executive Committee in order to recommend that the Executive Committee vote on whether or not it wishes to terminate the Director of Missions relationship with the Association. Executive Committee representatives from each church and program shall be notified in writing at least two (2) weeks in advance of this meeting and its purpose. Minutes

of the

112th Annual Session

MONDAY NIGHT, OCTOBER 26, 1987
KENNEBEC BAPTIST CHURCH

Following a period of singspiration led by Ronnie Byrd, Associational Music Director, the 112th Annual Session of the Little River Baptist Association was called to order by Vice Moderator, Marshall Woodall. Immediately he asked for a motion to adopt the program in the Book of Reports. Bill Denning made that motion and Gary McCollough made a second. The motion carried.

Messengers and guests were welcomed by host pastor Earl Howard. In his remarks he noted the theme, "Changing Lives Where You Are," and led in prayer.

The following reports were presented and in turn adopted:

1) Executive Committee Report. (Presented by Marshall Woodall, motion to adopt by Henry Rawls, second by David Whiteman.) Attention was given to the need for members of this committee to attend the meetings and support the Association in that way.
2) Committee Appointments. The Resolutions, Place and Preacher, Nominating, and Program Committees were appointed by the Moderator.
3) Treasurer's Report. (Presentation and motion to adopt by Lincoln Faulk, second by Roger Johnson.) The Treasurer noted an 11 percent increase of $5,675.86 in undesignated receipts over 1986.

I. B. Laughrun, Director of Missions, welcomed eight new pastors to the Association:

D. H. McCollough, Pleasant Memory
Tom Collins, Holly Springs
Robert Hall, Hillmon Grove
James Taylor, Fellowship
Greg Scott, Flatwoods
Timmy Blair, Piney Grove Chapel
Dean Beck, Broadway
Mark Creech, Harmony

The following organizational reports were presented and duly adopted:

1) Sunday School. (Presentation and motion to adopt by John Rogers, second by Perry Langston.)
2) Church Training. (Presentation by Vice Moderator, motion to adopt by Lorraine Nevill, second by Dudley Sistrunk.)
3) Woman's Missionary Union. (Presentation and motion to adopt by Virginia Currin, second by Lois Hughes.) Mrs. Currin noted 1988 as the Centennial Year of WMU to be celebrated in Richmond, Virginia.

After singing of a hymn by the congregation, the Director of Missions presented his report noting paragraphs four and five. Due to his personal involvement in this action, Rev. Laughrun requested someone else to move the adoption of a recommendation of the Associational Council: "That the LRBA join in partnership with an association in the Sao Paulo Baptist Convention in Brazil through 1992; that the Association send the DOM to Sao Paulo March 6-15 with other DOMs of North Carolina to formulate partnership plans; and, that the cost (approx. $1200) be paid from funds on hand." Tom McCann so moved and included the adoption of the DOM's report. Frank Neville seconded the motion. In the discussion, Rev. Laughrun was asked to elaborate on the program. He said that volunteers would go to Brazil to work with an Association there in church planting and construction, surveys, evangelistic efforts, and all phases of work in establishing new churches. The motion was adopted.

In his Church Music Report, Ronnie Byrd noted the theme for SBC musicians. In addition, he called ed attention to the Zone Directors for the Association. These will meet regularly with the Associational Music Director and contact the churches in their zone with ideas and Associational plans. Also, churches are to contact the Zone Directors if a need arises. He made a motion to adopt the report, Marvin Johnson made a second. The motion carried.

Earl Howard presented the proposed budget and made a motion for its adoption. John Rogers made a second. Rev. Howard noted that dollars here were representative of people who either provide a ministry or receive a ministry. He added further that the Budget Committee is available to churches throughout the year in their consideration of expanding ministries. The motion carried.

Miscellaneous Business included the following:

1) Tom Collins requested to meet with other members of the Place and Preacher Committee following the session.
2) I. B. Laughrun recognized the new Associational Secretary, Linda Cameron.
3) Frank Neville directed a request to the Resolutions Committee to affirm Southeastern Baptist Theological Seminary, noting deep appreciation to the faculty and president.
4) John Rogers announced that the Resolutions Committee would meet following the session.

Following a period of singspiration, Ronnie Byrd introduced the Ladies Trio from Holly Springs Baptist Church who presented special music.

Frank Neville made a motion to adopt the Evangelism Report as given in the Book of Reports. Lincoln Faulk made a second. Dr. Neville spoke of the "Year of the Laity" emphasizing church participation in electing an Evangelism Council within the local church, including the WMU, Brotherhood, and Church Training Directors. Recommended activities will include a Lay Renewal Weekend (fall, 1988), a Lay Evangelism School and/or teaching the module "Training S.S. Workers in Evangelism" (spring, 1989), and other discipleship training (fall, 1989). The motion carried.

Special music was presented by the Associational Choir.

I. B. Laughrun introduced Dr. George Shore of the NC Baptist State Convention to bring the message. Dr. Shore brought greetings from Dr. Roy Smith and the staff of the Baptist Building and congratulated the Association on its adoption of the Sao Paulo partnership. They are involved in a ten-year Densification Project. He said, "as a forest is dense with trees, so they desire the land to be dense with churches." His message focused on church strategies for the future to bring about evangelism and church growth. Baptists must be "people" people, reaching people for Jesus Christ. People-centered evangelism is the key to the future.

Marshall Woodall expressed appreciation for the use of facilities of the Kennebec Baptist Church for this Annual Session. Kenneth Weathers led in prayer as the assembly adjourned.

TUESDAY AFTERNOON, OCTOBER 27, 1987
FIRST BAPTIST CHURCH OF DUNN

Following congregational singing led by Ronnie Byrd, the second assembly of the 112th Annual Session was called to order by Vice-Moderator Marshall Woodall. Messengers were welcomed by host pastor Tom McCann. He read from Psalm 133 and led in prayer.

He further recognized Max Eller who is the new pastor of Angier Baptist Church and James Taylor, pastor of Fellowship Baptist Church and Greg Scott, pastor of Flatwoods Baptist Church. (Motion to adopt by Mr. Oliver, second by Henry Simpson.) I. B. Laughrun announced a Dedication Service on November 15.

4) Christian Education. Woodrow Neal noted the written report and expressed appreciation to the Association and all who were involved for their participation in the Billy Kim Crusade. He then encouraged pastors and others to attend the January Bible Study preparation offered at Campbell University on October 29. Finally, thanks were given again to churches for their giving through the Cooperative Program. All those monies received by Campbell went into scholarships and aid for students at the University. (Motion to adopt by Rev. Neal, second by Joe Watterson.)

5) Christian Life and Public Affairs. (Presentation by Mr. Woodall, motion to adopt by Vivian Simpson, second by Woodrow Neal.) John Rogers drew attention to the written report noting paragraph three in the section "Department of Christian Citizenship Education." Messengers were urged to notify their congressman to vote against passage of the pari-mutual gambling bill.

6) Brotherhood Report. (Presentation by Floyd Glover, second by Earl Lamm.) Mr. Glover stated that due to health, he would be stepping down as Brotherhood Director, being replaced by Tom Collins. John Rogers voiced appreciation for Mr. Glover for his dedication and sweet spirit and for being a model layman. The assembly expressed agreement by a round of applause.

Special music ("People Need the Lord") was rendered by soloist Ronnie Byrd.

A Doctrinal Emphasis program of Baptist history and heritage entitled "SBC--Past, Present and Future" was presented by I. B. Laughrun with visual aids shown by overhead projector.

Host pastor Tom McCann gave some brief instructions and invited all messengers to remain for supper provided by the host church. The meeting adjourned as Rev. McCann led the assembly in a prayer of benediction and blessing for the food.

TUESDAY EVENING, OCTOBER 27, 1987
FIRST BAPTIST CHURCH OF DUNN

Following congregational singing led by Ronnie Byrd, the third and final assembly of the 112th Annual Session was called to order by Marshall Woodall. Tom McCann welcomed those who were not present for the earlier session and meal. Reading from First Thessalonians, he joined Paul in giving thanks for the Church noting that while governments have come and gone the Church is still present. Afterward, he led in a prayer of thanksgiving for the Church.

The following committee reports were presented and adopted:

1) Place and Preacher Committee. Tom Collins reported that the 1988 Annual Session of the Association will meet on Monday evening at the First Baptist Church of Erwin and on Tuesday afternoon and evening at Memorial Baptist Church with the annual sermon to be delivered by Jim Shaw. The alternate preacher is Dudley Neal. (Motion to adopt by Tom Collins, second by Tom McCann.)

2) Resolutions Committee. John Rogers recognized Lorraine Neville who read a proposed resolution thanking God for His blessings and for Associational leaders (past and present), thanking the host churches of the annual meeting, and dedicating the minutes in memory of Mildred Johnson. (Motion to adopt by John Rogers, second by Lorraine Neville, carried.) Rev. Rogers read a second proposed resolution in support of Southeastern Baptist Theological Seminary. (Motion to receive by John Rogers, second by Roger Johnson, carried.)

4) Stewardship Committee. John Rogers strongly urged churches to give more for Associational Missions so that more ministry could be performed where the churches are. (Motion to receive by Rev. Rogers, second by Bill Boyd.)

An interlude of praise in song was rendered by the congregation, led by Ronnie Byrd, and by special music from the Westfield Ensemble.

A Memorial Service was led by Lincoln Faulk as he read a memorial statement and led in prayer remembering those members of churches in the Association who died during the previous year.

The following reports were presented and adopted:

1) Missions Development Council Report. Martin Groover stated that the Council was designed to minister to the needs of the total person. The Association needs to 1) discover existing needs where it is; 2) develop strategies to meet those needs; and 3) train people in churches to carry out the strategies. (Motion to adopt by Rev. Groover, second by Dudley Sistrunk.)

2) World Missions Report. In her enthusiastic presentation, Vivian Simpson informed messengers of two telephone numbers whereby churches and individuals could be updated as to prayer requests of the Home and Foreign Mission Boards: 1-800-554-PRAY for Home Missions needs and 1-800-ALL-SEEK for Foreign Missions needs. She strongly urged churches to obtain this information and share it with their members on the first Sunday of each month. (Motion to adopt by Mrs. Simpson, second by Lorraine Neville.)

3) Registration Report. The Associational Clerk stated that 33 out of 40 churches and missions participated in the Annual Session. Attendance was as follows:

Monday Evening: 135 messengers, 37 visitors = 172 total present
Tuesday Afternoon: 113 messengers, 25 visitors = 138 total present
Tuesday Evening: 122 messengers, 33 visitors = 155 total present
Grand Totals: 370 messengers, 95 visitors = 465 total present

In addition, the Clerk expressed appreciation for the clerks of the churches in the Association, as well as for the Associational Secretary and her invaluable service to the Association. (Motion to adopt by Clerk, second by Joe Watterson.)

Ronnie Byrd led the congregation in singing a hymn and the Associational Choir presented special music.

The Annual Message was delivered by Bill Denning. In his sermon, Rev. Denning gave two guiding principles to revolutionize the church to "change lives where you are." The first was that God gives people what they need instead of what they deserve. The second was that God works through average human beings to perform His will. By every church member, laymen and pastors alike, allowing the love of God to work through them to change lives where they are, many, many more people can be reached with the gospel of Jesus Christ.

Following some brief closing announcements and recognitions by Marshall Woodall, Berles Johnson led the messengers in a prayer of benediction.

WHEREAS, the professors and administrators of Southeastern have led the churches of Little River Association with much spiritual profit in revivals, foreign mission studies, interim pastorates, pulpit supply, January Bible Studies, and the like; and

WHEREAS, the professors and administrators have all willingly and publicly endorsed the Scriptures as the sole authority for faith and practice, and the Articles of faith adopted by the Board on December 7, 1950 regarding The Scripture, God, The Trinity, Providence, Election, The Fall of Man, The Mediator, Regeneration, Repentance, Faith, Justification, Sanctification, Preservation of the Saints, The Church, Baptism, The Lord's Supper, The Lord's Day, Liberty of Conscience, The Resurrection, and The Judgement; and

WHEREAS, Baptists have historically affirmed (as in the 1925, 1963 *Baptist Faith and Message)* the priesthood of every believer and the competency of the soul under the Lordship of Jesus Christ and the authority of Scriptures, to read and interpret the Scriptures for oneself as led by the Holy Spirit; and

WHEREAS, the Board of Trustees of Southeastern Seminary have recently taken steps to ensure that future faculty appointments will, above all else, embrace a particular and narrow view of Scriptural authority, have created a cloud of fear regarding the future rights of teachers to teach freely from the convictions of their heart under the Lordship of Christ and the authority of the Scriptures, and have altered the way the school chooses its teachers.

Be it, therefore, RESOLVED, that we as messengers to the 112th Annual Session of the Little River Baptist Association meeting on October 26, 1987, at Kennebec Baptist Church and October 27, 1987, at Dunn First Baptist Church affirm and express our profound appreciation to the faculty and administration of Southeastern Baptist Theological Seminary for the past 37 years of responsible Christian education and service to persons "called out from" and "sent out to" us for the work of ministry, and for the Christian ministry they have rendered directly to the churches of Little River Association; and

Be it further RESOLVED, that we as messengers of participating churches of Little River Association, of the Baptist State Convention of North Carolina, and of the Southern Baptist Convention call the Trustees of Southeastern to hold fast to the founding dream and mission of this seminary and to vigorously defend the competency of the soul so that neither of these precious possessions of our heritage and life be compromised in any way.

Be it further RESOLVED, that the messengers of the Little River Baptist Association express to the Trustees our grave dismay over the perceived threat to the faculty and student body of the long, cherished Baptist principle of the liberty of conscience and the apparent disregard to the historic Baptist tenet of Soul competency.

Be it further RESOLVED, that the messengers of the Little River Association at the 112th session inform the Trustees of Southeastern Baptist Theological Seminary of the stewardship given them by Baptists of every age and of their responsibility under God to represent the trust of all Southern Baptists, including the participating churches of this Association.

And, be it finally RESOLVED, that copies of this Resolution be sent to the Editor of the *Dunn Daily Record,* the *Biblical Recorder,* the Faculty and Trustees of Southeastern Baptist Theological Seminary.

Director of Missions Annual Report 1987

We began our associational year with a grand experience in the Billy Kim Crusade. This crusade stirred our hearts with the urgency of proclaiming the gospel of Jesus Christ to those around us. Let us all recommit to that urgency.

Our ASSIST people have spent much time and energy in study and preparation. They are well prepared to help our churches improve the Sunday School program. May I urge our churches to take advantage of this opportunity.

Several of our people met at Caraway for a preparation session for the Year of the Laity and we came back excited about getting our lay people more involved. There will be more on this.

At the September 1987 meeting of the General Board the invitation of the Foreign Mission Board, Southern Baptist Convention and the Sao Paulo Baptist State Convention to enter into a five year partnership was unanimously accepted. The period of the partnership is 1988-1992 with 1987 to be the time for planning activities. The main thrust of the partnership is to aid the Sao Paulo Convention in its evangelistic effort to organize 1000 new churches during 1985-1992. This will be done through a program designed on the field wherein associations in North Carolina will be partnered with associations in Sao Paulo city and state for implementing the program of outreach and development within each association. To reach this goal hundreds of volunteers from North Carolina with varied skills will be needed.

Several steps are involved if we desire to participate. They are:

1. Through regular process vote to participate and elect the Director of Missions or someone else to be the associational coordinator of the partnership.
2. Communicate this to the state coordinator, Mr. O. D. Martin.
3. Provide funds for this person to participate in the March 6-15, 1988 planning trip to Sao Paulo at a cost of approximately $1200.00.
4. Obtain passports for all who plan to participate.

This can be a great experience for the people of our organization to participate. However, it is a challenging proposal and we must be dedicated and committed to it if we become involved.

I appreciate the opportunity to serve in this association and I thank each of you for your wonderful cooperation and support. May God bless each and everyone of you.

Executive Committee Report

The Associational Executive Committee has met three times since our last Annual Meeting. Attendance at these meetings continues to represent about 40 % of our churches. Each Church is encouraged to elect one representative from its membership to attend these meetings with the pastor, for these meetings constitute the association when it is not in session.

Reports from the various officers and committee chairpersons reflect both encouraging and not-so-encouraging response to church involvement in all the ministries of our association. Our greatest need is for more wide-spread participation by the various churches.

During 1987-88, we should renew our commitment to "associate" together in the doing and promotion of missions. There are areas of our county that are growing and this brings on the need for more missions and churches. Let's commit to meeting these needs.

Our associational organization needs the services of someone qualified to lead us in the doing of Christian Social Ministries. We can do this if we give more and participate more. Join me in committing to this goal during 1987-1988.

The Association is the only level of our denominational organization that is controlled equally from the group and the church. The church agrees to "associate" and the Association agrees to "associate" with the church. During 1987-88, we should agree to associate more. Our problems could be more nearly solved and our ministries could be better served. Let's see!

Associational Woman's Missionary Union Report

Our special emphasis for the year 1986-87 was "Gifted to serve, called to act". We were asked to search out the many gifts God has given to us and to use them for the glory of God. "Each one should use whatever gift she has received to serve others, faithfully administering God's grace in its various forms" (1 Peter 4:10, NIV). Using our watchword, our WMU Council prepared well for our associational work. I attended the Key Leadership at Ridgecrest in May. Many of our leaders attended our State Workshops and two were privileged to attend WMU Week at Ridgecrest. We are all aware that we need to build our membership. God has called us to follow Him and we must work as we "Labor together with God".

Eighty-nine people attended our Pastor's Appreciation Dinner, February 10, 1987 at Sirena's Courtyard. We were delighted to have as our guest speaker, Dr. Lynn Buzzard of Campbell University. Rev. John Rogers of Buies Creek First Baptist was recognized as our Mission Pastor of the Year.

Mrs. Helen Jean Parks of Richmond, Virginia and wife of Dr. Keith Parks of our Foreign Mission Board, led our Prayer Retreat at Caraway Conference Center. This was a very moving experience for all of our 123 women present.

Our 80th Annual Meeting was held at Chalybeate Springs Baptist Church. Mrs. Ann Smith, first Vice-President of our State WMU, led our devotional and we were delighted to have Dr. Alton Hood, formerly of Thailand as our mission speaker.

Through our Mission Action Director, Mrs. Peggy Hubbard, we participated in helping with the Migrant Program, Special Olympics, gifts for N.C. Correction Center in Raleigh, books for the Harnett County Youth Center.

We were saddened in our organization this year by the death of Mrs. Mildred Johnson. She loved the Lord and showed this in her work with our Associational WMU and her local church. She will be greatly missed.

This year we will be celebrating our Centennial Year WMU/SBC in Richmond, Virginia. We look forward to this event of a lifetime. Plan to go!

As we move forward let us commit ourselves to give of our best to the cause of missions.

Associational Sunday School Report

Our Associational Sunday School can best be described this year as a year of beginnings. I began my first year as your Sunday School Director. That was the beginning of my relationship with local Sunday School officers and teachers who have attended training, planning and leadership sessions. I have appreciated the opportunity of working with each. It has been a meaningful experience to have become better acquainted with local Sunday School situations.

Another beginning for me has been working with our ASSISTeam. We have spent time getting acquainted, planning and training. We are looking forward to serving the association in a better, more informed way this coming year. Training events included workshops at Goldsboro, Caraway and Ridgecrest.

Another important beginning was a completed list of Sunday School Directors, officers and teachers in our Association's Sunday School. We appreciate the many churches who responded to our request. With this information each ASSISTeam member can contact their individual Sunday School age group teachers.

Another first was a recent Sunday School Council planning session. It was well attended by our Associational Sunday School leaders. Needs of our Sunday School were discussed, goals set and a planning process begun to reach those goals.

This has been a good year of beginnings. At times it has seemed slow but the organization and plans made and training that we received was necessary to be able to improve the effectiveness of our Associational Sunday School for another year. We consider this a great beginning and look forward to the coming year, working with all of the churches toward their goals.

Juanita Buzzard

Council on Christian Life and Public Affairs

Through three departments, the Council on Christian Life and Public Affairs has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life Committee members were trained. Information and guidance on a wide range of social and ethical issues were furnished to individuals, churches and associations. Special programs focusing on religious liberty and first amendment concerns were conducted in several churches and associations. Co-sponsored with the School of Pastoral Care and the Mt. Zion Association, an area-wide conference on providing pastoral care for AIDS victims and their families was held this Fall.

A major personnel change will occur with the retirement at year's end of Ted W. Williams, Director of the Department of Aging. As the inaugural director of the department, Ted has expanded both the number and scope of senior adult programs and created fresh and innovative approaches for helping senior adult leaders, pastors and associations meet the challenges of reaching this rapidly growing segment of our society. Through his involvement with state and national gerontological agencies, Ted has kept North Carolina Baptists on the cutting edge of developing ministries with older adults, and he will be greatly missed. We note his many accomplishments, affirm his gifts, and express our gratitude for his life among us.

W. Douglas Cole,
Executive Director

Department of Christian Citizenship Education

The General Assembly convened in February and stayed in session until mid-August, making this one of the longest sessions ever. Throughout this time, the Department, through the Legislative Information Network, provided frequent and up-to-date material on a wide variety of legislative issues. This information was sent not only to Network Members, but also to all members of the General Assembly.

The legislature dealt with a host of issues of interest to Baptists. Among these are the following:

-A bill which could have created a state lottery was defeated.

-Pari-mutuel gambling (on horse and dog racing) was put on hold when supporters lacked votes to secure passage in the Senate.

-A state-wide ban on phosphate detergents was imposed, a move designed to prevent algae pollution in rivers and lakes.

-The minimum age for imposing the death penalty was raised from fourteen to seventeen.

-Stopgap measures were taken to reduce prison overcrowding and other related problems.

The General Assembly will re-convene next June for a short session, given over primarily to the budget and to consideration of matters left over from this year. Supporters of pari-mutuel gambling hope to push for passage of their bill during this 1988 short session.

The North Carolina Hunger fund continues to provide financial help for churches and asssociations which are working to combat hunger here in our own state. Requests for assistance have been higher this year, perhaps reflecting greater needs in North Carolina and certainly signifying greater involvement by North Carolina Baptists. During the first eight months of 1987. $39,000 was sent to twenty-one churches and ten associations. Those assisted by the North Carolina Hunger Fund may be found throughout the state, from the Atlantic Association to the Cheoah Association, from Oxford and Sparta to Lenoir and Lincolnton and Jacksonville.

Because of the generosity of many North Carolina Baptists and because of the involvement of these thirty-one churches and associations, we have been able to work together to provide food for some hungry people in Jesus' name.

J. George Reed, Director

Department of Christian Family Life

There has been an increasing and gratifying response to the broad area of Family Life events sponsored by the Department of Christian Family Life during the current year.

Among the Family Life events led by the Department's director were six church-wide Family Enrichment Conferences; five Marriage Enrichment Retreats in churches in addition to sponsoring the annual three-day Clergy Couples Enrichment Retreat in January and Convenant Marriage Leadership Training Workshop in August. When the latter workshop is completed there will be forty couples available for leadership training in this new LIFE course in Marriage Enrichment. Our North Carolina churches have been most impressive in their response to the LIFE course introduced last year, Parenting by Grace. Two Parenting by Grace courses of ten lessons each were conducted during the year, as well as two Parenting by Grace Leadership Training Conferences for the churches of two host associations and sixteen invited associations from the surrounding areas. An "Introduction to Parenting by Grace" was led in another of our associations.

Another highlight of the current year was the sponsorship of four regional conferences entitled "Farm Families Looking to the Future". These were held throughout eastern North Carolina on four successive days and drew over three hundred participants. The director will be leading two other associational "Farm Families in Crisis" pastor's conferences. These conferences are co-sponsored with the Family Life Department by WMU and Brotherhood.

World Missions Report

The primary purpose of Southern Baptist mission efforts has been stated often - evangelism that results in churches. That this indeed is the focus can be verified in many ways. First, let us look at the statistics from our foreign mission fields.

At the beginning of the Bold Mission Thrust in 1976, through foreign mission efforts, 80,000 people were being baptized. In 1986, that total reached 185,000 baptisms.

To reinforce this purpose every missionary appointed by the foreign mission board is required to have specific training in personal evangelism. Some Southern Baptists might make the assumption that missionaries trained in agriculture or medicine or education implies a departure from the focus of evangelism. This assumption is not true. Some of the most effective evangelists are doctors, nurses, agriculturalists, and others who have received vocational training. For example, in Kenya, under the leadership of agricultural missionaries Doug and Evelyn Knapp, baptisms have grown from around 2,000 a year in 1978 to around 40,000 in 1986.

1986 was a banner year for foreign missions in other areas. Southern Baptists gave $67.1 million to the Lottie Moon Christmas Offering and $61.3 million through the Cooperative Program. In addition to local church giving, Southern Baptist gave/committed over $5 million through wills, insurances, trusts and annuities. At the end of 1986 a total of 3,756 missionaries were at work in 108 countries.

In these 108 countries there are 35,233 churches/chapels with 2,032,193 members; more than 50,000 radio broadcasts and 2,150 TV programs produced by media missionaries and overseas Baptist co-workers; 137,000 inpatients and more than 1.3 million outpatients cared for by health care missionaries and co-workers.

During 1986 more than 1,900 Southern Baptist volunteers joined overseas Baptist partners in special efforts, resulting in 24,279 professions of faith. Seventeen Countries where Southern Baptist missionaries serve are sending out almost 250 of their own missionaries.

With the outstanding statistics shared above, Bold Mission Thrust has become a possible dream with hope lying in the number of baptisms. This was an increase of 17.1 percent.

In the April 1987 issue of *The Commission,* Dr. Keith Parks reported an all-night prayer meeting involving trustees and staff of the Foreign Mission Board, resulting in a call to Southern Baptists to join in a concert of prayer. Each month, during the week prior to the first Sunday, a toll-free telephone call will provide suggestions for the focal point of that intercessory prayer. The number is 1-800-ALL-SEEK. Then, on the first Sunday of each month, each local church during its morning worship service would engage in fervent prayer for the work of missions around the world.

This year also, on Saturday, November 21, from noon-1:30 p.m. (CST), on the ACTS and BTN Networks, you can travel around the world without ever leaving home, and see video footage where missionaries are serving and hear mission leaders give the most up-to-date foreign missions information.

To further emphasize the need of intercessory prayer and in response to the Bold Mission Thrust goal for every church to have continuing intercessory prayer activities, WMU and the Foreign Mission Board will launch the National Missions Prayer Plan during the 1987 Week of Prayer for Foreign Missions. Plans for this emphasis are given in the WMU periodicals for the fall, 1987 and will be shared with each pastor.

The same purpose of evangelism that is the undergirding focus of all foreign mission endeavors is also the driving force of home missions. This purpose was first stated in 1845 when the Home Mission Board was organized and continues to permeate the work of all of the thirteen programs of the Home Mission Board and their commitment to the goals of Bold Mission Thrust.

However, statistical research has shown that by the year 1990, there will be 175 million people in the United States who are lost, without Christ. From 1970-1980, Southern Baptist grew by 1,412,978. Projections show that we will grow probably no more than 1,114,858 from 1980-1990, a decrease of 20%. 1985 marked the lowest number of baptisms in 35 years. In 1986 we increased 4% - a small move upward. Even the Good News America-God Loves You revivals did not have the impact the Home Mission Board had hoped they would.

At the same time, statistics show that most of the seven largest cult/sects in the United States are growing rapidly. These are the Mormons (the largest group), Jehovah's Witnesses, Christian Scientist, Worldwide Church of God, The Way International and the Unification Church.

Winning America to Christ is the goal of the Home Mission Board. They recognize the challenge it involves, the commitment it will take, the time necessary to reap the harvest. Still they persist.

Let me share with you some of the highlights of 1986 in home missions:

The Interfaith Witness Department with 343 associates are training Southern Baptists to learn how to understand and witness to people of other faiths. In 1986, 3,317 persons attended Interfaith Witness Conferences at Ridgecrest and Glorieta; they led 88 Awareness Conferences which 8,196 attended and during which 106 of those became certified as Interfaith Witness Associates.

The Language Missions Department supports 1,369 home missionaries who witness, minister to, and establish churches among 84 language culture groups. In 1986, in cooperation with state conventions, the division began 458 units including church-type missions, Bible studies, and Sunday Schools. There were 1,500 ethnic leaders trained in 65 centers, 100 catalytic missionaries were equipped and 150 volunteers trained to minister among diplomats and seamen.

Christian Social Ministries Department has 150 missionaries who work through various ministries to provide love and witness. In 1986 they recorded 4,365 professions of faith.

The 168 missionaries appointed by the Church and Community Ministries Department assist churches, associations and state conventions. This department trained 45 missionaries in associational leadership development and completed two manuals for working with the association and the disabled.

Through the work of the Church Extension Department, 76 churches became self-supporting during 1986. The division also placed 486 church starters whose combined efforts assisted Southern Baptists in starting 1,500 new church-type missions. The division gave financial support to 701 churches.

The work of three departments is channeled through the Evangelism Development Division: Associational Evangelism, Evangelism Support and Specialized Evangelism. The Associational Evangelism Department trained 131 associational evangelism directors at Ridgecrest. Other activities for this division included 300 renewal weekends, challenging 45,000 persons to become involved in spiritual renewal, ministry and witness. Fifty "Growing an Evangelistic Church" seminars were led with 1,600 pastors attending.

Mass Evangelism Department created, planned and helped implement the "Good News America, God Loves You" simultaneous revivals in which 95-96 percent of all associations and 74.5 percent of all Southern Baptist churches participated and which led to 103,000 baptisms. Thirty-five State conventions were assisted in revival preparation.

In 1986, the Missions Service Corps assigned 298 MSC volunteers, bringing the total to 920 serving in 630 different assignments. The special Mission Ministries Department coordinated the work of 42,000 short-term volunteers throughout the nation. More than 5,000 professions of faith were reported by 1,434 summer and 95 semester missionaries.

The missions force of the Home Mission Board falls under nine categories: Missionary, Missionary Associate, Church Planter Apprentice, US-2, Church Pastoral Assistance, Language Pastoral Assistance, Field Personnel Assistance, State Staff, and National Consultants with a total in all categories of 3,637.

The 1986 Annie Armstrong Offering goal was $33,500,000. At the end of 1986, The Home Mission Board had received $27,810,377 of this goal and $24,078,926 from the Cooperative Program.

The newest support ministry of the Home Mission Board is the Office of Spiritual Awakening which trained and certified 911 instructors to teach "Prayer for Spiritual Awakening" seminars with more than 34,370 people attending. This office will coordinate the plans for the National Prayer Plan that will begin this fall during the Foreign Mission Week of Prayer and will be renewed during the Home Mission Week of Prayer, 1988.

The Home Mission Board went through a year of challenge and change in 1986, which has continued to this time in 1987. Some of the actions it has taken have been historical and controversial. However, the overall purpose of the Board is the same and the challenge to the Board is the same - to win our land for Christ. May our prayer be that God will strengthen us to do the task He has called on us to do.

Annual Report for Missions Development Council

During the 1986-87 Associational year the Missions Development Council (formerly Missions Committee) administered the funds given to the Julius Holloway Mission Partners Fund to help in the retirement of the debt for land and buildings at the Anderson Creek Community Mission. This mission is sponsored by the Antioch, Hillmon Grove and Lillington churches. Antioch and Lillington borrowed money to pay for the buildings and land at Anderson Creek. The fund was issued to help these churches with their payments.

There are now two Spanish Missions, one sponsored by the Neill's Creek Church and the other sponsored by the Broadway Church. We are grateful for the fact that we are able to provide Spanish ministries in two areas of the association.

The Missions Development Council is responsible for more than just encouraging the establishment of new missions such as those already mentioned. On Tuesday, September 29, 1987 a conference which was part of Key Leadership, was held at the Associational Center to explain the purpose of the Missions Development Council and how it should function in the local church and association. In short the council is to help churches discover needs in their community and then development of strategies and people to meet these needs. The needs are many and varied and each one represents an opportunity for ministry. The Missions Development Council is concerned about ministry to the spiritual and physical needs of people. Meeting physical needs can open the door for winning people to Christ.

If your church does not have a Missions Development Council, you should establish one immediately. If you have a Missions Committee, it should become "The Missions Development Council." This is a new concept, and an effective one for doing missions. As the Missions Development Council Director, I am here to help you. Materials explaining it are available. Please let me hear from you.

Church Music Report

The Southern Baptist Musicians are concentrating on the theme Musicians on Mission--That All May Hear from 1985-1990. The objective of this emphasis is to support the goals of Bold Mission Thrust in reaching people, developing believers, and strengthening missions.

On October 19-22, 1986 our association gathered together, along with the Campbell University family, at Campbell University for the Billy Kim Crusade. A crusade choir was formed from choir members throughout our 36 churches in our association. There was special music each evening along with the crusade choir performing. We are grateful for their sacrifices. The Pastor's school which was held this summer at Campbell University was an exciting time for all of the associational choir members which provided music for the worship services and special music was provided for the banquets held each evening prior to the worship service.

I, along with other key leaders from our association, attended the Key Leadership conference at Ridgecrest in May. This time was valuable as musicians gathered from across our State to share and exchange ideas. These ideas were gathered from each association and I have a list of these ideas which were shared. With the cooperation as an association we can utilize these to strengthen our music ministry throughout our association.

The key factor in achieving unity and harmony on the associational level that was shared from across our state was "fellowship". It is my desire with the help from our zone directors to strive for this goal as well as to state more goals and strive to achieve them for our association. In our association we have eight zone directors. They are listed as follows: Zone 1: Director-Susie Howell, her churches will include Baptist Grove, Chalybeate Springs, Duncan, Macedonia, Rawls. Zone 2: Director-Gary Taylor, his churches will include: Angier, Trinity, Kennebec, Piney Grove Chapel, Neill's Creek. Zone 3: Director-Bill Sutter, his churches will include Lillington, Fellowship, Harmony, Flatwoods, Friendship. Zone 4: Director-Patty Jung: her churches will include: Buies Creek, Memorial, Pleasant Memory, Coats and Oak Grove. Zone 5: Director-William Ellis, his churches will include Dunn, First, Dunn, Second, North Clinton Avenue, South Erwin and Crestview. Zone 6: Director-Brenda Parker, her churches will include: Westfield, East Erwin, First and Faith. Zone 7: Director-Richard Sistrunk, his churches will include: Holly Springs, Broadway, Baptist Chapel, Swann Station and Antioch. Zone 8: Director-Bill Hayes, his churches will include Gourd Springs, Calvary, Hillmon Grove and Bethel.

I need your input as to your needs on the local level, that is from your church, and your input on the associational level. If I can assist you please contact our associational office.

Church Training Report

The Church Training Team sponsored a New Church Member Training Seminar, led by James Simpson, Associate Church Training Director for the State, for all Churches in the Association on October 7, 1986, with four churches participating.

Associational "M" Night was November 24, 1986, at Coats Baptist Church, with music by the Westfield Choir, and the evening message brought by Dr. Talmadge Williams.

American Bible Society Report

The Southern Baptist Associations 1986

American Bible Society
1865 Broadway
New York, NY 10023

Praise God for the continuing partnership of the Southern Baptist Convention in the worldwide Bible cause! Your faithful prayer and financial support make a vital contribution to the American Bible Society's global program of Scripture translation and distribution.

With your help many of the opportunities the Lord has given us to share His Word with people throughout the world are being met. Through the United Bible Societies, the international cooperative network of national Bible Societies of which the American Bible Society is a leading member, 600,128,459 copies of Scripture were distributed worldwide during 1986 - an increase of 9.4 percent over 1985.

During 1986 the total number of languages in which at least one complete book of the Bible has been translated climbed to 1,848 with the registering of 19 languages in which publication by the Bible Societies and other Christian organizations took place for the first time. In seven languages first-ever Bibles appeared. The American Bible Society is continuing to lend assistance to ongoing Scripture translation projects in 555 languages. In 348 of these, some part of the Bible is being translated for the first time.

Since 1816, the ABS has been working to serve the Scripture needs of this nation. But the Society's mission extends to providing God's Word for people of all nations where a need exists. One area of the world where people have long been without God's Word, but where a unique opportunity for Bible work has recently been initiated, is the People's Republic of China. Through a special partnership between the United Bible Societies and the Amity Foundation, a social service organization formed at the initiative of Chinese Christians, a state-of-the-art printing plant is under construction on the outskirts of Nanjing. The Amity Printing Press will give priority to printing Bibles and New Testaments and will have the capacity to print 250,000 Bibles and 500,000 New Testaments annually when it is completed in the latter half of 1987. In faith the American Bible Society has committed itself to raising nearly one-half of the $6,695,000 needed to purchase machinery, train personnel and provide the initial capital investment needed for this operation.

We appreciate immensely the way the Southern Baptist Convention has responded so generously to global Scripture needs during the past year as it has always done. In 1986 Southern Baptist churches gave $272,277 to the American Bible Society in support of the worldwide Bible cause.

We rejoice in this dynamic and historic partnership and depend on your support as we continue to reach out with the Word in the years ahead.

Baptist Foundation Report to the Associations 1987

In 1986, new trust agreements were prepared for 93 persons. Their gifts to initiate these trusts totaled $1,181,288. Many of the agreements provide for and anticipate the addition of funds in the future; thus, it is difficult to assess the longterm benefit to Baptist work provided through the trusts. Assistance was given to dozens of persons in preparing their Wills, all of whom included trusts through their estates for nearly every cause supported by Southern Baptists.

One imaginative concept employed in several trusts and wills has been "Give it Twice". A trustor provides that family members receive income earned by the trust until they have received an amount equal to the principal placed in trust. Then, after the family has received the full amount, the income thereafter is paid to Baptist causes selected by the trustor in the trust agreement. He has denied his family nothing! They have received it all. But the principal is still intact and the second time around the income will support Kingdom work.

Because of the 1986 tax reform legislation, certain types of trusts have taken on new significance. The Retirement Unitrust has become a vehicle for partially replacing the IRA. This trust is especially attractive for professional persons and others in middle years for supplementing other pension plans.

Many local churches chose to use the Foundation as trustee for funds which they were holding for future needs. Investment of those funds with the Foundation can, in some cases, result in greater income for the church. Conversely, since the funds are pooled and since churches can recall the funds, if they are withdrawn during a depressed market, principal returned to the church could be reduced. It is important that churches recognize that the Foundation's first objective is to assist individuals in estate stewardship. The motivation for using the Foundation must be the making of a gift to a Baptist cause. The Foundation does not operate as a bank or investment institution. However, one exciting realization for the church is that investment through the Foundation allows their funds to be a part of "family" and to be available for "family" use, if they desire.

In corporation with the state convention, the Foundation established in the last year a credit line of $3,000,000 for church loans. The Board of Directors took action to implement recommendation of its study committee, resulting in addition to thje staff of a director of administration to direct the church loan programs, as well as trust management. The board also approved construction of office facilities for the Foundation near the Baptist Building, with plans to begin construction in September, 1987.

Assets of the Foundation have increased to more than $13,000,000. These dollars are expressions of concern made by Baptist stewards. They are the very same persons who witness and give daily, that the lost, the needy, the hurting people of the world might know Jesus.

Ordination Committee Report

The Ordination Committee met to examine four candidates for ordination upon request from churches within the Association. These candidates were:

Pat Chisenhall -	Requested by Trinity Baptist
Tommy McLean -	Requested by Kennebec Baptist
Jerry Robertson -	Requested by Lillington Baptist
Greg Scott -	Requested by Flatwoods Baptist

It was the intent of the Ordination Committee to examine each candidate in such a way to give the requesting church our opinion on whether the candidate was ready for ordination and at the same time try to share with each candidate in such a way that might help them better understand their call and their ministry skills. We recommended that every candidate we examined this year be ordained. We used a form the Ordination Committee adopted during its first meeting in which we asked each candidate to submit some personal and theological information with the committee prior to the examination. We also followed the guidelines set up in our constitution.

Brotherhood Report

The Bible tells us that the fields are white unto the harvest but the laborers are few. Sometimes we the laborers ask where is the harvest and where is our service needed?

We, the Baptist Men of North Carolina, know where our missions are and we know the opportunity that each of us have to serve in the mission field of our choice.

I want to take this opportunity to thank each church and each man for the work you have done this year in the mission fields of our state. I would like to list some of the mission fields that you have served in:

The shut-ins of our churches.
The 550 Senior Citizens in our Rest Homes and Nursing Homes in Harnett County.
The Baptist Children's Homes in Kinston, N. C.
The jail and prison ministry.
The prayer and prayer tape ministry.
The Lay-Renewal Ministry.
The Lay-led Revival Ministry.
The Home Mission - Building mission churches and work at Fort Caswell.
The Royal Ambassadors program.

I want to thank Barry Jones, our Associational R.A. Director for the good job he has done with our R.A. boys this year.

Due to my age and health I feel it would be better if I resign from being Brotherhood Director at this time. I am happy to report that we have a man who knows Brotherhood work and loves Brotherhood work, and has agreed to serve as our Brotherhood Director for the coming year. He is Rev. Tom Collins, pastor of Holly Springs Baptist Church, Rt. 2 Box 6, Broadway, NC 27505. The church phone is 258-6342.

North Carolina Baptist Hospital Report to the Associations 1987

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and as of June 1, 1987, has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success.

The Air Care Program, described as "a flying emergency room staffed with highly trained pilots and flight nurses", "continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay mowing accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare procedure to correct an arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education and human enrichment events. In addition, the department, in cooperation with the Baptist State Convention, has offered the "Pastor's

Sabbath" Program at Caraway Conference Center and has provided assistance to more than 100 pastors and their families through the Minister's Care Plan. Plans are being made to offer training in "Conflict Management," "Healing of Corporate Pain," and "Ministry to the Interim Church."

Due to the change in the method and timing of the special offering, Baptist Hospital received during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of $474,662.00. Cooperative Program gifts to the hospital during the same fiscal year was $608,389.00, making our total receipts from the churches, $1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist Churches, the hospital trustees, staff and patients are deeply grateful.

Evangelism Report 1986-87

During October 19-22, 1986 the Little River Baptist Association participated jointly with Campbell University in sponsoring a Billy Kim Crusade in Turner Auditorium at Campbell University. Your Director of Evangelism, I. B. Laughrun, Director of Missions; Bud Fisher, Campbell University; and Ronnie Byrd, Music Director for the Crusade, served on the Steering Committee. Mr. Byrd organized an Associational Choir who provided outstanding music for the crusade. Counselors were trained extensively by Rev. Bill Denning, Pastor of Second Baptist Church in Dunn. The Crusade was greatly supported by the churches of the Little River Baptist Association and the attendance for each service was very good. There were many rededications made and professions of faith by people including a Campbell student who was killed the next day in an automobile accident. An offering was received each evening which amounted to $1,560.10. Of this, $1,123.91 was sent to the far eastern Christian Broadcasting Service and $436.16 was paid to cover local expenses.

Your Director of Evangelism attended the Key Leadership Conference in May of 1987 where he received information for the "Year of the Laity" emphasis for 1988-89. Also the Director of Evangelism attended a conference on "The Year of the Laity" with I. B. Laughrun and other associational leaders.

To assist churches to prepare for this emphasis, plans are being made to have an Association Lay Evangelism School in the spring of 1988.

Churches are encouraged to participate in the "Year of the Laity" emphasis through such events as Lay Evangelism Schools, Lay Renewal weekends, Training Sunday School workers in evangelism and discipleship training.

North Carolina Baptist Colleges

One Baptist leader has said that Baptist colleges deserve the "Light Under the Bushel Award." He meant, of course, that many of the finest, most interesting stories about Baptist colleges are not widely known.

Everyone connects Baptist colleges and a superior experience in Christian education. Most would agree that there are other strong advantages for Baptist students who attend a North Carolina Baptist college. When young people and their parents are choosing a college together, here are some things to consider:

THE TIME: Life after high school is still a time for growing, maturing, learning and planning for a full life as an adult. Going to college in a Christian environment can make a world of difference for a lifetime. The first experiences after leaving home can shape a life forever.

THE SIZE: All of the Baptist colleges in North Carolina are small and manageable. You can easily walk anywhere on campus. No one is overwhelmed by a "megaversity" environment. A new student, fresh from high school, does not get lost in the crowd. Classes are small. Teachers can know the names and faces of students, and are available to advise and counsel between classes.

A LASTING FAMILY: Many years after graduation, former students still visit and write letters to favorite professors. Cherished friends in college often remain friends for a lifetime. More often than not, students will choose a husband or wife while on a college campus. These are only some of the advantages of a Baptist college community of caring people.

THE CALL TO CHRISTIAN SERVICE: In Baptist colleges the ideal of service to others remains strong in vocational planning. A sense of calling to a variety of service/leadership areas is emphasized, including church-related vocations. In a "me first" world, Baptist colleges are different in important ways.

PREPARING FOR LIFE: Christian education prepares students for making a living. But more importantly, Christian education is the best preparation for spending a life. An excellent, broad-based education provides a sound foundation for a person's last job, as well as the first.

THE ROLL CALL OF BAPTIST COLLEGES

There are six educational institutions supported financially by the Baptist State Convention: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate.

The Biblical Recorder Report 1987

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the *Biblical Recorder!*

The state Baptist Paper for North Carolina always tries to tell it like it is - the good, the bad, the victories and the warts - with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uninformed. The *Recorder* tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain-only $5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the *Recorder* comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than $90,000 in 1987, the *Recorder* directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

May God help us all to work together to share the Good News with the world, starting where we are and reaching to the ends of the earth.

Baptist Children's Homes of N.C. Report

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphases occurred during this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by our clients in order to regain their ability to function as a whole or independently in society.
2. Moody Home Ministries, an intensive program of "friendship therapy' to troubled girls, was opened in Macon County. We are grateful to our Lord and to the people of Western N.C. in realizing this dream in 1987.
3. The process of Long-Range Planning, which in today's complex world of child care, can only extend up to five years was begun. As a basis for this LRP, accreditation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child-care institutions in North Carolina. We believe you share in this accomplishment.
4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of North Carolina on this child care ministry.

We are delighted to report that more than fifty of our youth made a profession of faith in Jesus Christ during this church year.

Our commitment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our therapeutic camping program, through the child development center and at our maternity home. OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES. We encourage you to help us by promoting the 1988 Homes & Hospital Offering in May and Cooperative Program stewardship.

Update/Pembroke Area Family Services: The Odum Home staff continues to seek excellence in providing services and resources for hurting children and their families. This past year has been a good one for the dedicated staff and children/youth in care. We have often been able to rejoice as family members have been reunited, thus fulfilling one of our desired goals.

The Baptist Men and Woman's Missionary Unions of our area Baptist Churches have been involved in meeting many of our needs. We are grateful for their expressed interest, prayers and support. Several area churches have provided funds for special projects.

Plans call for a continuation of our efforts to beautify and enhance our campus and cottages. We also renew our commitment to provide quality child care for some of God's loveliest children.

Through your faithful prayers and generous gifts, we continue to be laborers together for God, thus being grateful for the opportunity to serve with you.

The Baptist Retirement Homes of North Carolina, Inc. Report

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" has this year attempted to "move forward" in three broad directions.

I. Advocacy for Older Adults

During 1986-87, the "Homes" has endeavored to become an advocate, a spokesman, for a very special segment of the state's population...the Older Adult. Appearing before church, associational and convention groups throughout the state, the "Homes" and staff have attempted to sensitize Baptists to the particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and associations of the Baptist State Convention.

II. Quality Care

During the Year 1986-87, the "Homes" has continued to develop creative ways to meet the needs of Older Adults. For example, a significant new relationship has been established between the "Homes" and the Geriatric Section of the Bowman Gray School of Medicine (Wake Forest University). Mary Lyles, an attending physician in the Department of Medicine, has been appointed the "Homes" Medical Director. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as intermediate and skilled nursing to its residents and patients. In an attempt to provide quality care opportunities to Older Adults who still reside in the local community setting, a respite or temporary care program has been begun at the Albermarle Home. Quality care, long the hall-mark of the "Homes", is still the institution's main objective.

III. During 1986-87, plans for institutional expansion and new development have moved forward at a rapid pace. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes' long range plan includes the development of similar facilities in Asheville, Charlotte and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operates. In reaching out in service to Older Adults, the "Homes" offers concrete expression to the love of the Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

Building and Grounds Committee

The Committee would like to thank those who have helped this past year with the activities that we have accomplished. Thank you to those who provided landscaping suggestions and assistance; to Leon Burgess who served on many Associational Committees including the Planning Committee for the Associational Center. Mr. Burgess moved to South Carolina this past year and we appreciate his contribution to Little River Baptists throughout the past years.

On the first of October we started planting shrubbery to make the Associational Center more attractive. During the 1987-88 Associational year the Building and Grounds Committee would appreciate the physical help and new ideas in improving the appearance of God's Little River Baptist Center. Plans for the future and new year could include planting of more shrubs or flowering plants and possibly paving of the parking areas.

Stewardship Report

The word "steward" is defined in the recent *American Heritage Dictionary of the English Language* as "one who manages another's property, finances and other affairs." In many respects, who we are and what we accomplish for our Lord as an association of churches is determined by how well we collectively manage the ministry our Lord has given us. Our Director of Missions has been a good manager for us in taking care of our Associational Center and with the help of the treasurer managing the finances of our association. Many who have responded to the call to serve on committees and organizations within the Little River Baptist Association have been good stewards of their responsibility. Especially worth recognition are those who serve on the ASSISTeam and those who serve through the WMU.

Part of our stewardship as the Little River Baptist Association is reflected in how individual churches respond in undergirding our joint ministry for the Lord by what we give. This past year, October 1986 through September 1987, we contributed $57,805.13 which is $4,118.14 more than we did the previous year. (1985-1986 we contributed $53,687.13). The top ten churches in giving to the association this past year were:

1.	Lillington	$5,730.46	6.	Westfield	$2,850.00
2.	Buies Creek, First	$3,753.28	7.	Angier	$2,516.75
3.	North Clinton Avenue	$3,412.00	8.	Erwin, First	$2,447.00
4.	Dunn, Second	$3,345.34	9.	Holly Springs	$2,400.00
5.	Dunn, First	$3,050.00	10.	Antioch	$2,230.00

The top ten churches in giving through the Cooperative Program so far this year (from January to September 30, 1987) are:

1.	Antioch	$40,046.47	6.	Buies Creek, First	$8,396.48
2.	Lillington	$22,480.46	7.	Erwin, First	$8,116.69
3.	Dunn, First	$16,780.27	8.	Memorial	$7,650.00
4.	Coats	$12,451.95	8.	Westfield	$6,525.39
5.	Angier	$10,522.00	10.	North Clinton Ave.	$6,127.00

We have been growing as stewards. We have managed the ministry and the assets of ministry well. But a new year brings new challenges and new demands. May we be found faithful to God as we unite together in being a people called Baptist who desire to be used by the Lord for His ministry in Harnett County.

John S. Rogers

A Memorial Statement

In the midst of our frenzied living we should pause to reflect on the memory of our beloved dead, those who have labored with us and gone for awhile. We do this not for morbid thought nor useless regret. We make this moment of quietness that these shall not be forgotten nor their record erased by passing time.

As believers in the life eternal our thoughts should go beyond graves and tombstones to the fact of living loved ones and friends. According to our faith these loved ones are only received from our sight, their existence being more real now than before. In the Revelation, chapter fourteen, their estate is described as one of happy bliss at rest from earthly labor, having with them the record of their lives. Our poor words here cannot add to nor detract from what death has obtained for them in Christ.

So the most we can do is to bow our heads in silent memory and lend our hearts in warm tribute to these who have walked with us, who joined our hands to promote the Kingdom. We can here and now commit ourselves to the work they have left in our hands.

Lest we try to memorialize our beloved dead en mass, let us stand and think positively of that person whose earth-name we now see, recalling not so much their appearance but what they were in deed and spirit.

A. Lincoln Faulk

Memorial Baptist Church
October 25, 1988

The next regular meeting of the Little River Baptist Association will be held on Monday, October 23, 1989 with Trinity Baptist Church, Angier and Tuesday October 24, 1989 with Holly Springs, toward Sanford.

The Annual Sermon will be delivered by Rev. Timmy Blair, pastor of Piney Grove Chapel.

The Rev. I. B. Laughrun, Jr.

The Rev. I. B. Laughrun, Jr., born on August 14, 1924, served as the Director of Missions for Little River Baptist Association from the summer of 1983 until a few months prior to his death on September 14, 1988, from cancer. He led the Association in the building and equipping of its new Associational Center in 1985, set up an excellent administrative procedure for the Association, and was the friend and confidant of Little River Pastors. Under his leadership the Anderson Creek Mission and two Spanish speaking missions were established.

Mr. Laughrun was one who was "strength" to those around him from the earliest days of his life. He committed his life to the Lordship of Jesus, accepting Him as Savior at an early age. His life has blessed many along the way. He worked his way through East Tennessee State University by working with the Clinchfield Railroad in Erwin, Tenn., where he was born. He served his country as a Merchant Marine and was on a ship under fire during World World II. He later demonstrated intelligence, enthusiasm, and a winning spirit as he served three pharmaceutical companies as a sales representative over a period of 14 years.

Upon hearing the call to preach the Gospel, he entered Southeastern Baptist Theological Seminary. He pastored Mt. Pisgah and Bullock Baptist Churches, both in North Carolina. He later served as Financial Aid Director at Campbell University where he took it as a personal challenge to facilitate deserving students in their goal of obtaining a college education. He resigned this position upon receiving the call as Director of Missions for Little River Association.

It is in recognition of Rev. Laughrun's years of faithful service to the association and the Lord that the Little River Baptist Association dedicates the minutes of the 1988 Annual Session in his memory.

Dr. Millard R. Brown

Dr. Millard R. Brown, beloved former professor of sociology at Campbell University, died on February 28, 1988, after a long illness. Dr. Brown, 74, was a popular resident of Buies Creek, and was a member of Buies Creek First Baptist Church.

A native of Asheville, Dr. Brown was graduated from Southeastern Baptist Theological Seminary with a doctorate of theology. He later completed his master's degree in sociology at Duke University. He served in World War II with the 502nd Parachute Regiment, 101st Airborne Division. Dr. Brown joined the Campbell University faculty in 1962. He previously taught for two years at Southern Baptist Seminary in Louisville, Ky., and at the University of Louisville. He also taught at Carson Newman College.

He later held pastorates at churches in Jacksonville, Siler City, and in the Dunn area.

It is in recognition of Dr. Brown's dedication to the Lord that the Little River Baptist Association dedicates the minutes of the 1988 Annual Session in his memory.

Dr. Charles Barrett Howard, Sr.

Dr. Howard, professor emeritus at Campbell University in Buies Creek died at the age of 87 on February 27, 1988. He joined the Campbell faculty in 1934 as a part-time instructor. From 1938 to 1959, he led the school's Bible teaching program.

A Southern Baptist minister and evangelist for 70 years, he was pastor of 26 churches during his ministry.

In recent years, Howard gave guest lectures and conducted revival meetings. During 1987 he spoke at more than 50 church and associational meetings.

Born in Salemburg, Dr. Howard preached more than 26,000 times and held more than 1,200 revivals in at least 26 states since his ordination as a 17 year-old.

Howard founded a scholarship fund in 1926 which in its first 50 years of existence collected and disbursed over $3 million to North Carolina college students and students in 109 foreign countries.

He was a graduate of Wake Forest University and attended Southern Seminary.

It is in recognition of Dr. Howard's years of faithful and dedicated service to the Lord that the Little River Baptist Association dedicates the minutes of the 1988 Annual Session in his memory.

Rev. Colie Rock

The Rev. Colie Edwin Rock, was a native of Northumberland County, Va. He was a graduate of the University of Richmond and a graduate of Southeastern Baptist Theological Seminary. Rev. Rock was active in denominational life of the three states in which he served as pastor. He was past president of Erwin Ministers Conference and Associational Ministers Conference; served as Chairman of the Missions Committee; Associational Sunday School Superintendent of Little River Baptist Association. While pastor of First Baptist Church, Pocomoke City, Md. he served on the Executive Board of Maryland State Convention.

Rev. Rock served as pastor of Novum Field of Churches, Culpepper, Va., Hebron Church, Appomattox, Va., Powers Memorial, Hopewell, Va., and as Minister of Education and Administrator at First Baptist Church, Hopewell, Va. MINUTES
# of the
113th Annual Meeting

MONDAY NIGHT, OCTOBER 24, 1988
FIRST BAPTIST CHURCH, ERWIN

Following a period of choral praise by the Associational Choir led by Ronnie Byrd, the 113th Annual Meeting of the Little River Baptist Association was called to order by Moderator, Jeff Roberts. A welcome and greetings were then extended to those present from the host pastor, Stephen Burrow. He read from the Scriptures Philippians 3.7-14 and led in prayer. Gerald Wright led the congregation in a hymn.

Recognizing other members of the Program Committee, Earl Lamm and Lela Blackman, Chairman Tom McCann recommended the adoption of the Program which was voted and carried.

Jeff Roberts called for all staff persons who came to the Association since the last Annual Meeting to come forward and be recognized. They were Russell Blackman, pastor of Swann Station Baptist Church and Carlton Gunter, pastor of Chalybeate Springs Baptist Church.

The following reports were presented and received as information:

Committee Appointments. The Program, Resolutions, Nominating, and Place and Preacher Committees were appointed by the Moderator.

Treasurer's Report. Lincoln Faulk voiced appreciation from himself and the other officers of the Association and on behalf of I. B. Laughrun to the messengers and churches of the Association for being generous and kind and wonderful and for carrying on the work. He called attention to the Stewardship Report which noted a 5.3% increase in giving over 1987.

Budget Committee. Earl Howard noted an increase in the proposed budget. He highlighted the proposed figures for two areas. The DOM's package is the same as last year but may need adjusting as a new DOM is secured. In order to begin working toward a total age-group music program for the Association, that budget item was increased significantly. The total budget is approximately $2,000 over 1987's budget. Mr. Howard recommended the adoption of the budget which was voted and carried.

(There was no miscellaneous business.)

Director of Missions Search Committee. Marshall Woodall recognized the other members of the committee: Georgia Lee Brown (Antioch), Dudley Neal (Friendship) Margaret Strickland (Westfield), and Mark White (Coats). The committee had met several times, sought help from the Baptist State Convention, and sent surveys to church representatives. The surveys show that the Association desires a visible, mission-oriented Associational Office. Also, the Association is subject to tremendous growth requiring the establishment of new missions and churches and the training of present churches to minister to the needs of those growing areas. The capable administrative ability the Association has had ought to continue. The committee has had many resumes and other names to consider. They are presently preparing to interview some of those and covet the prayers of churches.

Following a congregational hymn, Mr. Roberts welcomed back Dr. Michael Cogdill who has returned as Chairman of the Religion Department of Campbell Univ. and recognized George Magill who, although not new to the Association, is the new pastor of Holly Springs Baptist Church.

For a Key Leadership Empahsis, the Sunday School, Church Training, WMU, Brotherhood, and Evangelism Program Directors were recognized. Each gave presentations emphasizing upcoming programs for 1988-89.

Sunday School. Juanita Buzzard noted the theme for Sunday School, "Gather the People," taken from Deuteronomy31:12. In a short skit, each ASSISTeam member was interviewed by a "roving reporter" and outlined goals of the People Challenge for the church year. The Moderator presented service awards to the team members.

Church Training. Jo Lee emphasized the need for training, especially for children. Georgia Lee Brown and four children from Fellowship Baptist Church presented a demonstration of the Children's Bible Drill and encouraged churches to get involved with the program.

Brotherhood. M. O. Phillips introduced Richard Bronson from the Brotherhood Department of the Baptist State Convention who described briefly the Brotherhood Program using an overhead projector.

WMU. Virginia Currin briefly described the organization of the WMU and introduced the members of the WMU Council. Each of these stated the purpose of their particular organization and announced some of the main events planned for the year. Ms. Currin spoke again about the overall program of the WMU. 1987 was their Centennial Celebration and 1988 begins a second centennial for WMU. She emphasized the need for more giving to the LMCO and to World Hunger.

Evangelism. Having gone over the time allotted for the Key Leadership Emphasis, Frank Neville graciously agreed to present his report on Tuesday.

Following a rousing and inspiring Anthem presentation by the Associational Choir, Tom McCann introduced the Guest Speaker, Dr. Leon Smith, Pastor of First Baptist Church, Goldsboro, and President of the Baptist State Convention of North Carolina. In his sermon entitled "No Parking," Dr. Smith stated that "Christianity is a 'no parking' religion: To stand still is to move backwards." Many church members, he said, are parked beside past failures, past successes, and/or doubts and fears. All Christians must realize they are called and gifted for ministry. Neither Christians nor churches nor associations can afford to park.

In closing, Jeff Roberts shared a note from Lena Laughrun and family expressing their gratitude and appreciation for the love and support from the Association. With it they included a contribution in memory of I. B. The congregation stood in a moment of silent meditation and Max Eller led in a prayer of benediction as the session adjourned.

TUESDAY AFTERNOON, OCTOBER 25, 1988
MEMORIAL BAPTIST CHURCH, BUIES CREEK

The 2nd session of the 113th Annual Meeting was called to order by Moderator Jeff Roberts who led the assembly in singing a hymn of praise. A welcome was extended by the pastor of the host church, David Whiteman, who then led in a prayer of invocation.

State-wide Ministries were highlighted as follows:

Baptist Children's Homes. Charles Tanner expressed thanks from the Homes to LRBA for its support, both financially and by active participation, and "for caring enough to share your very best."

Baptist Hospital. Attention was directed to the report printed in the Book of Reports.

Baptist Retirement Homes. Mark White noted the outstanding work offered by Bill Stillerman, President of the Homes and former pastor of Memorial Church. He called attention to the statistics found in the printed report (paragraphs 3 and 4) and development of a new program which is outlined in the report.

American Bible Society. Gladys Dixon highlighted the ABS Report noting especially the work of Scripture distribution, production, and translation. She further expressed thanks for individuals contributing directly to ABS.

Christian Literature. Attention was directed to the printed report.

Ministers' Retirement. Joe Watterson called attention to the printed report and encouraged churches to increase their giving to the Annuity Board beginning now to prepare for the pastor's retirement and not waiting.

National Fellowship of Baptist Men. Norman Wiggins described briefly this organization, noting the membership of 800-1000 men in 14 fellowships.

The Biblical Recorder. Editor Gene Puckett presented a brief history of the state paper and cited a plea in 1832 by Samuel Wait for the need of a single means of communication where the complete story of Baptists could be told in a brief space but in its entirety. He noted that times have changed but the purposes of the Biblical Recorder have not, existing for the benefit of local churches. Messengers were encouraged to read it and write to the editor voicing their concerns.

The N. C. Baptist Foundation. Horace Barefoot introduced Dr. Ruth Martin who energetically reported on the Foundation's work. Its theme is "give it twice." She encouraged Christians to consider including the Foundation in their wills so their assets could work for them and God's Kingdom both now and later.

(Tom McCann moved to extend the time by 15 minutes. Motion was seconded and approved.)

The Cooperative Program and State Missions Offering. Jeff Roberts introduced Helen Cashwell, 2nd Vice President of the Baptist State Convention, to speak. She highlighted several ministries supported by N. C. Baptists that extend the work of missions throughout the world. WMU, Mundo Vista/Caraway, military chaplains, Baptist Hospital, colleges and universities are some of the ministries that affect the lives of many people who, in turn, will go to the far reaches of the world to spread their influence there.

Following a hymn, the Moderator entertained items of Miscellaneous Business;

1) John Rogers made a motion to dedicate the Minutes of the Associational Meeting to Charles Howard, Millard Brown, Colie Rock, and I. B. Laughrun. Horace Barefoot seconded the motion. Vote was unanimous.

2) Frank Neville encouraged messengers to contribute to the Memorial Fund for I. B. Laughrun, established for purchasing a VCR and television equipment for the Associational Center. He further moved that an offering be taken during the 3rd Session for that purpose. Motion was seconded by Bill Denning and approved unanimously.

Associational Committee Reports were presented as follows:

Executive Committee. Jeff Roberts noted the information found in the printed report.

Resolutions Committee. Bill Denning presented a resolution of appreciation for the two host churches of the Annual Meeting. Tom McCann seconded the motion which was approved unanimously.

Building and Grounds Committee. Glenn Oliver called attention to the printed report.

Christian Higher Education Woodrow Neal voiced excitement about the work being done through Baptist colleges and universities for youth who will be tomorrow's leaders.

Christian Life and Public Affairs. George Reed was absent.

Church Music Ronnie Byrd highlighted the information found in the printed report.

Evangelism. (Time was extended for this report since it was ommitted during the Key Leadership Emphasis on Monday evening.) Frank Neville called attention to the printed report noting particularly the "Year of the Laity," which he said, should be every year. He pointed out that although there are 167 million lost persons in the U. S., only 30% of churches have visitation programs and only 22% of churches offer any kind of evangelistic training. Opportunities for involvement of lay persons in the total ministry of the churches will include: Lay Evangelism Schools, Lay Renewal Weekends, Lay-led Revivals, the State Evangelism Conference, a One-day Soul-winning Workshop to be offered, "Super Summer 1989" for youth at Carowinds, and preparation for 1990 Simultaneous Revivals. Frank closed by sharing a vision of David Haney (1974, **Breakthrough Into Revival)** of a concerted effort of people ministering to the needs of individuals and the world.

Nominating Committee. Robert West presented the slate of nominees printed in the Book of Reports and voiced appreciation to those who agreed to serve in these capacities. He presented this as a motion which was seconded by Tom McCann and unanimously approved.

Ordination Committee. Gary McCollough gave this report citing the candidates for ordination during year and other information given in the printed report.

Place and Preacher Committee. Danny Collins stated that the committee was about to finish its work and will report its arrangements during the Evening Session.

Stewardship Committee. John Rogers presented this report calling attention to the printed report and noting the 5.3% increase over 1987 for giving to the Association.

World Missions. Noting Vivian Simpson's absence due to her trip to China, Jeff Roberts called attention to the printed report.

Following special Music, Jeff Roberts introduced Dudley Neal to bring the Annual Sermon. Neal, pastor of Friendship Church, used Mark 10:17-31 as his text and focused on four verbs vital to Christian discipleship: love, sell, give, come.

David Whiteman gave brief instructions for the meal provided in the church's fellowship hall and led in a closing prayer and blessing for the food.

TUESDAY EVENING, OCTOBER 25, 1988
MEMORIAL BAPTIST CHURCH, BUIES CREEK

Following a period of choral praise by the Associational Choir, the 3rd Session of the 113th Annual Meeting was called to order by Moderator Jeff Roberts. Ronnie Byrd led the congregation in a hymn of praise which was followed by a welcome and prayer of invocation by David Whiteman. The Associational Choir gave a beautiful and worshipful presentation of special music. Mr. Roberts expressed a word of appreciation, as did the messengers by applause, for Linda Cameron and her diligent work as Associational Secretary.

Because of John Rogers' need to be away, Frank Neville led in a Memorial Service for those members of the churches who passed away during the previous year. Mr. Neville noted especially Charles Howard, Millard Brown, Colie Rock, and I. B. Laughrun. He read from Hebrews 11:4 and read the Memorial Statement written by John Rogers.

In compliance with that agreed on in the afternoon session, an offering was received for the I. B. Laughrun Memorial Fund with messengers singing "To God Be the Glory" and Jeff Roberts leading in prayer.

The following items of Miscellaneous Business were transacted:

1) An announcement was made that January Bible Study preparation would be offered at Campbell University on Thursday, October 27, led by Don Penny.
2) Danny Collins presented the Place and Preacher Committee's report. The 1989 Annual Meeting will take place on Monday, October 23 at Trinity Baptist Church of Angier and on Tuesday, October 24 at Holly Springs Baptist Church of Broadway with Timmy Blair preaching the Annual Sermon. Alternate preacher is Max Eller. (Approved by unanimous vote.)

Jim Shaw, clerk, gave the Registration Report. With participation from 33 of 37 churches in the Association, attendance was as follows:

	SESSION 1	SESSION 2	SESSION 3	TOTALS
MESSENGERS	140	110	124	374
VISITORS	75	46	31	152
TOTAL	215	156	155	526

The Missions Development Council Report was presented by Martin Groover. Reading from Matthew 28:18-20, he said, "the Great Commission is not any less great tonight than when it was first given." Results of a survey of the Association show that four additional churches and 7 missions are needed at the present time. He recognized Wayne Oakes, pastor of Neill's Creek Church, who shared briefly about the work at the Spanish Mission there. Mr. Groover described again the partnership with Sao Paulo, Brazil and the need for volunteers to go there from LRBA. In addition, two recommendations were made by the Council as follows:

1) That the application for membership by the Anderson Creek Community Mission be accepted and that they begin a one year watch-care relationship. A final recommendation will be brought at the 1989 Annual Meeting. (Second by Frank Neville, adopted by unanimous vote.)
2) That the application for membership by New Hope Baptist Church be accepted and that they begin a one year watch-care relationship. A final recommendation will be brought at the 1989 Annual Meeting. (Second by Frank Neville, adopted by unanimous vote.)

An audio-visual presentation entitled, "Lazarus by Our Door--A Ride through Harnett County," was given by Tom McCann and Jeff Roberts. The challenge was made to churches and the Association to realize the present needs, the growth of the county, and the potential for ministry.

Bob Watson, Director of the Church Extension Department of the Baptist State Convention, followed them by speaking on how to do missions in reaching people for Christ. He said N. C. is a state where there are "more people now who are not church members than those who are." More innovative methods are needed, he said, to reach those moving to this state along with partnerships of Christians in churches at the Association and state levels.

In closing, Jeff Roberts encouraged the churches to get involved in missions work on every level. He also presented an Associational Leadership Award to Sharon J. Gunter for "completion of a course of study designed to equip Associational Sunday School Leaders." The benediction was given by Luis Manriquez.

EXECUTIVE COMMITTEE REPORT

Your Executive Committee has met in the three regular quarterly sessions and in one called session. The actions taken have been heartening and heart-breaking.

Among the heartening decisions were:

1. The establishment of a Senior Citizens Ministry, maintained by a Senior Citizens Council of persons gifted and interested in work with this age group through our churches.
2. The agreement to enter into a lease agreement with the Trustees of the abandoned Pleasant Plains United Methodist Church property for the establishment of a place of worship and ministries for the Spanish Mission sponsored by Neill's Creek Church. The extensive renovations have been completed and dedication services for the new church building was held on August 21, 1988.
3. Progress has been made in the partnership with the Guarulhos Association of Sao Paulo, Brazil. Attempts are now being made to enlist three teams of three persons to go there in the spring for training and evangelistic ministries. Missions Development Director, Martin Groover, is the contact person for those interested in this mission.

Among the heartbreaking decisions that were made were:

1. The dismissal of the Bethel Church from fellowship with the Little River Association of churches due to non-participation and doctrinal differences.
2. The necessity to make decisions regarding the care of our terminally ill Director of Missions, I. B. Laughrun. He was retained in an Emeritus status on the staff and the commitment was made to pay all his salary and benefits through November 1988 (when his disability program would have begun) if such was needed. I. B. died on September 14, 1988 and the Association's financial debt to him has been completed.

   However, our emotional debt continues. His devastating illness and the rapidity with which it took his life have left us, along with Lena and the rest of the family, in a state of shock and grief. We will continue to miss him and his ministry with us, and we continue to remember Lena as she seeks to go on without her beloved I. B.
3. Similar concern was shared in each session of our meeting for Colie Rock and his courageous battle with cancer. His death on July 22, 1988 left the First Baptist Church in Erwin with a great sense of loss along with our associational family. We continue to miss him and join with his wife, Alice, and other family members in grieving his home-going.
4. Our association also shared in grieving the loss of Brother Charles Howard this year on February 27, 1988. This great "preacher's preacher" continues to be missed.

Another heartening event was the election of a worthy search committee for a new Director of Missions. Marshall Woodall was elected chairman and serving with him are: Mark White, Coats; Margaret Strickland, Westfield; Dudley Neal, Friendship; Georgia Lee Brown, Antioch. The Moderator serves as ex-officio member. This committee continues to do careful and good work in this task and is deserving of our prayerful support.

As we anticipate the arrival of our Director of Missions, we continue to seek ways to implement TOGETHER the call of the Great Commission. We will withhold any specific recommendations until our new leader can help us.

Respectfully,
Jeff G. Roberts, Moderator

REPORT OF THE AMERICAN BIBLE SOCIETY TO THE SOUTHERN BAPTIST ASSOCIATIONS

1987

The longstanding and fruitful partnership between the Southern Baptist Convention and the American Bible Society continued to open new ways to the Word for millions of people across the globe in 1987

Your support has been of key importance in the success of the many projects undertaken in 1987 in the ongoing task of meeting the Scripture needs of the world--whether through expanded **distribution** in areas where the availability of God's Word is critically low, or through innovative channels of Scripture **production**, or through new **translations** of the Scriptures.

Scripture distribution: As part of the global network of the United Bible Societies, the American Bible Society has been involved in the distribution of the Scriptures in at least 665 different languages throughout the world. The total number of Scriptures distributed worldwide during 1987 was 624,053,932 copies. This represents an increase of 4.0 percent over 1986, and continues the upward trend of the past few years. Of this total, 116,155,119 copies were distributed in the United States, an increase of 15.6 percent over last year's total.

Scripture production: One of the major highlights of 1987 was the completion of the Amity Printing Press in Nanjing, the People's Republic of China. The first 20,000 copies of an initial order for 100,000 Chinese Bibles were off the press by November, with the balance to be completed by January. A ceremony marking the official opening of the plant was held on December 5. This is an answer to prayers of many years that a way would be found to share resources with Christians in China so they could meet their Scripture needs.

Scripture translation: In 1987, complete Bibles were published for the first time in the Ayacucho Quechua language of Peru, the language of Tuvalu, an island nation in the South Pacific, and in Karo Batak, one of the several dialects spoken on the Indonesian island of Sumatra. There were also many first-ever publications of Testaments and individual Biblical books. Ongoing Scripture translation projects are proceeding in an additional 573 languages.

Behind the successful completion of each Scripture translation and distribution project is the story of people reached with the Word of God. As new populations are reached, new demands are placed on the resources of the American Bible Society. Tragically, there are times when these resources are completely overtaxed. The Society's unswerving goal is to meet all the Scripture needs that are presented to it. But we cannot do that alone. That is why we must turn for help to our partners in mission, among whom the Southern Baptist Convention ranks above every other denomination in terms of the financial assistance it renders to the Society. in 1987, the churches of the Southern Baptist Convention contributed $255,073 to the American Bible Society in support of the worldwide Bible cause.

It is truly encouraging to see your fine response to the urgent need for Scriptures that exists in so many countries at this time. Although much more is needed, your support has made a vital and invaluable contribution to the ongoing challenge of opening God's Word for all.

Gladys Dixon

ANNUNITY BOARD REPORT

North Carolina's response to renewed efforts to upgrade contributions of those already members of the Annuity Board of the Southern Baptist Convention's retirement plans and to secure new participants continues to be exciting. Consider these facts:

- There have been 129 new members enrolled in the retirement plans during the period 1 - July 15.
- There are now 2319 North Carolina churches and associations contributing to retirement plans.
- North Carolina has 1803 signed Cooperative Agreements! More than any other state - including Texas.
- The number of churches participating at the old Plan A level of $33.34 has **decreased** from 439 to 166.
- The average annuitant in North Carolina receives $234 per month, up from $196.
- North Carolina has 3,664 members making contributions to Annuity Board retirement plans.
- There are 1,592 annuitants receiving benefits each month in North Carolina - $372,422.85 each month!

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still so much to be done! Consider these facts:

- Only 64% of our churches are participating in our retirement plans - even after all these years of opportunity.
- Of this 64%, many do not actually make contributions. The minister does this on his own.
- Small contributions make the annuitant's benefits small:

  In North Carolina
  182 receive less than $50
  469 receive less than $100
  954 receive less than $200
  1216 receive less than $300
- We have 164 churches that have signed the Cooperative Agreement, but still make no contribution.
- We have 477 churches that are making contrubutions but still have not signed the Cooperative Agreement.

Suffice it is to say that there is a **great** challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

REPORT TO THE ASSOCIATION
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

You took the time, you cared. You gave much when you didn't have to. In behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year LRP. We plan to add two emergency care homes - another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to 11 million dollars by 1992-93. We hope that by 1993, the Baptists of North Carolina will be giving fifty percent of our daily operating budget. Currently we receive 34 percent. This can be achieved by increasing church receipts through the Cooperative Program, the Homes & Hospital Offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the Baptists of our great state. We believe they will meet the challenge.

BAPTIST FOUNDATION
REPORT TO THE ASSOCIATION 1988

For several years, Montagress Mercer has provided an example of estate stewardship which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know". Mrs. Mercer died this spring. We can now share her name as well as her testimony. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefit from it for as long as she lived. As the plan for doing this was explained to her and the possibilities unfolded, she clasped her hands together and exclaimed, "I'm so happy!" Now her happiness has been justified. That which she desired is now a reality: the income from her trust will be paid forever to the Lottie Moon Offering. It is incidents like this which tell the story of Baptist Foundation. Facts, figures and statistics have their place, but the people behind them are the real story.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause and then is content. Often, however, the person realizes that both his family and Baptist causes he loves can derive a greater benefit from his estate, if his plan includes all of it. It may require more than one type of trust and nearly always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son **and** the Baptist causes which they desired to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship planning, not in "getting a gift", that the Foundation renders the greatest service.

The "unfunded" trust simplified planning for many persons in the past year and continues to provide a way to help meet the objectives of many stewards. The trust document is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until the individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded". The individual has the joy of having a plan in place, all signed and legal.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holding to a record $14,452,258. Trusts already in place provided $578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of The Baptist Foundation program is that it provides individuals, such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

NORTH CAROLINA BAPTIST HOSPITAL
REPORT TO THE ASSOCIATIONS
1988

Perhaps the word which best sums up the past year at Baptist Hospital is expansion -expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Like most hospitals throughout the nation, Baptist has been faced with critical shortage of nurses and other health care professionals. A variety of programs are being implemented which are designed to attract and hold staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than seventeen years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Presler, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

THE BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

The Baptist Retirement Homes of North Carolina, Inc., began operation in 1951 with a charge to provide a Home for "Aged Saints" in the spirit of Christian care. The mission of the Homes continues to be that of providing quality residential opportunities for Older Adults within a Christian context.

With that in mind, the Homes operates facilities in locations across the State: Asheville in the West, Hamilton in the East, Yanceyville in the North, and Albemarle in the Southern Piedmont. A multi-level care facility in Winston-Salem currently services the needs of Older Adults from all over the State.

According to a January, 1987 Report of the Offfice of State Budget of the State of North Carolina, the number of North Carolina citizens age 65 and over will increase by 203,935 (28.9%) by 1995 and 286,831 (40.6%) by the year 2000.

Statistics for the North Carolina Baptist Older Adult Populations are even more dramatic. The percentage of increase for the 80-plus age group in Baptist Life (those individuals most likely to need residential care) is predicted to be more than 50% by the year 2000. Attempting to address this great challenge, the Baptist Retirement Homes has launched a bold new program of development and ministry that includes the following:

(1) The Development of Regional Continuing Care Retirement Communities.
(2) The Development of a Home Health Care Ministry.
(3) The Development of Financial Subsidies for Retired Ministers and Minister' Spouses and Other Older Adults with Limited Financial Resources for Retirement Living.

As we move into 1989, opportunities for creative ministry with Older Adults abound. With the support of North Carolina Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully service the needs of the Older Adults of our State.

Respectfully submitted,
Mark T. White

I came aboard in May and have spent most of my time since getting acquainted with the organization, individual church directors and the state organization. I also spent 3 days at Ridgecrest in a Leadership Conference with our late Director of Missions, I. B. Laughrun, Jr.

Hopefully, we can establish and work toward achieving some worthwhile goals including looking at the possibility of organizing a Brotherhood Council for the Association for the coming year. Here are a few things that I hope we can address ourselves to:

1. Reconfirm our mission or purpose.
2. Organize a Little River Baptist Associational Brotherhood Council.
3. Prepare and distribute to all churches in the Association a speakers list.
4. Assist churches in organizing additional brotherhood units - ex: High School Baptist Young Men.
5. Identify some services and mission work such as cottage adoption and repair work at Caswell, men prayer support groups, etc.
6. Share individual churches success stories/experiences.
7. Make prayer, missions and service our primary long range goals.

With the help of God, our pastors, brotherhood directors, lay and other professional people, and our Director of Missions, we can make the brotherhood of the Little River Baptist Association a viable and meaningful organization. I covet your prayers and support for the work of the Brotherhood for the coming year.

BUILDING AND GROUNDS COMMITTEE REPORT

There have been no changes in our property in the last year. We have had some problems with the central heating and cooling system. The local heating contractor and installer has contacted the manufacturer of the system to have a company representative come and check the system. Hopefully this problem will soon be corrected.

Continuing to improve the property will be and should be a priority in the Association during the coming year. The committee for the coming year would appreciate your assistance in improving the property by input of your ideas as well as by working.

NORTH CAROLINA BAPTIST COLLEGE REPORT - 1988
COUNCIL OF CHRISTIAN HIGHER EDUCATION
BAPTIST STATE CONVENTION OF NORTH CAROLINA

What Is A Baptist College?

First, Baptist colleges are **colleges,** places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 1300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word **"Baptist"** tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meeting; RA track meets; Pioneer RA Congress; Baptist Yong Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by N. C. Baptist Men volunteers; annual May meeting of the General board and all committees; March meeting of the General Board's Executive Committee; and more.

The goal: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.

COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS

Charged with the responsibility to help North Carolina Baptist to become more aware of the ethical implications of the Christian Gospel in everyday living, the Council on Christian Life and Public Affairs has provided many educational resources and conducted a wide variety of field service events. Both at the Key Leader meeting at Ridgecrest and in associational gatherings across the state, Christian Life Committee members were briefed on a variety of moral and ethical issues and provided help in organizing for action through their local churches and associations. Materials and information dealing with a wide array of issues were provided to individuals and churches.

Co-sponsored with the Christian Life Commission of the Southern Baptist Convention and the Christian Action League, an area-wide conference on legalized gambling was held this Spring.

DEPARTMENT OF CHRISTIAN CITIZENSHIP EDUCATION

The work of this department has focused on three areas: voter participation, General Assembly activity and world hunger.

Voter Participation. Nineteen eighty-eight is an important election year, one in which the people will select national, state and local leaders. Yet voter participation in recent years in this year's primaries has been declining. The department prepared and distributed a bulletin insert calling on Baptists to be responsible citizens by registering and voting in the November general election.

General Assembly. the 1988 short session fo the legislature was perhaps most significant to Baptists for something that did **not** happen. Legislation which would have put the state in the race-track gambling business never even came up in committee and died when the session adjourned. Opposition from Baptists and other concerned North Carolinians was strong enough that the bill's sponsor chose not to push for it's passage.

World Hunger. Millions of God's children around the world continue to suffer, grieve and die because they lack adequate nutrition for themselves and their families. Baptist missionaries at home and overseas are involved in a host of innovative and compassionate ministries to help the hungry help themselves.

This year, the Council has inaugurated the work of HungerNet, leaders in the battle against hunger who serve as contact people in churches, associations, Baptist Student Unions and Woman's Missionary Union groups. Network members have received information about the causes of world hunger and about effective responses. They are helping in the struggle to keep the plight of the hungry on the Baptist conscience.

DEPARTMENT OF CHRISTIAN FAMILY LIFE

The response to Family Life and Single Adult Ministry through events sponsored by the Department of Christian Family Life has been gratifying and enthusiastic. The most striking example is the number of our churches and associations whose members have received study course awards of LIFE COURSES "Parenting By Grace" and "Covenant Marriage". This year, in the first six month reporting period, 2096 persons had taken these family life courses.

Various Family Life events were led by the Department Director. They included: three five-hour Covenant Marriage Leadership training conferences and one fifteen-hour workshop; two area-wide single adult seminary (25 associations participating); two senior adult rallies; led small group sessions for senior adult conferences at three Baptist Children's Homes; taught one Parenting By Grace Leadership training conference, which extended over ten weeks; three marriage enrichment retreats; three family enrichment conferences in areas such as "middlescence" (mid-life), parenting, etc.

Special opportunities for the Department were the selection of the director to serve on the Legislative Study Commission on Issues of the Modern Family in North Carolina and his address to the Mecklenburg Council on Adolescent Pregnancy's conference, "Sexuality Education: A Spiritual Responsibility".

DEPARTMENT OF AGING

Baptist Senior Adults in North Carolina continue to be actively involved in effective ministry. More and more churches are becoming aware of the great potential for ministry among older persons and are providing many opportunities for service.

Six regional senior adult rallies were held during the months of April, May, June, August, September and October with more than 1500 people in attendance. These rallies provide opportunity for fellowship, encouragement and challenge.

The six conferences/retreats for senior adults at Caraway Conference Center continue to attract capacity attendance. Leadership training continues to be a major emphasis of the department.

A significant number of churches in North Carolina observe Senior Adult Emphasis Day, usually the first Sunday in May.

Several churches offered specialized conferences dealing with such subjects as "You and Your Aging Parent."

A seminar, "Generations of Faith: The Ties That Bind", was co-sponsored with the Mars Hill College Gerontology Center in October.

THE BIBLICAL RECORDER ASSOCIATIONAL REPORT 1988

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The **Biblical Recorder** believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think, but we must be informed and involved in the work of the Lord as baptists do it....if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the **Recorder** informs it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchial form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only $5.00 per subscription for the year. Special introductory offers are available. Please contact:

CHURCH MUSIC REPORT

The Southern Baptist Convention Bold Mission Thrust wants the associational music program to consider the following goals in planning our music program through the association.

The theme: "Musicians on Mission That All May Hear"
The objective: To support the goals of Bold Mission Thrust in reaching people, developing believers and strengthening missions.

Goal #1: Reaching People
Goal #2: Reaching the Unreached
Goal #3: Strengthening Missions

The Convention has several suggestions toward reaching these goals. These can be given through the associational music director.

Two main emphasis of How To...Meet Music Needs and How To...Build A Cooperating Fellowship can be obtained through specialized and organized activities throughout our association.

The following calendar of events has been published by our State Convention in Cary, N. C.:

October 7-9, 1988 - Volunteer Music Director's retreat, Camp Caraway. Provides training in basic skills for music leaders in small churches.

February 13, 1989 - Monroe, First Baptist Church. Singing Churchmen/Women Concert.

February 17-18, 1989 - Youth Handbell Festival. Cary, First Baptist Church; Hickory, Penelope Baptist Church. Designed for handbell choirs of junior and senior high school youth giving opportunity to individual choir performance as well as massed choir participation.

Our Adult Associational sang for Pastor's school at Campbell University July 18-22, 1988. I was really proud of them. They were given much praise from the pastor's and university personnel that attended the school.

May I emphasize again this year that the key factor in achieving unity and harmony on the associational level is through "fellowship". It is my desire that with the help from our zone directors that goal can be achieved as well as to state more goals and strive to achieve them for our association.

The zone directors are as follows: Zone 1: Director: Susie Howell, with churches Baptist Grove, Chalybeate Springs, Duncan, Macedonia, Rawls. Zone 2: Director: Gary Taylor, with churches Angier, Trinity, Kennebec, Piney Grove Chapel, Neill's Creek. Zone 3: Director: Bill Sutter, with churches Lillington, Fellowship, Harmony, Flatwoods, Friendship. Zone 4: Director: Patty Jung with churches Buies Creek, Memorial, Pleasant Memory, Coats and Oak Grove. Zone 5: Director: William Ellis with churches Dunn First, Dunn Second, North Clinton Avenue, South Erwin and Crestview. Zone 6: Director: Brenda Parker with churches Westfield, East Erwin, First and Faith. Zone 7: Director: Richard Sistrunk with churches Holly Springs, Broadway, Baptist Chapel, Swann Station and Antioch. Zone 8: Director: Bill Hayes with churches Gourd Springs, Calvary, Hillmon Grove.

I need your input as to your needs on the local level, that is from your church, and your input on the associational level. If I can assist you, please contact our associational office.

CHURCH TRAINING REPORT
1987-1988

The Children's/Youth Bible Drill took place on April 18, 1988 at Memorial Baptist Church in Buies Creek. Twenty children representing four churches participating. Four youth were in attendance representing Holly Springs. All participants went to the regional drills and some of our youth participated in the state drills. Some of the children will demonstrate skills at our annual meeting.

As a result of participation, we have had two churches to commit to starting children's bible drills and others who are working toward this goal.

A training session on how to conduct and judge a drill will be held on January 19, 1989 from 7:00-9:00 P. M. at Lillington Baptist Church. This is the first time we have held a training session in our association.

ORDINATION COMMITTEE REPORT

The Ordination Committee met to examine four candidates for ordination upon request from churches within the Association.

Jim Watson	Requested by Flatwoods Baptist
Keith Sumner Hall	Requested by Coats Baptist
Barry Alan Jones	Requested by Memorial Baptist
Russell Blackmon	Requested by Swann Station

It was the intent of the Ordination Committee to examine each candidate in such a way to give the requesting church our opinion on whether the candidate was ready for ordination and at the same time try to share with each candidate in such a way that might help them better understand their call and their ministry skills. We recommended that every candidate we examined this year be ordained. We used a form the Ordination Committee adopted in which we asked each candidate to submit some personal and theological information with the committee prior to the examination. We also followed the guidelines set up in our constitution.

Gary McCollough

MISSIONS DEVELOPMENT REPORT

During the past year no new missions were started; however, through the Julius Holloway Missions Partners Fund, $5,740.00 was given to the Spanish Mission of Neill's Creek Church to help in the renovation of the new meeting place for the mission. Dedication of these facilities was held on Sunday, August 21, 1988. Luis Manriquez is pastor of this mission.

The Anderson Creek Community Mission continues to grow, and the Julius Holloway Missions Partners Fund gave $453.00 to this mission in the past year. Earl Lamm is pastor of this mission.

The work of the Broadway Spanish Mission continues with Enio Aguero serving as interim pastor.

We are grateful for the work of all of these missions, but there is more to be done. According to a demographic survey workup of Little River Association, new works needed is 4 churches and 7 missions. We've got a long way to go. Every church in this Association should pray much about their involvement in the beginning of new works.

Serious consideration should be given to social ministries throughout the Association. Certain actions need to be taken now in beginning a social ministry in Little River. To begin with, we need at least a part-time director of social ministries.

V. Martin Groover
Missions Development Director

STEWARDSHIP REPORT

The link that ties us together as the Little River Baptist Association and as the Southern Baptist Convention is our voluntary cooperation in seeking to fulfill the Great Commission given to us by our Lord, "Go and make disciples, baptizing them in the name of the Father and of the Son and the Holy Spirit, teaching them to obey everything I have commanded you." At the heart of who we are as Baptist is our voluntary cooperation. Central to our cooperation as Southern Baptist is the Cooperative Program. From January through the end of September of 1988 the churches of the Little River Baptist Association have contributed $208,594.12 to the Cooperative Program compared to $194,697.08 given through the same period last year. This is a 7% increase over the giving rate for the first nine months of last year. THAT'S GOOD NEWS AND NEEDED NEWS! If we are to have an impact on our world for Christ as Southern Baptist, it will be imperative that we continue to generously support our cooperative mission causes.

This past year churches of the Little River Baptist Association contributed $59,952.45 to support our cooperative ministry as an association of churches compared to $56,889.72 given last year. This is an increase of 5.3% over our giving from 1987. THIS TOO, IS GOOD NEWS! The new year will offer us new challenges for ministry as we prepare for leadership of a new Director of Missions. For our association to be an agent of light and a salve of healing for the people of this county means that we not only increase our financial giving to support our joint ministries, but also we will need to increase the giving of our time and talents to be used in our cooperative ministry. May we be found faithful stewards as we talk together in Christian love in being a people called Baptists who desire to be used by the Lord for His ministry in Harnett County.

John Rogers

ASSOCIATIONAL REPORT: 1987-88

During the year emphasis was given on preparation for the "Year of the Laity" in two ministers conferences. In addition, a Lay Evangelism School was made available at our Associational Center for pastors not certified to lead and teach in Lay Evangelism Schools. Videos made available by the Evangelism Department of N. C. Baptist State Convention were viewed. Also, Richard Everett from the State Convention led in the closing session. The participating pastors were encouraged to conduct Lay Evangelism Schools in the churches they presently serve and in other churches upon request.

Your Director of Evangelism attended a Regional Evangelism Conference in Fayetteville in October of 1987 that primarily focused upon the "Year of the Laity."

Churches are encouraged to have a Lay Evangelism School during the year 1988-89. Prayerful consideration should also be given to having a Lay Renewal Weekend. You should contact the Evangelism Department of the Baptist State Convention for information concerning Lay Renewal Coordinates.

The 42nd statewide Evangelism Conference was held in Greensboro Coliseum February 8th and 9th, 1988. Dr. Landrun Leavell, Rev. Ron Dunn, Manuel Scott, Rev. Junior Hill, Dr. Charles Page, and Rev. Herman Rios brought the messages.

Supersummer '88 was held in July at Friendly Avenue Baptist Church, Greensboro with the Crusade on Friday night at Greensboro Coliseum. Approximately 5,500 attended the Crusade with 800 making commitments during commitment services.

Plans are now being made for another simultaneous Revival effort called "Here's Hope Jesus Cares for You." North Carolina dates are Eastern---March 18-25. Churches need to place this date on their calendars and secure their Revival speakers and music leaders.

Let us continue to work and witness that people may come to know Jesus Christ.

SUNDAY SCHOOL REPORT

The Sunday School year 1987-1988 has been one of planning, training and teaching events. There have been many accomplishments in each of these areas. The Assist Team has met periodically to do short-term and long range planning. They have also attended three special training events to equip them as your Sunday School leaders. The Sunday School

Director attended three other events: Growth Spiral Workshop, Key Leadership and Sunday School week at Ridgecrest.

The Assist team has conducted three training events for our Association Sunday School workers this year. They included two Pastors/Sunday School Workers Planning Workshops and one Bible Teaching Workshop. The Sunday School Director has been invited into six churches for personal consultations.

There has been good participation in all these events by the churches in Little River Association. The attendance has ranged from 60 to 150 persons form 15-20 churches.

Thank you for your support and encouragement of our work in your midst. We look forward to the coming year as we work together to "GATHER THE PEOPLE" that they might **hear, learn** and **do** the Word of the Lord.

Juanita Buzzard

VOLUNTEERS IN MISSIONS

As each one has received a special gift, employ it in serving one another, as good stewards of the manifold grace of God." (1 Peter 4:10, NASB)

WHO IS NEEDED? Mature Christians of all ages, high school, college students and adults. VOLUNTEERS can range in age from students to retired persons.

Southern Baptist are now entering an era in missions when it is becoming increasingly clear that volunteers can be a straegic tool in World Evangelization.

The Foreign Mission Board, Home Mission Board, SBC; The N C Baptist Convention, and Little River Baptist Association would like to match the time and skills you have to offer with a place where they are needed.

WORLD MISSIONS REPORT

During 1987 Southern Baptists continued to move across the continents of the world with the Gospel message - the message that God loves all mankind and that Jesus came into this world 2000 years ago to show us that love and to die for the salvation of every man, woman, boy and girl.

New doors were opened. Some old doors were closed. But where we could not go, we crossed the barriers with prayer. Personal prayer. Congregational prayer. Concerted prayer. The first chapters of Acts records Jesus' command to those first disciples to go to all the world. The first thing they did was gather to pray. Then Pentecost burst forth in languages from all over the world. Missions was born in prayer.

Through thirteen programs of the Home Mission Board, southern Baptists continue to reach out to the millions within our own boundaries who do not yet know Christ as their Savior. The record of this past year's work can best be measured against the Bold Mission Thrust Goals assigned to the Home Mission Board.

The goal of 10% increase in baptisms each year was not reached in 1987. In fact, there was a decrease of 6.8% from 1986. The HMB efforts toward reaching this goal included the training of 1929 people in witnessing; the Mega Focus City strategy, focused on the large metropolitan areas. Professions of faith were recorded by the CSM Department, the Department of Interfaith Witness and the Evangelism Department, totaling more than 8,000.

The SBC goal to have 5,000 new churches organized by September 30, 1990 resulted in 431 language units begun by the Language Missions Dept.; and 469 church starters placed by the Church extension Division in strategic geographical area.

The Personal Evangelism Department of the HMB developed a strategy to equip personal witnesses using a One-Day Witnessing Workshop in response to the SBC Goal to have 4 million people enrolled in discipleship training by September 30, 1990.

In 1987, home missionaries spoke to 1,207,739 people during World Missions Conferences. The SBC Goal is to enroll 3 million people in mission education by September 30, 1990.

The SBC goal to have 7,660 missionaries serving on United States and overseas mission fields by September 30, 1990 challenged the HMB to appoint 672 new missionaries bringing the total of Home Missionaries to 3,746. In addition the Mission Service Corps assigned 300 volunteers bringing the number of MSC volunteers to 1,089 and the number of short-term volunteers has now reached 40,380.

Receipts from the churches in 1987 totaled $24,745,506 from the Cooperative Program and $30,246,290 from the Annie Armstrong Easter Offering.

It is estimated that there are 167 million unsaved people in the United States. The Home Mission Board is working diligently to accomplish its mandate to win the United Sates to Christ through evangelism, ministry and church starting. As more and more Southern Baptists catch the vision of the magnitude of this task, Bold Mission thrust goals will become much more than possibility. They will become reality.

Dr. Keith Parks, writing in the May, 1988 issue of the **Commission,** stated, "WMU's unwavering focus on its reason for being continues to challenge and spiritually stimulate all who observe. Speaking for the nearly 4,000 foreign missionaries and the staff of the Foreign Mission Board, as well as the multiplied millions who have come to know Jesus Christ as Savior throughout the world, I want to register a forceful affirmation of Woman's Missionary Union. I offer a strong word of appreciation and encouragement."

I have included this word of affirmation from Dr. Parks to remind us all that the progress of missions, both at home and abroad, depends largely upon the missionary education of the members in the local church - the task largely carried on by the Woman's Missionary Union. Today there are 3,839 Southern Baptist Missionaries working in some 112 countries. Most of them will testify to the influence of the mission organizations on them at an early age -when dedicated men and women helped them hear God's call to missions.

Southern Baptist related churches overseas recorded one baptism for every 10.5 members for a record 203,824 baptisms. Close to 3 churches are started per day - 1,070 for the year -for a total of 17,769.

In addition to the missionaries, 7,618 volunteers went overseas during 1987 to reinforce foreign mission work. There are 26,072 students in theological training - from seminaries to extension programs.

Almost $8 million sent to 44 countries for hunger relief and disaster response.

32 mission countries are supporting some 179 foreign missionaries and close to 750 home missionaries of their own.

More highlights from the field include: more than 10,000 baptisms for the 7th consecutive year in the Philippines; the dedication of Canadian Southern Baptist Seminary at Cochrane (near Calgary) at the 3rd annual meeting of the Canadian Convention of Southern Baptists.

From Brazil, Baptists are sending a couple to Macao, thus adding another field to the countries of Europe, Africa and South Afmerica where their 120 foreign missionaries serve. Our last missionary has left Lebanon on orders of the U. S. Government. Pray for the Christians who are in the war-torn country.

As with the Home Mission Board, the offering for the Lottie Moon Christmas Offering was short of its goal, but about 600,000 above the 1986 offering. The total amount received was $69,737,000, and the amount from the Cooperative Program was $63,061,000. Since 1888, Southern Baptists have given more than $850 million in the name of Lottie Moon to missions around the world. May our prayers, our giving and our going never cease, until God's will is done, and His Kingdom comes on earth as it is in heaven.

Vivian Simpson

REPORT OF WOMAN'S MISSIONARY UNION

Let's celebrate! We do have
A Century to celebrate
A Future to fulfill.

This was our emphasis for 1987-1988. This was a once-in-a-lifetime WMU centennial year. We rejoice in our past 100 years of mission education.

Our watchword for the year was: "Remember your leaders, those who spoke to you the Word of God; consider the outcome of their life and imitate their faith. Jesus Christ is the same yesterday and today and forever." (Hebrews 13:7-8 RSV).

Many centennial events have been in our Association this year. Mrs. Vivian Simpson in January, 1988, led us in our study of our History of WMU. In February, we had our Pastor's Appreciation Dinner at Sirena's Courtyard. We honored Mr. and Mrs. Conez McLean as our "Unseen Heroes". They are members of Kennebec Baptist Church. Dr. Frank Nelville, former pastor and Dr. Earl Howard, present pastor, praised them for their total committment to the Lord, church, community and family. Mr. Ronnie Byrd entertained us with a medley of his favorite songs.

March brought our annual session at Greensboro. Many of us attended and in April we had our Little River WMU Annual Meeting at Kennebec Baptist Church. Our speaker was our own Director of Missions, Rev. I. B. Laughrun, Jr. He had recently returned from Brazil where he participated with other Baptists from North Carolina in a misison partnership.

May found many women at Caraway for our Centennial Prayer Retreat. Miss Phyllis Thomas, Missionary to Chile, was our speaker and music was led by Ronnie Byrd. We expressed thanks to God's leadership in the past, present and future and renewed commitment to pray diligently for missions around the world.

Later in May, was the climatic day - May 14, 1988. We gathered in Richmond, Virginia where it all began. It was my privilege to represent Little River women. We had three quilts shown -Kennebec church, Hillmon Grove and our Associational quilt. Our women worked hard on our quilt and quilting.

We cannot live in the past and we plan to enter our 2nd century with a renewed spirit, pledging ourselves to give our best to our Master. We are laborers together with God.

ASSOCIATIONAL YOUTH DIRECTORS REPORT

Activity was the name of the game for the Little River Associational Youth this past year. The Association Churches were encouraged to bring youth groups to four different activities. On November 1, 1987, we celebrated together at Neills Creek to enjoy **Willett & Hohn,** a comtemporary Christian musical group. The Church was full to capacity with ten different churches in attendance.

On December 1, 1987, we promoted the Mike Warnke appearance at Campbell University. Again the attendance was outstanding. Many decisions for Christ were made and many rededications. On December 12, 1987 we invited the entire family to join us for our Christmas emphasis. The Abundant Life Ministry sponsored "The Greatest Star of All", a musical by the **National Tour Group.** This event was held at the Angier Middle School to accomodate the crowd. Outstanding participation by our churches made the event a success.

On April 15 and 16, the First Baptist Church at Buies Creek sponsored "Contact 88". All of our churches were encouraged to attend. Guest was evangelist, Mike Curry and **King and Company,** a Christian musical group.

Our last event for the year was the appearance of Pat Teague, a former football great of NCSU and member of the tampa Bay Buccaneers. The event was held at Trinity Baptist on June 19, with supper for those who attended.

It has been a wonderful year and we look forward to many things in 1988/89

A MEMORIAL STATEMENT

In the midst of our frenzied living, we should pause to reflect on the memory of our beloved dead, those who have labored with us and gone for awhile. We do this not for morbid thought nor useless regret. We make this moment of quietness that these shall not be forgotten nor their record erased by passing time.

As believers in the life eternal, our thoughts should go beyond graves and tombstones to the fact of living loved ones and friends. According to our faith, these loved ones are only received from our sight, their existence being more real now than before. In the Revelation, chapter fourteen, their estate is described as one of happy bliss at rest from earthly labor, having with them the record of their lives. Our poor words here cannot add to nor detract from what death has obtained for them in Christ.

So the most we can do is to bow our heads in silent memory and lend our hearts in warm tribute to these who have walked with us, who joined our hands to promote the Kingdom. We can here and now commit ourselves to the work they have left in our hands.

Lest we try to memorialize our beloved dead in mass, let us stand and think positively of that person whose earth-name we now see, recalling not so much their appearance but what they were in deed and spirit.

John Rogers

Constitution and Bylaws

Little River Baptist Association

PREAMBLE

ARTICLE I — NAME

The name of this body shall be the Little River Baptist Association.

ARTICLE II — PURPOSE

The purpose of this Association shall be to inspire, encourage and enlist the membership in a spirit of brotherly love and cooperation for the promotion of our associational programs, the work of the North Carolina Baptist State Convention and the Southern Baptist Convention, to the end that the Gospel of our Lord and Savior, Jesus Christ, might be proclaimed with greater power and effectiveness in our association, our state and nation, and unto the uttermost parts of the world.

ARTICLE III — OBJECTIVES

1. To provide programs, projects and organizations which will strengthen the fellowship and assist the churches in achieving their goals and objectives.
2. To discover needs which cannot be met effectively by any one church and to coordinate the use of associational resources in meeting these needs.
3. To involve churches in cooperative experiences in evangelism, mission education, and benevolences.

ARTICLE IV — AUTHORITY

This Association is a self-determining body under the lordship of Christ. It determines its own membership and programs but has no authority over the churches affiliated with it. However, the Association may, upon invitation from a church, counsel with that church.

ARTICLE V — MEMBERSHIP

Section 1. The Association shall consist of messengers who are members of the affiliated churches as follows: (1) Officers of the Association; (2) Pastors of the member churches; and (3) the duly elected messengers of these churches on the basis of: five messengers from each church with 100 members or less, and one additional messenger for every 100 members or fraction thereof beyond the first 100 members; but, no church may have more than ten (10) messengers plus the pastor of respective church.

Section 2. A quorum shall consist of messengers from at least 50 percent of the member churches.

Section 3. Voting shall be limited to duly elected messengers or their alternates as certified in the Uniform Church Letter.

Section 4. The application of any church for membership shall be referred to the Associational Council which shall examine the covenant and articles of faith of the church applying for membership, and, upon a favorable report of the Associational Council, the church in question may be admitted as a constituent member in this body by majority vote of the messengers at the annual meeting, providing that the church so received shall agree to come under the watchcare of the Association for a period of one year and that the church shall have all privileges of the Association except that of voting for that first year.

Section 5. Any duly constituted Baptist church, in good standing with another Baptist Association desiring membership with this body must make application to the Executive Committee at least four (4) months prior to the annual meeting. Upon the recommendation of the Executive Committee, and a letter of recommendation from the Association that it is leaving, it may be received into full membership by majority vote of this body.

Section 6. Any mission of a member church of the Little River Baptist Association that constitutes as a church may upon written recommendation from the sponsoring church make application for membership. Such application shall be referred to the Associational Council which shall

examine the covenant and articles of faith of the church applying for membership, and upon a favorable report of the Associational Council, the church applying for membership may be admitted as a full member of the Association by majority vote of the Executive Committee or the messengers at the annual meeting.

Section 7. The Association may at any time dissolve connection with any church that ceases to abide by this constitution and the spirit of the same.

Section 8. Any church may withdraw from the Association at its pleasure.

ARTICLE VI — ORGANIZATION

Section 1. GENERAL OFFICERS. The general officers shall be Moderator, Vice Moderator, Clerk, Treasurer, and Historian.

Section 2. EXECUTIVE COMMITTEE. The Executive Committee shall be composed of all active pastors of constituent churches, one member from each church and all the officers indicated in Article VI, Sections 1-5. A quorum shall consist of members present.

Section 3. TRUSTEES. The Association shall elect three Trustees from the members composing the Association, who shall serve with the Moderator, as the Trustees of Little River Baptist Association, and whose duty it shall be to take and hold title to the property, both real and personal owned by the Association. The Moderator of the Association shall serve as a trustee until such time as his successor is elected and qualified.

Minutes of Special Called Meeting of the Little River Baptist Association

Considering a call to Rev. J. Kenneth Stalls to serve as the Director of Missions, messengers from the churches of the Association met in a special session on February 27, 1989, at the Lillington Baptist Church.

Marshall Woodall, chairman of the Director of Missions Search Committee, presented and moved the adoption of the following recommendation of the Committee:

RECOMMENDATION OF SEARCH COMMITTEE

Believing that Rev. Stalls meets the qualifications as Director as set forth in our Constitution and Bylaws and as set forth by a majority of the respondents to the questionnaire sent to the Executive Committee and believing that he has truly received a call from God to serve as a Director of Missions and further believing that God's divine plan has caused our paths to cross, the Director of Missions Search Committee takes great pleasure in unanimously recommending to this special session of the Little River Baptist Association that the Rev. James Kenneth Stalls be called as Director of Missions of the Little River Baptist Association, and that the following compensation package be authorized, to wit:

RECOMMENDATION FROM BUDGET-FINANCE COMMITTEE

LITTLE RIVER BAPTIST ASSOCIATION
LILLINGTON, NORTH CAROLINA 27546
FEBRUARY 1, 1989

In making its recommendation on a financial support package for the Director of Missions, Budget and Finance sought to accomplish several tasks. It was our desire to present the package in such a way that it could be easily compared with what any person might receive in secular employment. In order to accomplish this, the package is stated in terms of *Ministry Related Expenses, Protective Benefits,* and *Direct Compensation.* Also, the committee sought to state the package in relation to recent changes in the tax laws pertaining to ministers.

The recommended package is as follows:

	Previous 1987-1988	Proposal 1988-1989
MINISTRY RELATED EXPENSES:		
Travel Expense Reimbursement	$ 3,200.00	$ 3,200.00
Professional Expense Reimbursement	1,000.00	1,000.00
PROTECTIVE BENEFITS:		
Health Insurance, Life and Disability Insurance	2,860.00	3,720.00
Retirement, Annuity	3,600.00	3,600.00
DIRECT COMPENSATION:		
Salary	15,300.00	15,100.00
Housing Allowance	9,000.00	10,800.00
Social Security Supplement	1,840.00	1,840.00
TOTAL PACKAGE FOR DOM	$36,800.00	$39,260.00

Mrs. Georgia Lee Brown seconded the motion. Mr. Woodall briefly reviewed the recommendation which had been previously distributed to the Assoication's Churches. After some discussion, the messengers voted unanimously in favor of the recommendation to call Rev. J. Kenneth Stalls as our Director of Missions.

The Vice Moderator recognized Mr. Woodall who presented on behalf of the DOM Search Committee the following resolution (as orginally presented with certain additions suggested during discussion) and moved its adoption, to wit:

RESOLUTION NO. ONE

Recommended Paid Holiday Leave Policy

BACKGROUND

The Constitution and Policy Committee of the Little River Baptist Association (LRBA) was requested to present to the Association a Paid Holiday Leave Policy to assist employees in work scheduling and to simplify decision-making. There is no formal policy at present. In the past, holidays have been approved periodically by the Executive Committee upon the recommendation of the Director of Missions.

Data concerning paid holidays observed by a sample of churches in the Association was gathered to assist in making a final recommendation. The current practice of the LRBA is included for the purpose of comparison.

CONCLUSION

The staff of the Association presently observes ten (10) holidays per year. This number falls roughly in the middle of range of total holidays observed by churches in the sample. The range is seven to 13 days per year. The total number of paid holidays observed in some churches varies according to the day on which the holiday falls and current staff workload. Approved holidays are found in a formally-adopted Personnel Policy in only one church surveyed. In other churches, approved holidays are included in employment agreements, job descriptions, or informal rules.

RECOMMENDATION

It is recommended that the Little River Baptist Association adopt the following paid holidays for its staff. The holidays included are the ones which staff members have generally observed in the past.

New Year's Day
Easter Monday
Memorial Day
July Fourth
Labor Day
Thanksgiving Day
Friday after Thanksgiving
Christmas Eve
Christmas Day
Day after Christmas Day

It is further recommended that when a holiday falls on a Saturday or Sunday, the Director of Missions, in consultation with the staff, shall determine whether to observe the holiday on the preceding Friday or on the following Monday. The Director of Missions shall inform the Executive Committee of the decision.

Respectfully submitted,

Director of Missions' Report

With this as my first annual report to the association, I would be remiss if I failed to say thank you for allowing me to come and learn as your Director of Missions. Joan and I truly have appreciated the warm and gracious way that you have received and supported us. I am especially thankful for the supportive way in which you ministered to us during my heart surgery. Your understanding and care have been truly appreciated.

I have been encouraged by many good things that have happened already and by some very significant events that we planned. This past July 9, our mission at Anderson Creek was formally constituted as the Anderson Creek Community Church, S.B.C. Our congratulations and prayers go out to Earl Lamm and those faithful servants of our Lord at Anderson Creek for what they have accomplished through our Lord. I am certain much more will be heard from Anderson Creek.

On June 6, our association sponsored a Senior Citizens Rally at Neill's Creek Church. Mrs. Avis Hall, a member of Angier Church, did a superb job of directing this rally along with a lot of help from her fine committee. The rally was well attended and all of the participants had a great time. It's my hope and prayer that we will use this rally as a springboard for establishing a very much needed on-going ministry through our association to the Senior Adults in our area.

Our youth and children blessed my heart in a special way as they successfully participated in the Associational and State Bible Drill. They did such a great job. We all should be so very proud of each and every one of them.

Three members of our association were involved in the Brazil Partnership this past spring. Our relationship with the Guarulhos Association in Sao Paulo, Brazil is as crucial to us as it is to those to whom we go and help. We need missions involvement! The following is a summary of the Guarulhos Association Project:

1) Goals:
   23 new churches
   204 Home Bible Studies
   78 Preaching Points
   23 Extension Sunday Schools
   41 Missions
   Train 100 leaders in the area of the Sunday School
   Promote yearly training for leaders of Preaching Points and Missions
   Train 204 leaders for Home Bible Studies

2) Actual Situation:
   19 churches
   6 preaching points
   3 missions
   11 temporary Home Bible Studies

3) Time Table for the Work:

1988	1989	1990
49 Home Bible Studies	49 Home Bible Studies	45 Home Bible Studies
12 Preaching Points	19 Preaching Points	19 Preaching Points
4 Ext. S.S.	9 Ext. S.S.	6 Ext. S.S.
2 Missions	11 Missions	13 Missions
0 Churches	0 Churches	0 Churches

1991	1992
35 Home Bible Studies	32 Home Bible Studies
13 Preaching Points	11 Preaching Points
3 Ext. S.S.	1 Ext. S.S.
11 Missions	5 Missions
6 Churches	17 Churches

4) Stategy:
   a. Provide training in the areas of: Sunday School, Personal Evangelism, and Leadership for Preaching Points and Missions.
   b. Open new work in the following areas: Jardim Leda, Jardim Presidente Dutra, Jardim Forteleza, Jardim Afonso, Jardim Cumbica, Parque Primavera, Jardim Jaci, Parque Aqua Azul, Jardim Santa Clara, Parque Tupinamba, and Aeroporto.
   c. Construct building for missions and needy churches.
   d. Ask for the help of volunteers from the U.S.A.

This represents a bold undertaking but this is what is needed. This upcoming year, you have the opportunity to participate in this project. We are sending construction/witness teams to Sao Paulo March 1-13, 1990. We will be erecting two prefabricated chapels in the Guarulhos Association. Will you go? You are definitely needed. Please pray for this project daily!

I am currently doing research to gain a broader understanding of effective mechanics for two ministries that I feel we sorely need. Within our geographic area we have a sizeable and significant number of military personnel and students. We must minister effectively to these people and the association can and should have an integral role. Please pray for God's leadership and provision concerning these ministries and other opportunities that we may not even be aware of thus far.

Again, thank you for the privilege of serving as your associational missionary and please remember this, your ministry, as you pray.

Ken Stalls

Our associational area has been subjected to moderate growth in the 1980s; indications are that the 1990s will bring substantial growth. We begin these years with the simultaneous revivals, an appropriate evangelistic beginning. Much more is needed for us to meet the ministry needs of the people who God will make available to us.

If we are to meet the challenge of the '90s, your Executive Committee needs the participation of each pastor and lay representation, and I encourage each of you to be present for our quarterly meetings and serve in the area of your calling.

Marshall Woodall, Moderator

Report of the American Bible Society

The churches and denominations of the United States are the mainstay of the American Bible Society's worldwide Scripture ministry. We are conscious of the outstanding service which the Southern Baptist Convention has provided to the people of the world through your support of this ministry.

Opening new ways to the Word for people throughout the world is a challenge which grows in scope and urgency with every passing year. Many of the projects to which we commit ourselves each year are undertaken in faith - faith in God and in the generosity of concerned Christians in this country. The American Bible Society is sincerely grateful for the contributions, totalling $251,951.11 received from your churches during 1988 and draws confidence from knowing that there are Christian communions such as yours who believe in the power of the Word of God and are committed to sharing it with people across the globe. Your partnership with us in the Bible cause enhances our own vision of what can be accomplished in response to the Scripture needs of our world.

It is the Society's belief that God's Word is the very foundation of our mission to all whom we attempt to reach and serve in the name of Christ. Having God's Word in the people's language is imperative for the greatest success of this work.

The rising worldwide demand for the Holy Scriptures is dramatically revealed in the number of Bibles, Testaments, Scripture Portions and Selections distributed by the United Bible Societies around the globe in 1988 - a remarkable 692,754,925 copies. This means that in 1988 churches and missions both here at home and overseas called on the Bible Societies to provide 11 percent more Scripture volumes for their work and witness last year than they did in 1987. This underlines the great fact in worldwide distribution - the ever-increasing cooperation between the churches of all lands and the Bible Societies.

The American Bible Society, whose witness through the United Bible Societies is currently present in more than 180 lands and in over 550 languages, is therefore acutely aware of the global nature of the church's mission. Beyond the most basic services of translating God's Word into the languages of the people, and supplying the churches with the Scriptures they require, the Society has also sought to develop and provide many different, culturally sensitive and specialized Scriptrue resources which cover the diverseness and multiple aspects of the life and ministry of the church at the local, national and international levels.

This review of the work of the American Bible Society in 1988 cannot be concluded without a strong appeal for the financial resources urgently needed to meet the rising demand for the Bible throughout the world. Every new field of service by the Society demands additional resources and thus becomes a budget problem. A new and revitalized partnership needs to be forged between ABS and the churches of America in order to take on the new and heightened responsibilities we are all facing for meeting the global demand for God's Word. We urge the churches to consider prayerfully how they may enlarge their spiritual witness throughout the world through increased support of the American Bible Society.

Gladys Dixon

Annual Associational Report
Baptist Children's Homes of North Carolina, Inc.

Michael C. Blackwell, President

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teenage mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teenage mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

Gladys Latta

The Baptist Foundation Report

"Strengthening for Greater Service" had special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the on-going work of the agency. We are pleased to report that the majority of the funds necessary to construct the new building have been secured. The new building will be erected beside the Baptist Building in Cary and we are hopeful that it will be ready for occupancy by the end of this year.

In engaging in this project, it has been of utmost importance to our Board of Directors and Staff that the on-going responsibilities of the Foundation not be neglected during the campaign. Indeed, the need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause. Through trust and endowment funds established by individuals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation are now approaching $17 million, of which $3.8 million was added in 1988 alone, making this year the greatest year of growth in the Foundation's history. Last year, $1,258,775 was paid to Baptist work and to individuals designated in charitable remainder-type trusts. This latter agreement provides for income to be paid to the donor (or other individuals) for a specific period of time and then to charitable causes thereafter. Through this method of making gifts to Christian causes, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate.

We are continually grateful for the support of Baptists across the state who support the mission and ministry of the Foundation. We welcome the opportunity to serve.

Respectfully submitted,
Horace Barefoot

Baptist Hospital Report

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology, and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. These and other new facilities will make it possible not only for our hospital to serve more people but to serve them better.

Medical research has resulted in numerous advances in patient care which attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from 35 states and from eight foreign countries.

During the past fiscal year, Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering including church gifts directly to the hospital.

Respectfully submitted,
W. Donald Moore, M.D.

Baptist Retirement Homes Report

This marks the 38th year of ministry by the Baptist Retirement Homes to the Baptist Older Adults of this state.

Charged in 1951 with the mission of providing residential care for "Aged Saints," the Homes provide care for older adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem, and Yanceyville).

A new continuing care retirement community, Brookridge, located in Winston-Salem, will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for older adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need:

- To work with churches and associations in the development of regional continuing care retirement communities in the West, Piedmont, and the East.
- To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units, and nursing-care units).
- To work with churches and associations in the development of alternative forms of residential care for older adults (Respite Care, Adult Day Care, and Home Health Care).

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for Baptist Older Adults are to be provided.

With the support of North Carolina Baptists, the Retirement Homes sees this challenge as a wonderful opportunity for ministry.

Respectfully submitted,
Mark T. White

Brotherhood Report

A projection, a summary and a challenge is presented in this report. First, a brief report about the Brotherhood Organization of the Little River Baptist Association.

The Baptist Brotherhood is made up of four units: Royal Ambassadors, High School Baptist Young Men, Baptist Young Men, and Baptist Men. How many of these organizations does your church have at present? We know it's not practical for all the churches in the association to have all four units. The individual church's size, emphasis and program should determine its organization structure.

The Brotherhood program for Little River Baptist Association includes the following goals:

1. At least one unit of the Brotherhood organization in each church; more, if feasible.
2. Establish a speakers board -- in process of being developed.
3. Establish a brotherhood council.
4. Provide assistance to churches who need help in:
    a. organizing
    b. developing suitable programs
    c. assisting in special programs
        (1) churches' Men's Day
        (2) RA recognition programs
    d. revitalizing existing programs
    e. provide resources needed for individual churches
    f. others

5. Director of Little River Baptist Brotherhood available for:
    a. organizational needs
    b. program needs
        (1) inspiration
        (2) organization
        (3) why Brotherhood
6. Engage in missions:
    a. Continental U.S.
    b. Foreign
7. Encourage the attendance of at least one member (men) to attend a State or Southern Missions Conference.

Our aim is to make the Brotherhood a viable mission doing organization and on the same level as the W.M.U.

Respectfully submitted,
M.O. Phillips

Building and Grounds Committee Report

We have requested bids for grading and paving the parking area at the Associational Office Building. We are in the process of obtaining bids and we will have a proposal to present to the Annual Association Meeting in October. The plan will contain one or two driveways and paving the existing parking area, also grading the area north of the building so it can be maintained with ease. Prices for grading, installing a second driveway, road tile, paving the existing driveway and the parking area will be included in the bids. Three bids will be obtained. Recommendations will be presented at the Annual Meeting by the Building and Grounds Committee.

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 807! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

Christian Education. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

Baptist Students. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

Cooperative Program. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

Christian Life and Public Affairs Report

Through its various departments, the Council on Christian Life and Public Affairs has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life Committee members were trained. Information, materials and guidance on a wide range of social and ethical issues were furnished to individuals, churches and associations.

A signal event was the transfer of Joe F. Jones, III to the Council's staff to direct the work of the new Department of Substance Abuse/Dependence.

DEPARTMENT OF AGING

Ministries among older adults continue to expand among the churches in North Carolina. Conferences, seminary, rallies and training opportunities are being conducted by churches and associations to meet the needs of this fastest growing segment of our population. Although budgetary restrictions have prevented the employment of a director, this department's work has been borne by special consultants, volunteers and by other members of the staff.

Four rallies were held in April, May, June and September. The six conferences/retreats at Caraway Conference Center attracted capacity attendance. In cooperation with the Gerontology Center of Mars Hill College, the department co-sponsored four two-day workshops on providing ministries for the aging in a local church, and a statewide interfaith symposium in Asheville.

CHRISTIAN CITIZENSHIP EDUCATION

The work of this department has focused on two principal areas: the North Carolina General Assembly and world hunger.

GENERAL ASSEMBLY

The 1989 long session turned into the longest session in history. Among issues of interest to Baptists were:

- A bill to strengthen the state's laws regarding drunk driving.
- Budget provisions to increase poor people's access to medical care by expanding the Medicaid program.
- A proposal to set up a state lottery.
- Bills to address the state's problem with hazardous waste and solid waste.
- Efforts to increase the use of alternative (i.e., non-prison) punishments for non-violent criminals.

As of this writing (August 7), the General Assembly is still in session and all of these issues except the last are still under consideration.

Baptists concerned about these issues were kept abreast of developments by the Legislative Information Network, which provided up-to-date reports on these matters and suggested timely and effective action.

The legislature will return next summer for its so-called short session. The Legislative Information Network will again help Baptists to have effective input into the legislative process in our state.

WORLD HUNGER

Millions of God's children around the world continue to suffer, grieve and die because they lack adequate nutrition for themselves and their families. Baptist missionaries at home and overseas are involved in a host of innovative and compassionate ministries to help the hungry help themselves.

In 1988, North Carolina Baptists led all other states in contributions to the hunger funds of the Foreign and Home Mission Boards. During the first two-thirds of 1989, our gifts were running just slightly above 1988 levels, and yet, these gifts, highest in the Southern Baptist Convention, amounted to only a little more than a dollar per Baptist for the entire year.

The North Carolina Hunger Fund has continued to distribute money given by North Carolina Baptists to churches and associations which are combatting hunger at the local level. Through August, funds had been given to nineteen churches and thirteen associations. These grants totaled about $27,000 and, in most cases, were matched by generous assistance from the Domestic Hunger Fund of the Home Mission Board.

The Biblical Recorder Report

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the *Recorder* in lieu of their weekly newsletter. Watch for more details in the *Recorder* in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more--that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the *Recorder* yourself but please speak a good word for the paper and urge others to subscribe and read it also. Church Music Report

The Southern Baptist Convention Bold Mission Thrust has set goals on the associational level that we need to consider in planning our music program in our association.

The Theme: "Musicians on Mission. . . That All May Hear"

The Objective: To support the goals of Bold Mission Thrust in reaching people, developing believers and strengthening missions.

As we plan our 1989-1990 Associational Music program, we need to consider these goals and actions as they relate to the primary goals of: building fellowship, providing leadership training, and serving as a resource person. As your associational music director, my primary goals are to try to see that these goals are met. With the cooperation of the association, these goals and strategies can be accomplished.

Our adult associational choir has been busy in preparing to provide the music for Pastors' School. Pastors' School was held at Campbell University from July 17-19, 1989. The choir did an outstanding performance. Both college staff, administration, and Pastors throughout our state and surrounding states raved over the choir and their contribution to the worship services that week.

On June 10, 1989, we had a first music ministers' and staff appreciation banquet. We hope this will be an annual event. This was held at Antioch Baptist Church in Mamers, North Carolina. As the music ministers and their staff entered the fellowship hall, they were given a corsage or boutonniere by their associational music director. This was a time where they were honored for their contributions to the music ministry. We were glad that the church or someone from their church made provisions for them to attend. Following the welcome, devotional thoughts and grace, dinner was catered by Norman Brickhouse of Sanford, North Carolina. We were served a tossed salad, sirloin roast of beef, baked potato, bread, tea and dessert. Following the dinner, everyone introduced themselves and told what church they were from and what role they played as a church musician. We had a program of music given by our newly formed men's ensemble and we were much entertained by a magician from Raleigh, North Carolina. Following the door prizes and other given information about our music program on a local and associational level, we were dismissed with prayer.

Church Training Report

This year the Children and Youth Bible Drills were April 18 at Neill's Creek Baptist Church. We had five churches participating, one of which, Lillington Baptist Church, was new to the drills.

There were 29 children participating in the Children's Drill and three in the Youth Drill, one of whom went on to win the State Drill and participate in Church Training Leadership Week at Ridgecrest. Tuyet Aragon of Holly Springs had the State's highest score. She is a six year participant in these drills; she is from Holly Springs Church and her leader is Brenda Burgess.

Associational Evangelism Report

Much of the focus this year in evangelism has been upon preparation for the "Here's Hope. Jesus Cares for You" simultaneous revivals to be held in the year 1990. The suggested date for our association is March 18-25. A steering committee was appointed by the Evangelism Chairman in October 1988, including: Danny Collins, Vice-chairman of Enlistment; Linda Cameron, Steering Committee Secretary; Bill Denning, Fellowship Meeting Chairman; and Vivian Simpson, Prayer Chairman. Rev. M.E. Gibson, Advisory Committee member for our region, spoke to the pastors in

November 1988, and met with the steering committee. The steering committee has met several times in cooperation with the Associational Sunday School Director and ASSISTeam. A conference on Training Sunday School Workers in Evangelism and preparation for Evangelistic People Search/Scripture Distribution was held on September 9 at Dunn First Baptist Church. Pastors will receive a church manual for "Here's Hope. Jesus Cares for You" the last week in September 1989. This manual will be taught to the pastors in the Regional Evangelism Conference to be held in October 1989. Also, Rev. Gibson will meet with the pastors on November 6 following the Pastors' Conference and Lunch. An Associational Prayer and Evangelism Retreat has also been planned for January 27, 1990. Dr. Ken Hemphill, pastor of the First Baptist Church of Norfolk, will be the special guest speaker.

To date 18 churches have indicated that they will participate in the "Here's Hope. Jesus Cares for You" revivals in 1990.

Super Summer '89 was held on July 9 at the Carowinds Amusement Park. Some 30,000 people attended.

Ministers' Retirement Report

The Annuity Board continues to find new and better ways to serve those who serve the Lord. A new and vastly improved insurance program is offered under the name Church Life, with four plans from which to choose. There has been an increase, for one example, of the amounts of insurance that can be carried out in retirement.

The Annuity Board assets at the end of March of this year were $2,460,709,118, most of which belongs to participants in the retirement plan. But of the 38 churches in our Association only 25 churches, 33 persons, participate. Each church is encouraged to be a responsible employer and to make every effort to see that the paid staff members as well as the pastor are covered. It is protection for both the church and paid staff, and therefore it should be a condition of calling in each instance.

It should be remembered that small contributions make annuitant benefits small. In North Carolina:

184 receive less than $ 50.00
493 receive less than $100.00
1,006 receive less than $200.00
1,287 receive less than $300.00

Statewide only 64 percent are participating in our retirement plans even after all these years of opportunity. Of this 64 percent many do not actually make contributions. The minister does this on his own. "Brethren, this ought not to be!" The sooner the minister, and/or staff member begins participation, and the more completely he or she participates, the more adequate the protection and the ultimate benefits.

It is exciting to think about the constant, prayerful efforts that are going into helping ministers and workers retire with dignity. These efforts in themselves serve to urge churches toward meaningful participation. Goals set by the Annuity Board trustees for 1989 include:

- Developing a long term plan suitable to ministers and their families.
- Working through Church Alliance to provide an approved IRA or to restore the tax deductible option of the Voluntary Annuity Board.
- Providing more choices for family insurance protection.
- Continuing to work hard toward control of health care costs.
- Developing materials on financial planning.
- Continuing to make churches and ministers aware of retirement and insurance plans.

Missions Development Report

In the past year the greatest joy was to see Anderson Creek Community Mission constitute as a church on July 9, 1989. This ministry started as a social ministry several years ago, and rapidly developed into a mission. Earl Lamm has served this ministry since its beginning and was unanimously called as their pastor. Antioch, Lillington, and Hillmon Grove were the sponsoring churches.

With the rapid growth that is happening in various parts of the Little River Association the need to begin new missions is increasing. Every church in the association should prayerfully consider their part in developing new works in our county.

Missions Development is more than starting new missions and churches. It involves discovering the various needs in the communities where churches are located, and then developing whatever kind of ministry that may be necessary to meet these needs. The need can be a nursing home, illiteracy, after school care, migrant, etc. There are instruments available to aid all of our churches in surveying their communities to discover the various needs. There isn't a church so small that it can't discover certain needs and respond with some type of ministry to meet these needs.

We haven't even scratched the surface in Missions Development this past year. It's time for us to do less talk and more work in Missions Development.

Ordination Committee Report

The Ordination Committee met to examine five candidates for ordination upon request from churches within the Association.

Chip Hopkins	Requested by Calvary Baptist
Ted Wilbanks	Requested by Coats Baptist
Floyd West	Requested by New Hope Baptist
Ronnie Byrd	Requested by Pleasant Memory
Kenneth McNeill	Requested by Westfield Baptist

It was the intent of the Ordination Committee to examine each candidate in such a way to give the requesting church our opinion on whether the candidate was ready for ordination and at the same time try to share with each candidate in such a way that might help them better understand their call and their ministry skills. We recommended that every candidate we examined this year be ordained. We used a form the Ordination Committee adopted in which we asked each candidate to submit some personal and theological information with the committee prior to the examination. We also followed the guidelines set up in our constitution.

Senior Adults Report

Since the Senior Adult Ministry is new, a questionnaire was mailed to all churches requesting numbers of adults 60 years of age or older. It was confirmed by the 12 churches responding that a large segment of membership is in this age group. Only a few reported an organized senior adult ministry. However, a significant number observed Senior Adult Emphasis Day and three churches had persons to attend one of the Senior Adult Conferences at Caraway.

A Senior Adult Rally was held in June at Neill's Creek Church and 189 people representing 16 churches were in attendance. The program varied from workshops on Health and Nutrition, Social Security and Medicare to fun, food and fellowship, and was climaxed by a challenge by Dr. Douglas Cole, Executive Director of Christian Life and Public Affairs of the State Baptist Convention, who spoke on "The Older Adult, A Valuable Resource."

The new year will offer us new challenges for reaching our older adult population. Each church has been asked to elect a senior adult director and is encouraged to develop opportunities for service, support and fellowship for this age population within its church. The director is available to assist in this effort.

Hopefully, work toward achieving some worthwhile goals including looking at the possibility of organizing a Senior Adult Council for the Association can be established in the coming year.

Stewardship Report

Christianity is not a way to do certain things. It is a certain way to do everything! In our Southern Baptist Life, open cooperation is the heart of our Christian way of sharing ministry together. Central to our joint ministry is how we openly cooperate in being stewards of the ministry God gives us in our association. One principle aspect of our stewardship is the money we joyfully and willingly give to support the ministry directed through the Little River Baptist Associational Office. This past year, churches of the Little River Baptist Association contributed $63,323.56 of undesignated gifts to support our cooperative ministry as compared to $59,952.45 the previous year. This amounts to a 5.6 percent increase in giving. THIS IS GOOD NEWS!

However, there is an alarming note to be sounded. For the first nine months of 1989 the churches of our association have contributed $203,592.86 through the Cooperative Program. This is a decrease of $5,001.26 or 2.3 percent decrease in giving. Let's hope this is not a trend, but perhaps due to the fact that all churches may not be up to date on what they plan to give.

The stewardship of ministry is more than dollars and cents. It also represents time given by many who have shared their gifts of ministry through the various programs of the Association. Good stewardship of our cooperative ministry is vital to the mission task that we share together, in not only proclaiming the Gospel to lost people, but also in being the Gospel to those who need the love of Jesus Christ. May we be found faithful stewards of our resources and time, as we walk together in Christian love in being a people called "Baptists," who desire to be used by the Lord for His ministry in Harnett County.

Associational Sunday School Annual Report

"Gather the People" was our Sunday School theme this year. This was presented at the annual meeting in 1988. We have been blessed with a very capable ASSISTeam to help train our Associational Sunday School workers to meet the challenge of this theme. They have conducted two Associational Conferences for Sunday School workers. The conference last spring was on "Understanding the People We Teach." This fall they led our workers and pastors in a "Training Sunday School Workers in Evangelism" Conference.

As a team, we have met for annual as well as short range planning, such as necessary for the conferences taught. For training, the ASSISTeam members attended the annual state training session in Cary in February. The Associational Sunday School Director attended Key Leadership at Ridgecrest with the other Associational leaders there. An award was presented to our Sunday School Director for having led the Association in meeting all standards for this year.

"Share Hope-Reach Ten" is the Sunday School theme for 1989-90. It is to challenge us who have the HOPE of Jesus Christ to share it with those around us who are without hope. One of the ways we can discover who those people are in our community is with a People Search/Scripture Distribution. Please call on the ASSISTeam if you need direction for this. We are equipped and ready to assist you in your Sunday School needs.

Associational Woman's Missionary Union Report

> "You have heard; Look at all this. And you, will you not declare it? I proclaim to you new things. From this time, even hidden things which you have not known."
> Isaiah 48:6 NASB

We took this watchword for 1988-90 as our challenge as we began our Century 2. Our emphasis was "A Future To Fulfill, Launching Century 2." This reminds us that missions education has not only been somewhere, but is headed full speed ahead, into an exciting second 100 years.

Our W.M.U. Council was well trained for our Leadership Conference. I went to Key Leadership at Ridgecrest, two of us attended W.M.U. Week at Ridgecrest, and many of us attended our state workshops. We cannot forget that "We are laborers together with God." The important question is: What is God doing in the world and what on earth does He want us to do about it?

Mrs. Jean Lee, Baptist Women's Director, was in charge of our Woman's World Day of Prayer. Forty-seven women took part in this program and enjoyed a luncheon at Sirena's Courtyard.

Our Foreign Mission Study for this year was "Nigeria." We had an Associational Study at Lillington Baptist Church. Mrs. Eunice Smith Bland of Wake Forest, former missionary to Nigeria and native of Harnett County, led our study. Accompanying her was Dr. Stella Dogun of Nigeria who is in our country while her husband is studying at Southeastern. This was a rare experience for all of us. Twenty-four churches were represented.

Our Pastors' Appreciation Dinner was held on February 13, 1989, at Sirena's Courtyard. Dr. Mark White, pastor of Coats Baptist, was our guest speaker. As always, he gave us food for thought. Ronnie Byrd, our Associational Music Director, and other local choir directors brought us a musical program.

Miss Suthell Walker, former Baptist Woman Consultant, Baptist State Convention, led our Prayer Retreat held at Caraway, May 11. This is always a very moving experience. Ronnie Byrd led our music and also presented a mini piano concert.

Our 81st meeting of the Little River Baptist Association W.M.U. was held at Baptist Grove Church, Rt. 2, Fuquay-Varina. Gary Wiggins, host pastor, brought an inspiring devotional. Mr. and Mrs. David Long of Fort Worth, Texas, missionaries to Brazil, were our speakers. They brought an inspiring message of our work in Brazil. They also sang several selections.

May I take this opportunity to thank all of you who have allowed me to serve in Associational W.M.U. work for 17 years. How can I ever thank you enough for your help? I served under three Directors of Missions, the late Rev. Julius Holloway, Henry Simpson, and the late I.B. Laughrun, all of whom showed our love for missions. To the pastors, my W.M.U. Councils and the faithful W.M.U. members, thank you for your support and kindness shown to me during these years.

May the Lord bless us all and care for us as we move on to where God leads.

Virginia S. Currin

World Missions Report

Continuing uncertainty has drawn the attention of some away from what has always been Southern Baptists' main focus - missions. In addition, the trust level in the Convention has been eroded. These two factors, and perhaps others, have caused some to reduce or redirect their giving to missions. It is also reflected in the fact that appointments of new Southern Baptist foreign missionaries are in a four-year downward spiral. Dr. Keith Parks was quoted in a recent article in *The Biblical Recorder* as saying that this could be an indication of a "weakening commitment of Southern Baptists to missions."

In spite of the above, the 1988 annual report of the Foreign Mission Board does reflect a high level of involvement and giving on the part of Southern Baptists. But it is becoming more and more evident that if we are to reach the whole world with the gospel by the year 2000, we must very soon - within the next three years - decide to make a deeper commitment to this Bold Mission goal and formulate specific plans to reach it.

From the 1988 annual report, the following statistics show that your prayers, your gifts and your missionaries are helping to advance the Kingdom of God.

- Baptisms - 197,863 people baptized, almost 541 a day. Overseas this is an average of one person for every 10.6 members. In the United States it took an average of nearly 43 Southern Baptists to produce one baptism.
- Churches - about four new churches started per day, a total of 1,430.
- Volunteers - 10,800 Southern Baptist volunteers reinforced mission work in 74 of the countries where we work.
- Meeting human needs - a record of $10.9 million of your gifts were spent for overseas relief and world hunger.
- New work - 110 new cities entered in 41 countries. Work began with 22 new people groups in 15 countries.
- Contributions - members of churches overseas gave the equivalent of $99,800,987 through their churches, up 6.2 percent, despite crippling inflation in many countries.
- Discipleship - 18,644 enrolled in discipleship training, more than double 1987.
- Bible by mail - 342,281 enrolled in Bible correspondence courses and 26,953 enrolled in formal ministerial training, up 21 percent over 1987.

According to the recent article in *The Biblical Recorder*, Southern Baptists are now supporting 3,797 missionaries in 116 countries.

For the Home Mission Board, 1988 was a year of change. Reorganization became effective January 1, 1989. This involved primarily the re-assignment of departments and divisions to more efficiently and effectively carry out the four emphases of the Home Mission Board - evangelism, church planting, church growth and ministry.

- Evangelism - Through the year of the Laity, the Home Mission Board is helping laypeople to recognize their gifts and callings and to actively become involved in witnessing and winning the lost of America. More than 13,000 churches were committed to Lay Evangelism Schools in 1988. Total baptisms reported in 1988 were 348,000.
- Church Planting - As of December 1988, Southern Baptist churches numbered 42,218 (including missions). 578 church starters were placed - interns, apprentices and new growth

pastors - for a total of 1,427 missionary personnel involved in church growth.

- Ministry - A total of 3,827, including 733 newly appointed missionaries, are involved in Christian Social Ministries. This covers a wide range of ministries - literacy ministries, Christian Social Ministries Centers, where Bible Studies are held, conferences on aging, substance abuse, medical missions, family ministries and criminal justice.
- Language missions continues to be an important part and a growing area of Home Mission work. The Language Missions Division supported 1,324 home missionaries who ministered among 85 culture groups in 88 languages and dialects.
- The Home Mission Board depends to a large extent on the many volunteers who enter into partnership with the career missionaries in extending and enlarging the areas of witness and concern of Southern Baptists in our Homeland. In 1988, 1,155 volunteers served in the Mission Service Corps, giving more than 3.2 million hours and performing ministries that would have cost the HMB more than $17 million in salaries.
- 38,007 volunteers served through the Special Missions Ministries - helping to start churches; working in personal evangelism; helping with clothing closets and food pantries. Through short-term volunteerism, resort ministries, student work and experimental ministries, this department touches lives and meets needs in Christ's name.

Important to the continued work of the Home Mission Board and the spiritual awakening of America is the office of Spiritual Awakening. This office trained and certified 400 instructors to teach "Prayer for Spiritual Awakening" (PSA) seminars nationwide.

As our Foreign Mission Board seeks new ways to continue to take the gospel message into all the world, into countries where the traditional missionary is no longer welcomed, and as our Home Mission Board seeks new ways to bring the gospel to a society in America that is growing more pagan by the day, let us renew our commitment to our Lord Jesus Christ, to be a witness for Him wherever we go, and to be more faithful in praying and giving to missions that the world may, one day, come to know the One who is really Lord of Lords, and King of Kings.

Vivian C. Simpson

A Memorial Statement

When one is asked to perform some special duty regarding the experience of death, the best source for guidance is the Lord Jesus. This is especially true of an appropriate memorial for our beloved dead. Before Jesus went to His death on the cross, He instituted an unusual memorial known as the Last Supper. This memorial was not etched in stone, inscribed in a book, nor expressed in lofty words. His memorial was immortalized in what He was about to do - giving His body and blood for the salvation of mankind. Since the life is in the blood and deeds are by the body, it is entirely appropriate that we revere and honor the memory of those of our brothers and sisters who, following the example of Jesus, gave their lives and deeds through the work of our churches. We pause here for a moment, not to bemoan death, but rather to celebrate the lives and service of those who have departed to their own rewards. We cannot add to or detract from their works that follow them.

Rather, it is here for us to rejoice in the memories we have of them as they labored with us to promote God's Kingdom through our churches and Association. But this pause in our deliberations will mean but little if we do not dedicate ourselves to the unfinished work before us, and by this moment, reaffirm our faith in the life that does not die! Let us bow in a moment of silent meditation as we focus on the names before us!

Amen

Wendell Pearson, New Hope Baptist Church, raised the question of why his church had not been accepted by the association. Earl Lamm, Chairman of new Missions Development Committee, offered to sponsor New Hope Church. Moderator asked that this matter be held with New Hope's permission to be addressed later.

Moderator recognized Ken Stalls, Director of Missions, who explained the delay to New Hope and asked for a meeting with church representatives. New Hope agreed. DOM gave his report and then recognized new pastors and staff members in association: Wendell Pearson, pastor of New Hope Church, Carroll Owenby, pastor of North Clinton Ave., Tom Lee, pastor of Broadway, Roger McKay, Assistant to Pastor/Youth of Lillington Baptist.

Moderator recognized Miriam Burchette for a report on the Baptist Retirement Home.

Following special music, Max Eller introduced the guest speaker for the evening, Dr. Dewey Hobbs.

Carroll Owenby closed with prayer and the session was adjourned until 3:00 p.m., Tuesday, October 23, 1990, at Coats Baptist Church in Coats.

TUESDAY AFTERNOON, OCTOBER 23, 1990
COATS BAPTIST CHURCH

Moderator, Marshall Woodall, called the session to order. M.O. Phillips gave the invocation in place of Ray Stancil.

Ronnie Byrd led the singing of the Hymn, "Praise Him, Praise Him."

The acting pastor of Coats Church, Rev. Ted Wilbanks, offered words of welcome and information.

Dr. Mike Cogdill led in the devotional. Brief notes are as follows:

> **Salvation** - Jesus saved Jonathan - "We receive blessings when we bring people to Jesus."
> **Healing** - There is healing in Christ.
> **A New Future** - Jesus opened the door to a new future. There are people who will never come to Jesus unless we bring Him to them.

Theme song was led by Ronnie Byrd.

Dr. O.D. Martin of the North Carolina Baptist State Convention, Cary, spoke on the "Witness Giving Life" and its content. He stated that the context in which witnessing and giving must take place is in the world in which we daily live. He said, "Non-giving is a crime against your Christ-like nature. Witnessing giving is a LIFE and a commitment to this life."

Marshall Woodall opened the floor for miscellaneous business.

Dr. Donald Keyser encouraged pastors to meet at Campbell University on Thursday, October 25 for a January Bible Study Institute.

Mrs. Vivian Simpson reminded us of the Associational Prayer Lunch, November 5 at Memorial Church, Buies Creek. This is in conjunction with the World Day of Prayer as we remember the needs of our world before God.

Dr. Frank Neville recognized those who went to Sao Paulo in conjunction with North Carolina-Brazilian Partnership. This group helped to construct two chapels.

Mr. Charles Tanner promoted North Carolina Children's Homes, Dr. O.D. Martin added by informing us that the North Carolina Children's Homes will join their efforts in ministering to the Children's Homes in the state of Sao Paulo.

Moderator Woodall then opened the floor for the presentation of associational committee reports.

Rev. Cecil Harkey, Jr. reported on the Military Ministries.

Dr. John Rogers made a motion to adopt proposals on pages 16-18 in the printed associational Book of Reports to be added to the bylaws. The motion was unanimously accepted. Dr. Rogers also recommended to delete section three of article six. It was seconded and unanimously affirmed.

Rev. Jeff Roberts moved to adopt the nominating committee report on pages 36-38 of the Book of Reports. This motion involved those who will take Discipleship Training.

Our Director of Missions, Ken Stalls, informed us that three new committees were previously voted on at the July, Executive Committee Meeting and will be included in the associational minutes. A motion was made concerning this action. It was seconded and unanimously accepted.

Place and Preacher Committee recommended the approval of next year's annual associational places of meeting. They were as follows:

Monday, October 28 - Fellowship Baptist Church, Lillington
Tuesday, October 29 - Broadway Baptist Church, Broadway

The motion included approving Rev. Carlton Gunter, pastor of Chalybeate Springs Baptist Church, as next year's preacher. This motion was seconded and adopted.

Stewardship Report was presented by Dr. John Rogers.

Mrs. Vivian Simpson referred to Associational Missions Report. The good news, she said, was a record number of baptisms reported on the Foreign Mission field this past year. The bad news was that we were down in missionary appointments. Less missionaries appointed at the end of the year than those appointed at beginning of the year.

Rev. Ken Stalls brought the associational Annuity and Retirement Report in behalf of Joe Watterson. Following his presentation, Ken asked that we remember Mary Francis Watterson who was having surgery.

Dr. Frank Neville reported that evangelism emphasis will be on the "Witness Giving Life" effort.

The moderator asked for consideration of the Building and Grounds Committee's recommendation. Ken Stalls made the motion for consideration. Rev. Woody Neal seconded and motion was unanimously passed. Recommendation is as follows:

Establishment of an account to be accumulative in money for new construction and improvements to associational property.

This account could be used for emergency needs to the associational property. The emergency needs would be determined by the Building and Grounds Committee and use of the fund would be at the discretion of the committee with a limit of $500.00 which could be withdrawn at any one time.

If needs exceed $500.00 then this would be voted on by the Executive Committee of the association or the messengers to the annual session. This account would be set up so persons wishing to make memorial gifts for the improvement and upkeep of the associational property would be able to do so.

Woody Neal then motioned to adopt the proposal. . . Jeff Roberts seconded the motion and it was unanimously adopted.

Resolutions Committee report was withheld until the evening session.

The chair recognized Lincoln Faulk who led us in a memorial service remembering those of our churches who died during this past year.

Special music was provided by Cass and Ruth DuCharme.

The annual sermon was delivered by the Rev. Max Eller, pastor of Angier Baptist Church. His texts were Luke 4: 14-21 and Ephesians 4:3-6, 11-13. Rev. Eller declared that "the remaking of trust is to tell the Gospel story over and over and over again."

Rev. Wilbanks then gave instructions for dinner with Mrs. Eleanor Owen giving the benediction and table grace.

TUESDAY EVENING, OCTOBER 23, 1990
COATS BAPTIST CHURCH

Dr. John Rogers made a motion that the association officially recognize and send a letter to Dudley Neal in appreciation for his church, that we are thankful for what his church has done, that we send him our prayers and our love and support while he is over in Saudi Arabia. Second by Ken Stalls. Voted and carried.

Dr. John Rogers made a motion that as we leave tonight that offering plates be placed at the front and rear of the sanctuary for any who would like to give money for the stockings that Westfield is organizing for the children at the orphanage in Brazil. That it be a freewill offering, anybody who would like to give can do that before they leave tonight. Second by Rev. Henry Simpson. Adopted unanimously.

Chair recognizes Ray Stancil for report on trip to Brazil.

D.O.M. Annual Report

If you ever have the opportunity to visit London, one attraction not to miss is St. Paul's Cathedral. This beautiful edifice, which has served as a place of worship for centuries, was designed by Sir Christopher Wren. Wren was by far London's most famous architect of this period. Wren is buried in this great cathedral. His son wrote his epitaph simply, "If you would seek his monument, look around you."

I certainly do not in any way wish to sound arrogant, however, at the risk of sounding so for taking more credit than I deserve, I would like to paraphrase Wren's epitaph by saying, "If you would seek the true report of my work over these past 12 months, read the reports of all of the officers, boards and committees of the association." I say this because it has been and is my commitment to be a part of all we do in the association through my service as Director of Missions.

We have embarked on several new ministries and approaches to ministry within this year. The process of implementation will be ongoing for several years to come. In some ways the Little River Baptist Associaton has been dreaming a new and fresh dream for itself this year. As we continue to adopt new and innovative ways to do the ministry to which our Lord Jesus has called and is calling us, I trust that we will be found faithful and never hesitant to move forward in our quest to fulfill His high calling for us as an association.

I am grateful to Marshall Woodall who has served so faithfully as our moderator for the past two years. Marshall has given us so much of his time, in spite of the rigorous demands of his legal practice. Thank you, Marshall! I am also so very grateful to Linda Cameron for her tireless service to our Lord through her service as associational secretary. She has gone well beyond the call of duty and has never been one to complain. Thank you, Linda! I am very grateful for Lisa Nalley, our New Work Corps worker for this past summer. Lisa helped us by surveying and ministering in the

Carolina Lakes/Buffalo Lakes area this summer. You will be hearing more about the results of her work at a later time. Finally, I am so grateful for every brother and sister in Jesus Christ who composes the Little River Baptist Association. Whether you served on one of our many committees, worked as a volunteer in the Hurricane Hugo effort or Sao Paulo or Anderson Creek or any of a number of other places or if you were one of the myriad of prayer warriors your interest and appreciation for what the Lord Jesus is doing in and through this association is appreciated!

I would be totally remiss if I failed to say thank you for allowing me the privilege to serve with you as Director of Associational Missions. You have been so patient with me and I appreciate that. You have allowed me to speak in most all of our churches. I have visited in all of our churches and missions at least once and most of them twice or more. I have participated in six homecomings with you this past year and rejoiced with you in those. I have participated in two ordination services for pastors and three more services for deacons. Joan and I have been invited many times to celebrate with you in your most special occasions and we have thoroughly enjoyed each one. In conclusion, you have adopted us into your family and for that we are and will continue to be eternally grateful.

Let us each commit to follow our Great Lord and Savior even more closely in the days of opportunity that lie ahead. In these days of divisions and disunity, let us each one commit to be one in Christ Jesus in all things. As Paul wrote to the Philippians, let's continue to press toward the goal for the prize of the upward call of God in Christ Jesus!

Executive Committee Report

The Executive Committee has the responsibility of acting for the Association between annual sessions and is charged with the duty of meeting quarterly and making reports and recommendations to the association annual session.

The Committee has met three (3) times during 1990 (January 23, April 24 and July 24).

On behalf of the Association, the committee has taken the following actions, to wit:

1. Established the calendar year as the annual budget period (such action allows the messengers to the annual session to adopt the Associational Budget rather than the Executive Committee);
2. Formation of a personnel committee;
3. Establishment of a Military Ministry Committee;
4. Establishment of a Missions Development Committee;
5. Establishment of a policy for the organization of a mission;
6. Establishment of a policy for the organization of a church;
7. Establishment of a policy for the physical relocation of a church;
8. Expanded the Associational Council to include the chairpersons of the Nominations and Finance Committees;
9. Establishment of a procedural "Agenda-type" format to govern the business of Executive Committee meetings and the annual associational sessions;
10. Adoption of an Interim Budget (October 1, 1990 to December 31, 1990);
11. Approved the request of Crossroads Baptist Mission to the Baptist State Convention for church growth assistance;
12. Approved the request of South Erwin Church to the Baptist State Convention for pastoral aid;
13. Approved the request of New Hope Baptist Church to Baptist State Convention for church growth assistance.

The Executive Committee meetings have not been well attended by the pastors and the lay representatives. Your presence is greatly needed. I request that you make every effort to attend these important meetings. I encourage you to postpone other business to attend these meetings.

1990 Report of Baptist Children's Homes of North Carolina, Inc.

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a Chance!" campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months witout a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant $400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to coopertive giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 10th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessing.

North Carolina Baptist Foundation Report

The historical records of the North Carolina Baptist Foundation will reveal 1989 and 1990 to be significant in its 70 year history. Organized following action taken at the 1919 Convention and chartered by the State of North Carolina in 1920 as a charitable corporation, the Trustee agency of the Convention has only in recent years begun to have an impact in providing financial support for Baptist institutions and mission causes.

Charged with the responsibility of creating greater awareness among Baptists within North Carolina concerning estate stewardship as a viable and significant means of providing financial support of Christian endeavors fostered by our churches, the Baptist foundation assists individuals in the establishment of endowment and trust funds. Through these funds, financial support is provided the donor's chosen Christian cause or causes on a continuing basis for years to come, long after the donor's death.

The growth of the Foundation, in terms of assets managed, has been significant during the past few years. Since January 1, 1988, the assets placed under management of the Foundation has increased by over $13 million through May, 1990. This exceeds the asset growth goals set in 1986 for a five year period.

Trust income distributed to Baptist institutions and mission causes 1988 and 1989	$1,106,930
Trust income distributed to individuals with Baptist causes named as charitable remainderman during 1988 and 1989	$1,361,836
Assets held in trust and endowment funds as of June 1 (unaudited)	$26,176,481
Assets held in trust and endowment funds as of December 31, 1989 (audited)	$18,133,634

Gifts of appreciated assets, such as stock and real estate, can be placed in trust to generate income for individuals and then apply income to Christian causes beyond their lifetime.

A new home for the Baptist Foundation was built during 1989 and early 1990. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990, and provides much needed space for the work of staff as well as for conferences and meetings.

The Foundation employs seven full time employees and operates under the direction of a 20 member Board of Directors elected by the Baptist State Convention.

Baptist Hospital Report to Associations 1990

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession. One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this $190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of medical center employees. Under construciton, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Craniofacial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov

Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina, 34 other states, and patients from foreign countries is increasing as the reputation of the Medical Center spreads throughout the World.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the B.S.C., had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering and direct gifts. The hospital staff and patients are most grateful for this continuing financial support.

Baptist Retirement Homes of North Carolina, Inc.

1990: PROVIDING THE BEST OF TIMES TO N.C. OLDER ADULTS

Making life for Older Adults the Best of Times is the continuing goal of Baptist Retirement Homes of North Carolina, Inc., which operates four residential facilities for Older Adults around the state in Albemarle, Asheville, Hamilton and Winston-Salem.

In Winston-Salem, Brookridge Retirement Community celebrates its first birthday in 1990. It is the largest of the facilities, providing five levels of care. Independent living in garden homes, independant living in apartments and assisted living, intermediate nursing care and skilled nursing care in its healthcare unit - to 350 Older Adults. The residents have developed a strong community spirit.

Around the state, other homes face a promising year.

The Board of Trustees of Baptist Retirement Homes applied in July for permission to construct the 60 nursing care beds the state is allocating to Buncombe County in 1990.

State approval of its plans will be the next step toward adding a 60-bed healthcare unit to the Western North Carolina Baptist Home in Asheville, a unity offering skilled and intermediate nursing care. Currently the only nursing care provided by Baptist Retirement Homes 85-bed nursing-care unit at Brookridge. The Western part of our state has one of the fastest-growing populations of Older Adults.

The facilities in Albemarle and Hamilton provide assisted living in a residential setting to 30 Older Adults each. Both programs are greatly enhanced by the strong support of the surrounding community and its churches. The Brotherhood, WMU and senior adult clubs at many nearby churches provide fellowship, entertainment, skills and physical labor, household needs - whatever they see are needed by each home.

The Albemarle Baptist Home also offers respite care for those families who care for an Older Adult and need some time away from that responsibility. The cost of the care is paid by the family, and it provides overnight care for whatever length of time the family needs. It, and other alternative forms of residential care for Older Adults, are additional ways being explored by the Homes to meet the growing needs of the Older Adult Baptist population in this state.

Please pray for our ministry.

Brotherhood Report

The Brotherhood section of the Little River Baptist Association has made progress during the past year, but we still have some distance to go to be on the level of our sister organization, the WMU. Part of the Brotherood organization, the Royal Ambassadors, have made significant progress in enrollment and achievement. It behooves all of us to become involved in one or the other of the four sections Brotherhood, namely: Baptist Men, Baptist Young Men and Baptist High Schools and RAs to pull together to make the Brotherhood a useful section of the Little River Baptist Association.

We are still in the process of organizing an advisory council to better coordinate all our efforts. Never in the history of our association has the WHY of Baptist Men been more apparent and needed than now, with such events as Hugo, the earthquake in California and the dark cloud that hangs over the Mid-East and the rest of World.

Let us, as Brotherhood members, recognize our opportunities and put our resources and talents to work for God and Christianity and make the Little River Association a leader in Brotherhood work for the coming associational year, 1990-1991.

Respectfully submitted,
M.O. Phillips

Building and Grounds Committee Report

The Building and Grounds Committee was asked this year to seek bids on the painting of the associational office. Several bids were received and a painter was contracted to paint the outside of the building. The trim needed to be cleaned first so the painter cleaned the trim and then painted it using the same color scheme. The committee has noted that there needs to be a building fund set up in order to have funds available in case extensive maintenance needs to be done. The money budgeted for maintenance would not take care of extensive repairs.

Christian Life and Public Affairs Report

Charged with the responsibility to help North Carolina Baptists to become more aware of the ethical implications of the gospel in everyday living, the Council on Christian Life and Public Affairs has provided many educational resources and conducted a wide variety of field service events in 1990. Both at the Key Leader Meetings at Caswell and Ridgecrest and in associational gatherings across the state, Christian Life Committee members were briefed on a variety of moral and ethical issues and provided help in organizing for action through their local churches and associations. Materials and information dealing with a wide array of issues were provided to individuals and churches.

DEPARTMENT OF CHRISTIAN CITIZENSHIP EDUCATION

General Assembly

As had been predicted, the 1990 summer session of the General Assembly turned into the longest so-called short session in history. There were at least two reasons for the length of the session: the number of significant issues carried over from the 1989 session and the need to cut more than $300 million from the state's budget.

Among issues of interest to Baptists were:

—the state lottery was again defeated

—churches were granted an exemption to keep them from having to collect sales tax on Wednesday night suppers and other food sold.

—$10 million was designated to combat the state's infant mortality rate, which was the highest in the nation in 1989.

—bill to toughen state's drunk driving laws was defeated when the House refused to accept weaker version passed by the Senate.

—governor and legislature reached a compromise on dealing with state's overcrowded prisons. State will use $275 million in bonds to build new prison space for 6,000 inmates. In addition, state will increase its use of electronic house arrest and intensive probation, alternatives to prison which are much less inexpensive.

—a law was passed to make it illegal to possess child pronography.

The General Assembly will convene for its 1991 session in January. The Legislative Information Network will again help Baptists to have effective input into the legislative process in North Carolina.

WORLD HUNGER

Hunger continues to control the lives of millions of God's children around the world. In 1990, some of the worst conditions were in Ethiopia, Sudan, and Mozambique, where usually bleak conditions were made worse by civil wars. In addition, internal unrest in Liberia threatened to add that country to the list.

In 1989, while hunger giving across the Southern Baptist Convention was dropping significantly, North Carolina Baptists continued to give generously. For 1990, though, the story has been different. Through July, our gifts to fight hunger were almost 20% below those of the same period last year.

The North Carolina Hunger Fund has continued to distribute money given by North Carolina Baptists to churches and associations which are combating hunger at the local level. Through July, funds had been given to 26 churches and five associations. These grants totaled nearly $23,000, and in most cases, were matched by generous assistance from the Domestic Hunger Fund of the Home Mission Board.

DEPARTMENT OF AGING

Ministries among older adults continue to expand among the churches in North Carolina. Conferences, Seminars, rallies and training opportunities are being conducted by churches and associations to meet the needs of this fastest growing of our population. Rallies held on the Kennedy, Broyhill, Mills, and Odum campuses of the Baptist Children's Homes were attended by large numbers of senior adults. The six annual conferences/retreats at Caraway attracted capacity attendance. A similar conference is planned for next year at Caswell.

DEPARTMENT OF CHRISTIAN FAMILY LIFE

This year saw a continued and encouraging growth in the realization of opportunities for family ministry. This growth was witnessed not only at the state and associational levels but particularly in the local church.

Nine Family Enrichment Conferences were held in local churches under the leadership of the department's director. Four Marriage Enrichment retreats were guided and five single adult events were held, including two area-wide seminars, with leadership training held at Caswell and Boone. A seminar on single parenting was conducted, as was a divorce adjustment workshop. The first of its kind, A remarriage and Blended Family Workshop was held in October.

The Department cooperated with the Department of Aging in leading Senior Adult rallies held on four campuses of our North Carolina Baptist Children's Homes. Four special interest groups were provided for these rallies by the department: "Mentors of the Young", "On Mission After Retirement", "Eye Health and Care", and "Campers on Mission."

SUBSTANCE ABUSE/DEPENDENCE DEPARTMENT

Having formed February 1, 1989, the Department of Substance Abuse/Dependence remains the only staff position for Southern Baptist institutions, conventions, and agencies which is fully dedicated to the problem of addictive behavior.

Our annual conference in October, jointly sponsored with the Baptist Hospital Department of Pastoral Care, addresses practical and ministerial issues related to addictive/compulsive behavior. This year, October 26-27, at the Caraway Conference Center, Damian McElrath, Director of Residential Services at Hazelden, presented the Hazelden model of treatment and recovery. This conference acquainted persons attending with an integrated clinical/spiritual approach to addiction and offered practical resources for ministry.

Three follow-ups to last year's annual conference, keynoted by Keith Miller, have occurred at Caswell, Caraway, and the Broyhill Inn in Boone. Jamie Norton, nationally know expert on both adolescent behavior and family systems therapy, has graced her "groups" with solid ways to both recognize and address addictive behavior of all kinds.

In addition to the basic information video titled "the Bible and Addiction," a discussion provoking video titled "Train Up A Child" is now available for use in Christian Training events in your church. Two more videos are in the works, one dealing with parenting appropriately assertive children, particularly female children, and the other dealing with behavior patterns passed from parents and grandparents to children and grandchildren. Substance abuse experts continue to find that addiction is very much a family affair.

Church Music Report 1990

Theme: "Musicians on Mission. . . That All May Hear"
Objective: To support the goals of Bold Mission Thrust in
reaching people, developing believers and strengthening missions.

As we plan our 1990-1991 Associational Music Program, the following goals and actions are to be considered as given by the Southern Baptist Convention Bold Mission Thrust: building fellowship, providing leadership training, and serving as a resource person. In meeting these goals, as stated by the SBC, we as an association are given these suggested strategies: interpret and promote the opportunities, start new music units, enlist more people and report music ministry enrollment on Uniform Church Letter. We as an association with your cooperation can meet these goals providing some of the following:

—conduct "How to Begin and Grow: conferences
—conduct a music reading session of new youth, adult music periodicals
—recognizing churches achieving the Music Ministry Standard
—participate in a "Let's All Go to Church" interpretation workshop
—conduct associational festivals
—conduct associational PraiSing to promote new hymnal
—promote church music emphasis week
—encourage individual music study through use of self-study resources
—recognize churches and individuals from those churches who achieve Church Study Course
—Awards in the music area
—provide an associational leadership training event in worship service planning
—continue to promote musicians' involvement in music mission projects

The adult associational choir and men's ensemble provided the music for the LRA annual

The adult associational choir and men's ensemble provided the music for the LRA annual meeting held October 23 and 24 at Trinity Baptist and Holly Springs Baptist Church.

On June 23, 1990 we had the second annual appreciation banquet for the minister's of music, directors of music and their staff. This was held at Antioch Baptist Church, Mamers, North Carolina. The musicians were given a corsage or boutonniere. We were honored to have had someone, whether it be an individual, group or the church to pay for them to attend the banquet. Following the welcome, devotional thoughts, dinner was catered by Norman Brickhouse of Sanford, North Carolina. We were served a tossed salad, marinated chicken breast, baked potato, bread, tea, and dessert. Following the dinner, everyone introduced themselves and what role they played as a church musician. The entertainment was given by a local comedian who portrayed the character of Phyllis Diller. Following her skit, The Faith Sisters performed several musical selections. (If any church needs to have someone to sing for revivals, Praise Sings, banquets, etc. I recommend them highly. Contact: Roni Samuels at 499-2604 for bookings). Afterwards door prizes were given, and a short report as given about our music on the associational level.

Our adult associational choir provided the music for all the worship services held at Campbell University's Pastor's School on July 16-19. The choir did an excellent performance.

Associational Report 1990

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which save staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

WHAT IS THE QUESTION?

A preacher once entitled his sermon, "If Christ Is the Answer, What is the Question?" The sermon had three points. "How can I live with myself?" "How can I live with others?" "How can I live with God?"

Your Baptist Colleges attempt to confront students with life's most important questions:

What is the purose and meaning of the created order?
How will I spend my one life?
How should I measure success?
How much is enough?
How can I best serve God and my fellow beings?

The best gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist college experience provides challenges and opportunities, in and out of classes, for young people to become whole, healthy persons both intellectually and spiritually. People who can think clearly about life, including faith and vocation, are the kind of persons needed to establish homes, grow churches and build a better world.

Colleges educate. Churches call persons to faith and encourage spiritual growth. Colleges and churches, then, have distinct roles. Baptist Colleges lead students to like learning with faith to produce whole, mature men and women equipped for a lifetime of learning and service.

No question about it, Baptist students and Baptist colleges belong together!

Discipleship Training Report 1989-1990

The area known as Church Training is now sporting a new name, Discipleship Training. This name change reflects the desires and goals of this training which targets the growth of discipleship for every Christian. Along with the name change is a change in forms for reporting Discipleship Training in your church. The new format is intended to better reflect the range of training being done throughout the year.

This year was another year of growth for our Associational children and Youth Bible Drills which were held April 22 at Lillington Baptist Church. There were 48 children participating in the Children's Bible Drill representing these churches: Antioch, Fellowship, Hillmon Grove, Holly Springs, Lillington, Memorial, and Trinity. In the Youth Drill, there were 12 participants representing the Antioch and Holly Springs Churches. We also had a participant in the Youth Speakers' Tournament, Shannon Hilton from Antioch Baptist Church. All of our participants in the Children and Youth Bible Drills and in the Youth Speakers' Tournament qualified to participate in the State Drill and Tournament.

Associational Evangelism Report

In preparation for the Simultaneous Revival held in the year 1990, an Associational Prayer and Evangelism Retreat was held on January 27 at Memorial Baptist Church in Buies Creek. Approximately 80 people attended. Lunch was catered from the Sub Station II in Dunn, N.C. Dr. Ken Hemphill, pastor of the First Baptist Church of Norfolk was the guest speaker. He delivered a tremendous sermon on the fifth chaper of Luke.

Eighteen churches participated in the "Here's Hope - Jesus Cares for You" Simultaneous Revivals. All report good attendance and experienced new committments and new converts.

Your Director of Evangelism attended the "Key Leadership" conference this past May. Emphasis was given to the "Witness-Giving-Life" program that will be emphasized in 1991. This emphasis in some form will be continued through the year 1995. There will be a Witness/Giving/Life Seminar held in our Association on October 5 at Marshbanks Dining Hall, Campbell University.

Super Summer 1990 (Youth Evangelism) was held on July 26 and 27 at Carowinds. Both days were filled to the maximum. Many decisions were made for Christ.

Associational Annuity and Retirement Report

A certain man had not planned to retire at 47. A man of great faith, he had not, nor had his church, provided disability insurance. A little disability income will come from his retirement account, possibly a little from Social Security. His church voted to continue his pastoral income and benefits through the end of the year, including the use of the parsonage. After that?

Would it not be wonderful if all churches in the Association would provide COMPREHENSIVE MEDICAL AND DISABILITY INSURANCE for pastor and all paid staff? Along with retirement plans, perhaps even some help in the four-plan investment program. That way, the Annuity Board would relieve distraught ministers and staff and the church especially of deadly burdens of guilt and fear resulting in the tragedies that fall upon even people of great faith!

But they don't! It still is true that of our 37 churches and four missions only 25 participate in the plans and programs offered by the Annuity Board. The term, "Ministers' Retirement Program" is only a small part of the very adequate provision available - backed by more than 2 1/2 billions of dollars in reserves held for our confidence and peace of mind. Where are the other 13, and what can your church do about partial participation. The more put in the more get out. Token participation brings only token results. Late entereers reap smaller return, as old-timers have discovered. Young pastors and workers have it made for future service and retirement if the church acts early and in full measure.

A personal offer for any church interested enough to want to know more and to invite your "Annuity Board representative" I will come to you and spend as much time as it takes to help. Churches please be aware that your pastor may not be "bold" enough to ask you to make the above provisions for himself and his family, likewise any worker or workers. In that case it's up to the church to take steps for your own protection, and for his or hers.

Mission Development Report

This report will be an encouragement, a challenge and a plan. We will never be able to give a final report on Mission Development due to the fact that the more we do the more we realize the magnitude of that which needs to be done.

We now have a duly elected council and we are meeting on a regular basis. The statement of purpose and description of the councils duties gives the council and the association the guidelines to follow in developing new missions. The council strives to be the nerve center for all the churches in the association in their efforts to reach people in our area through new church development.

It is encouraging to report the steps of progress that have been made this year. The council had the privilege to work with the local churches in the establishment of Crossroads Baptist Mission. It is good to see many people becoming involved in Crossroads who were not an active part of a local church. Crossroads relationship to the association and plans for future sharing in associational activity/ministry is a real blessing.

We had a summer minister, Lisa Nalley, to work in the Buffalo, Carolina Lakes area to determine the need for a new work in that area. Lisa did a good job and reported to the Mission Development Council. The methods of this fact finding effort as it relates to new work was a training session for the council. The results certainly gave understanding into the opportunity for new work in that area.

Our challenge is to be fully aware of each community within our association. This awareness should include present population, future growth potential or planned development which may effect our need for concern. The expertise which we may attain will be available to local churches to help them increase their understanding of their own church field. The council would be available to give assistance and render guidance in implementing the local churches vision of new churches.

The plan will work if each church will have a plan-program goal or whatever they wish to call it for new work in their area. The combined grouping together of these plans from all the churches would represent the plan for the Missions Development Council and the association. What a blessing it would be if under the leadership of the Holy Spirit we could seek to know God's will for new churches in our association. The council hopes to develop a long range new work strategy and seeks prayer and support from all our churches, the state convention, and the Home Mission Board. The time required to get budgeted funds, personnel and many other ingredients needed to have a successful new work can not be done in a short (one to two year) time span. The plan and on going work of a new church must be planned three, four or five years in advance of implentation or beginning. The on going support system on new work is available but it is not an instant potato. Pray with us and work in your local churches to know God's will for new work through you. Then share that with the council. What a glorious day it would be to see God's plan for new work in all our churches for years to come.

Earl Lamm

Ordination Committee Report - 1990

The Ordination Committee of the Little River Baptist Association met to examine Phillip G. Holmes, Co-Minister of Music and Children's Activities, upon the request of Angier Baptist Church.

It is the intent of the Ordination Committee to examine each candidate in such a way as to give the requesting church our opinion on whether the candidate is ready for ordination and at the same time try to share with each candidate in such a way that will help them better understand their call and their ministry skills. We use a form the Ordination Committee adopted in which we ask each candidate to submit some personal and theological information with the committee prior to the examination. We also follow the guidelines set up in our constitution. We recommended Phillip G. Holmes be ordained. His ordination was held on February 18, 1990 at Angier Baptist Church.

Senior Adults

Churches in the Association have shown an increased interest in the Senior Adult Ministry. Many elected a senior adult director to work with this age group and several churches have organized monthly programs and activities. A significant number observed Senior Adult Emphasis Day in May and three churches had members to attend one of the Senior Adult Conferences at Caraway.

Neill's Creek Church hosted the second Senior Adult Rally in May and approximately 200 people attended. The theme for the day, "The Best Is Yet To Be" focused on the value of the older adult and was highlighted by an address by Mrs. Caralie Brown, senior volunteer with the State Baptist Convention. Workshops offered were *Social Security and Medicare* and *Living Day by Day*. The day brought together seniors from all areas of the Association and again proved to be a successful event.

Twenty churches were represented at a county-wide *Information Provider Workshop* sponsored by the Harnett County Extension Service. Participants learned of the various resources available to older adults through different agencies and organizations and how to serve as advocates for them in their communities.

It is important that we recognize the growing number of older adults in our churches and emphasize the invaluable resources they represent. These years of experience, precious time and talent need not be wasted when there are so many unmet needs in our world today. May this be our challenge for the New Year.

Sunday School Report 1990-91

ENLARGE. . .Stretch. . .Lengthen. . .Strengthen. . .
Break Forth on the Right Hand and on the Left Hand. Isaiah 54:2-3

This is our Sunday School challenge this year. It suggest there is a needed spiritual advance; crossing barriers, taking the gospel to unreached people. A breakthrough in your church can lead to penetrating your community with the good news of Jesus Christ. Our Assist team exists to help you prepare to meet this challenge.

The Assist team this year has attended training sessions at Caswell and Caraway. We have also had regularly scheduled meetings to plan our Associational work.

It was decided our major goal this year was to encourage churches to enroll their Sunday School teachers and officers in the Sunday School Workers Training Diploma. Materials were sent to each Sunday School Director. Some of the churches have responded by requesting the Assist team for training sessions in their church. This is a good beginning. At all furture Associational training events, each worker will receive credit to apply to this diploma. It is hoped you will keep your diploma enrollment poster in a visible place for all to observe the progress you are making in training your S.S. workers.

Our Associational S.S. has for the second year reached the S.S. Standard and been recognized by the S.S. Board with a certificate.

Thank you for your encouragement, participation and support during the last five years I have served as your Associational S.S. Director. It has been rewarding for me to see your interest in improving your S.S. May you continue in this enthusiasm under your new leadership - Sharon Gunter. She is well qualified to lead our Association to newer heights with your cooperation and support.

Associational WMU Report

The year 1989-90 has moved forward with much enthusiasm from our WMU officers as they have practiced our theme, "In His Name-Reach, Teach, and Touch." We are so thankful for their dedicated service.

With help from the Key Leadership Conference and the week that Alice Rock, Assistant Director, and I attended at the state Leadership Conference and also attending the S.M.U./S.B.C. at Ridgecrest gave us much assurance for a better job. We are so thankful that all our officers were able to attend the workshops provided by our Baptist State Convention.

We had a great time at our leadership conference at Erwin First Baptist. So many came from so many churches. Lee Sellers Sorrell gave highlights of being an Acteen and what it meant to her as a teenager. This is the year of the Acteens and we wish to boost them all we can. Leslie Homes thrilled us by leading our Music. On February 18, the WMU Council gave a reception honoring the Acteens in Little River Association. This reception was held at the Lillington Baptist Church.

On November 4, we experienced a great inspirational time at our World Day of Prayer Brunch at Sirena's Courtyard. Many testimonies were given. We were greatly blessed by Mrs. Jane Cluck who shared with us her work at Garner, Africa. Mrs. Vivian Simpson presented her slides taken on her trip to China at Angier Baptist Church on December 5. It was a great presentation. It made us once again appreciate our great leader and Missionary, Lottie Moon, as we visited her home by film. On February 13 our Pastor's Appreciation Dinner was held at Sirena's Courtyard. Valentine decorations were used and "Love is the Theme" was our theme. Dr. Michael Cogdill inspired us with a very timely message. Rev. Dean Beck from Broadway Baptist Church was recognized as "Pastor of the Year." We appreciate our pastors and want them to know we support them with our prayers.

We are very proud of our new organizations Coats has reported two, Erwin First three, Anderson Creek had begun a new WMU and Duncan has started Mission Friends, G.A.'s Acteens and Baptist Young Women. We are excited about a new work begun by our Enlistment/Enlargement Director, Claudia Hayes. It is a Baptist Nursing Fellowship group. Their objectives are (1) to grow professionally and spiritually (2) to support missions in local homes and foreign activities.

Avis Hall, our Mission Action/Personal Witnessing Director, has been busy with activities this year. Women and girls have participated providing Bible Study, birthday parties and visiting rest homes. Lee-Harnett Mental Health Center and Harnett Production Enterprise provided personal gifts and fruit at Christmas. These were shared with the Dunn Rescue Mission as response was tremendous. The Salvation Army provided over 600 Christmas gifts to area rest homes. These were delivered by our various WMU groups. Migrant bags and school kits filled with personal items were delivered to Lillington Migrant Office for distribution. Bag lunches were distributed to the 100 plus participants at the Annual Spring Fling held at the Campbell University.

Churches were encouraged to promote the Care-Givers Support Groups, Lee Harnett Alliance for Mentally Ill and Alzheimer Support Group as a means of understanding, supporting and sharing coping skills to persons ministering to these special people.

The Little River Baptist Women initiated the Harnett County Literacy Association to alleviate the problem of illiteracy. Approximately 15 Baptist Women have been involved in this effort through the tutoring program. With approximately 18,000 functionally illiterate in Harnett County, this will continue to be a major emphasis. Additional tutors are desperately needed. Training is provided through Central Carolina Community College. Sites for classes are needed, this has been a good project for Baptist Women.

The Associational G.A. Rally for Home Missions was held at Kennebec Baptist Church March 4, 53 girls and about 20 adults attended the event. Dr. Steven Diaz, Associate Director of the Multi-Ethnic Division of the Baptist State Convention of North Carolina was their "real live missionary." He led them in various home mission activities. Items were brought by the children for the migrant children. Mrs. Brenda Chatham, our Assoicational G.A. Director is working enthusiastically with these girls.

Our Prayer Retreat at Caraway led by Mrs. Vivian Simpson was a crowning event. Our Missionary was Dianne Daniels, former missionary to Colombia.

Due to health reasons I am sorry I had to resign. This has been a wonderful year and God has blessed us in so many ways. We are thankful and pray we will always remember our Watchword. "And the King shall answer and say unto them, Verily, I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren ye have done it unto me."

Mildred Vaughan

World Mission Report

A group of fanatical Muslims burned several churches in Zaire one night. The next morning a young Muslim who had been one of the torch carriers passed one of the churches. As the Christians met amidst the ashes, the young man paused to listen, intrigued by their prayer. They did not ask God to avenge their loss. Rather, these Christians prayed that God would forgive those who had burned their building.

The Holy Spirit worked in the young man's life. He accepted Christ as his personal Savior. Now he gives his testimony in churches throughout the area, even in those he helped burn.

Stories like these are repeated hundreds of times every day as your Southern Baptist missionaries touch our world making life-changing impressions on the people around them.

During 1989 some remarkable things happened because we supported Southern Baptist foreign missions work. Here are just a few examples:

A record 227,564 people were led to the Lord and baptized. This means one baptism for every 10.7 Baptist church member overseas. This compares with one baptism for every 40 Southern Baptists in the United States.

Medical missionaries and national medical personnel cared for more than 1.4 million patients.

More than $5 million of our gifts helped support hunger and relief efforts in 44 nations. However, hunger and relief offering decreased to $7.2 million from nearly $8.4 million in 1988.

We prayed for and gave financial support for more than 3,780 foreign missions and more than 10,000 volunteers traveled abroad to fill short-term volunteer needs. Unfortunately, for the first time since 1972, Southern Baptists finished the year with fewer foreign missionaries than they started the year with. To be precise, 87 fewer. This was part of a steady decline in appointments for the last five years.

Responding to a call for more financial help, we gave $79 million through the Lottie Moon Christmas Offering. Although short of the goal, the offering was a 12.7 percent increase over the previous year.

Southern Baptists now have work in 116 countries with 42,476 churches and chapels and 2,450,884 members.

As we look forward to the year 2000 and the culmination of our Bold Mission Thrust, we find that there is still cause for concern. Our dedication to financial support, and to going - whether it be for short-term volunteer service or a career decision - must climb at a greater rate than it has for the past several years. We must continue to work and pray together during this final decade of the Bold Mission Thrust.

Equally urgent is the call for commitment to missions within our homeland. The Home Mission Board also looks at 1989 as a rewarding year in many respects for a year of continued concern in many areas.

The following highlights were gleaned from the 1989 Annual Report of the Home Mission Board to show ways in which the HMB is responding to Bold Mission Thrust goals:

REACHING PEOPLE - churches reported baptisms of 353,000 - an increase of 19 percent. The Home Mission Board's Department of Evangelism led 2,250 volunteers to knock on 120,000 doors in Las Vegas prior to the meeting of the Southern Baptist convention; they conducted 1,298 Continuing Witness Training Schools and enlisted 3,000 churches to conduct One Day Soul Winning Workshops. Other workshops and training events were led by the New Church Extension, Associational Evangelism and Church Evangelism departments.

Home Mission Board appointed Church-Planters helped start 644 church type missions. Church Starting PROBES and Church Growth PROBES, Church Growth Revivals and Church Growth Conferences were led by Church Planters and US2ers and PRAXIS students. Videos were produced by the Mass Evangelism Department, leading to starting 1,000 churches out of the 1990 revivals.

DEVELOPING BELIEVERS - The Home Mission Board is committed to the goal of enrolling four million Baptists in discipleship training by September 30, 1990. The Personal Commitment Guide has been translated into seven languages to use as a follow up in mass evangelistic crusades; churches were enlisted to use The Survival Kit for New Christians and the department of Interfaith Witness produced two modules to be used by the Sunday School Board's Discipleship Training Department. One thousand awareness conferences were held to train 30,000 people to share their faith with members of cults and world religions.

STRENGTHENING MISSIONS - The Language Missions Department is working closely with Woman's Missionary Union and the Brotherhood Commissions to develop language materials for missionary education; Home Missionaries spoke at world conference to 1.4 million people from 4,780 churches and 239 associations.

In 1989 the Home Mission Board appointed 670 new home missionaries bringing the total to 3,808. Short term volunteers recruited, trained and placed 47,451 volunteers on the field in 1989. This is the one goal, involvement on the part of volunteers in mission work, that has been met by both the Home Mission Board and the Foreign Mission Board.

The goal for the Annie Armstrong Home Mission Offering for 1989 was $39,000.00. A total of $32,993,023 was given.

This brief list above in no way tells the whole story of the work of the Home Mission Board and the dedication of the thousands of missionaries, US2ers and volunteers who serve the Lord in the lonely stretches of Montana and the teeming, violence filled ghettos of the big cities. Nothing, except becoming a volunteer yourself, can stir your heart to want to know more and do more than to read our *Missions, USA* and *Commission* magazines. Would you seriously consider becoming a subscriber to that you can more intelligently pray and support OUR mission work around the world.

In Memoriam

When Abraham Lincoln memorialized the war dead at Gettysburg, he addressed his remarks properly to the living, indicating that the way to honor those whom we have lost for awhile is to dedicate our remaining years to the causes which the noble dead "have thus far advanced."

When Christ instituted the memorial of the Lord's Supper it was in remembrance of Him who would and did offer his life for the salvation of mankind.

So our brief memorial today takes note of names representing persons, but especially what these did here, too! We are here reminded that each of us lives in a limited time-frame which is not eternal as far as this earth is concerned. The roster of names silently urges each of us to be up and about the Father's business, "for the night cometh when no one can work."

Let us stand and engage in a moment of silent memory.

Respectfully submitted,
A. Lincoln Faulk
